Miss Melville Regrets:

Miss Melville Regrets Evelyn E. Smith, 2024-06-04 Good breeding simply doesn't pay the rent anymore And while Miss Melville has bucketloads of breeding she finds herself somewhat lacking shall we say when it comes to finances Distinctly lacking Her rich friends are no help they think broke means having to buy a smaller yacht What is an impoverished gentlewoman to do Become a killer for hire of course But Miss Melville who prefers the term hitwoman doesn't take just any job no matter how well paid That kind of sordid money grubbing is beneath contempt No she reserves her talents for those who let's say those who really deserve them It's true her ancestors would roll in their graves at the thought of Miss Melville working and for a paycheck my dear But finger sandwiches and opera tickets don't come cheap One does what one must

Miss Melville's Revenge Evelyn E. Smith, 1989 **Mystery Women, Volume Two (Revised)** Colleen Barnett, 2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all women's studies programs as well as for the mystery hound Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00 *Murder Every Monday* Pamela Branch, 2024-11-26 Clifford Flush happily if wrongly acquitted of and semi contentedly retired from the pursuit of murder has not felt the need to off anyone in ages Sure he fled London when the return of the old urges left him open to a spot of blackmail but he's been doing fine thriving in fact He and the other members of the Asterisk Club all murderers the law couldn't manage to hold have turned the gory business of killing into a legitimate business venture they've set up a homicide consultancy firm and are teaching discerning students the ropes and guns and getaways Nice work if you can get it or it is until one aspiring killer turns up dead on their very own premises It's an intolerable embarrassment and the culprit must be found out **Sleuths in Skirts** Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality *The Chinese Chop* Juanita Sheridan, 2024-07-02 With World War II only barely in the rear view mirror New York apartments are scarcer than hen's teeth Janice Cameron has moved to the City to be a writer trading Honolulu's sun and flowers for Manhattan in the grip of icy winter She's imagined her own cunning little flat a little table by the window a little lace cloth fat chance Her own flat is completely out of the question and in fact she's going to have to share a boarding house bedroom with a perfect stranger At least the stranger is perfect Lily Wu is beautiful exquisitely dressed and swathed in mystery But Janice hasn't even unpacked before a rather less exquisite mystery intrudes True the handyman wasn't brilliant at maintaining the boiler but murder seems a rather extreme response

In the best Golden Age tradition the rooming house is crammed with intriguing suspects from the tortured musician to the French emigree to the actress with a face for radio Lily and Janice would much prefer to leave but they've nowhere to go Solving the murder seems the best possible option especially since if someone were arrested and taken away well that would free up a room now wouldn't it
