Secrets of Life After Death Ward Edward Barcafer Jr., 2020-07-29 This is a book about life after death as provided to

me through journaling and a series of extraordinary events by my wife Suzette Delashmet Shockley after her demise. When these events started to happen I, having not known or even thought about life after someone has passed, was in disbelief. I researched and kept an open mind. Because of these happenings and my research, I now know that when a person loses a good friend, a spouse, a child, or other loving relationship, the deceased person can come through. The stronger the love vibrations, the easier and the stronger the connection between them will be. In shock and deep despair over the death of his beloved wife Suzette Delashmet Shockley, Barcafer Ward Barcafer struggled to live his life. But to his surprise, he began hearing Sue's voice coming through to him from her life in Heaven. Paula Lenz. This profound inner play from the light of love gives insight to the presence of heaven on earth and the continual expression of earth connection to what is called Heaven. The depth and breadth of their love is known as a harmonic love. Dr. Patty Luckenbach. For those of a skeptical nature, the proof of life after death is undeniable. For those who are grieving, the intimacy and teachings are comforting. For those who are curious, these are remarkable stories. Marcia Beachy. In this intimate journal of his experiences with Suzette and his spirit guides, Ward walks us through spirit to spirit connection and communication that has no barriers separating the earthly and ethereal realms. Suzette selflessly shares with us through Ward what life is like for a soul in Heaven. Dr. Ruth Anderson.
