

A night sky with a starry galaxy visible through a natural rock archway. The rock is dark and textured, and the sky is a deep blue with many stars.

It takes time to love
someone properly, and
in this business, you
get very wary of people.

Mark Roberts

Love Be Wary

William Shakespeare

Love Be Wary:

Sir Salomon; or, The cautious coxcomb, a comedy [by J. Caryl]. John Caryl, 1671 **Modern Virtue** Emily Dumler-Winckler, 2022 Modern Virtue is the first book length treatment of Mary Wollstonecraft's theology and religion the first to show the centrality of each for her account of the virtues and revolution and the first by a scholar in these fields While Wollstonecraft is canonical in many other fields she is mostly unknown or ignored in virtue ethics theology and religion This book remedies this omission and the prevalent narratives sustained by it in the latter as well as predominant views of her religion and virtue in the former All About Love bell hooks, 2018-01-30 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in All About Love Here at her most provocative the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode the question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society's failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The Utne Reader declared bell hooks one of the 100 Visionaries Who Can Change Your Life **Love's Shadow** Paul A. Bové, 2021-01-12 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry comedy and love Literary criticism is an agent of despair and its poster child is Walter Benjamin Critics have spent decades stewing in his melancholy What if instead we dared to love poetry to choose comedy over Hamlet's tragedy or to pursue romance over Benjamin's suicide on the edge of France of Europe and of civilization itself Paul A. Bové challenges young lit critters to throw away their shades and let the sun shine in Love's Shadow is his three step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self consciousness The first step is to choose poetry There has been since the time of Plato a battle between philosophy and poetry Philosophy has championed misogyny while poetry has championed women like Shakespeare's Rosalind Philosophy is ever so stringent try instead the sober cheerfulness of Wallace Stevens Bové's second step is to choose the essay He praises Benjamin's great friend and sometime antagonist Theodor Adorno who gloried in writing essays not dissertations and treatises The third step is to choose love If you want a Baroque hero make that hero Rembrandt who brought lovers to life in his paintings Putting aside passivity and cynicism would amount to a revolution in literary studies Bové seeks nothing less and he has a program for achieving it **Symphonies Under the Stars**, 1927 **The Works of the English Poets, from Chaucer to Cowper: J. Beaumont, G. and P. Fletcher, F. Beaumont, Browne, Davenant, Habington, Suckling, Cartwright, Crashaw, Sherburne, Brome, C. Cotton**, 1810 **Love's labor's lost** William Shakespeare, 1887 *Romance Fiction* Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and

the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of Romance Fiction A Guide to the Genre published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have
