Love and Justice Eva O'Diam,1990 Picking the "right" Bible Study Program Macrina Scott,1992 *James (Understanding the Bible Commentary Series)* Peter H. Davids,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series *The Concept of Divine Sovereignty in Micah* Colin Semwayo,2019-12-14 We live in a world gone awry Social injustice pervades our societies the poor are disdained despotic leaders and nations seem to control world events and racism and hatred abound Yet while it might appear that evil reigns the sovereign God is in control Such is the message of the book of Micah a text that underscores God s presence in the world righting wrongs delivering the marginalized and restoring the intended order of creation In this careful explication of the minor prophet Dr Semwayo challenges those who would question the text s unity revealing Micah as a powerful theological reflection on the reestablishment of Yahweh s sovereignty on earth Connecting the Zion Davidic traditions to the Abrahamic covenant Semwayo articulates a vision of hope that is as relevant for us in the twenty first century as it was for Micah s original audience **American Book Publishing Record** ,2006 **Psalms : Volume 2 (Teach the Text Commentary Series)** C. Hassell Bullock,2017-12-05 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text **Justice in an Unjust World** Karen Lebacqz,1987-11-06 Have we heard the cry for justice that rises from humanity suffering from varieties of injustice economic sexual political cultural verbal Or what is more have Christians on occasion knowingly or unknowingly acquiesced in or even contributed to injustice By means of powerful and dramatic use of biblical images and models Dr Lebacqz sets before us the justice of God and God s call for us to heed the cry of the suffering and to work for justice in an unjust world **From Christ to the World** Wayne G. Boulton,Thomas D. Kennedy,Allen Verhey,1994 Here is a single volume that effectively introduces students to the full breadth of the discipline of Christian ethics Essays deal with both concrete issues and theoretical foundations Relevant biblical readings and a series of case studies accentuate the text *Understanding Christian Ethics* William Tillman,1988-05-25 The student church staff person layperson or professional ethicist searching for an introduction to contemporary ethical issues that is substantive enough for class room use yet functionally oriented toward the local church will find *Understanding Christian Ethics*

invaluable *Invitation to Biblical Theology* Jeremy M. Kimble, Ched Spellman, 2020-06-30 *Invitation to Biblical Theology* provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study. Defining biblical theology as the study of the whole Bible on its own terms, Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches. They then lay out their own approach built on the framework of the canon, the covenants, and Christ. Taking God's plan of redemption in Christ as the uniting theme of Scripture, Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation, showing how each division of the canon moves the overarching story forward. The following ten chapters survey central and recurring themes of Scripture, including kingdom, worship, Messiah, and atonement; God's glory and mission. The authors conclude with reflections on how biblical theology can serve the church as well as the academy.
