My only worst fear is being forced out of this grave that I live in Back into the life that I hide A past that I reminisce it was always bad choices Bad choices Bad choices And now it's consequences Consequences Consequences Now I stand behind steel bars and barbed wire fences Facing a five year sentence I've been criminalized And given a label as unstable They've taken my youth and given me but a second chance at bail As I stand before the judge he asks me do you think this is proper justice But it's kinda hard to think about that when I'm staring at my mother through a wood and glass booth Twelve years old cuffed and shackled her tears hit me like bullets I'm breathless Can hardly catch my breath to plead guilty But what innocence do I have left Guilty is the verdict Pleading otherwise would just be reckless But never mind that my face says it all The judge knows I'm guilty It doesn't take 21 questions from the jury to detect this Live once die twice When you're already dead inside Living is just a sacrifice **Messages from Heaven** Joann Baumann, 2008-02
