The Struggle for Justice and Truth

Tomas Cudzis,2023-02-09 This book is a collection of all four parts of The Struggle for Justice and Truth book series by Tomas Cudzis a fan fiction work dedicated as a tribute to the Linkin Park music band from which songs the author s inspiration has come The goal being it should look like Linkin Park were making the soundtrack for the book not the other way around Note This book only includes references to the songs that should be played with each section for an enhanced experience It doesn t contain any of the songs referenced in itself and it s purely optional for the reader to gain access to those songs at their own expense As use of those songs is purely experimental it doesn t guarantee improved experience compared to merely reading this book although test readers did find it most helpful Synopsis Tomas s sense of inferiority since his childhood has forced him to transform himself physically becoming the underground king of illegal MMA fights in the heart of Hong Kong After an unfortunate incident involving the Triads he is forced into hiding in the United States where he is actively hunted by them and others Realizing he has no other choice he takes on the Triads by himself in his last attempt for freedom or vengeance To his surprise he survives with the help of a top secret US agency enlisting in their ranks and together taking on criminals considered to be untouchable However with the ever increasing body count at Tomas s hands he realizes he can t handle the emotional trauma and doesn t like what he is turning into Determined to break the chain and leave his old life behind Tomas finds himself sucked right back into it every single time he tries leaving him feeling hopeless fighting a fight that he considers pointless I don t know It can t be outfought it can t be outdone it can t be outrun It s just the way it is There is no justice except the one that is paid for in blood or money I don t have money In his personal struggle for justice and truth convinced that the current government is becoming more and more dystopian with every passing day he pushes to find out the truth against all odds in hopes that it will finally bring him inner peace stopping worldwide growing tyranny Buried Truth Chinedu Nnadi,2025-09-02 When Claire Whitman returns to her late grandmother s farmhouse she expects to pack boxes and close a chapter of her life Instead she uncovers a box of letters hidden beneath the floorboards letters that whisper of a decades old murder and a church cover up buried deep within her hometown of Millstone At first Claire questions whether the writings are just the ramblings of an old woman But

when she shares fragments with a few townsfolk their guarded reactions and fearful silences confirm her worst suspicion the past is alive and some will do anything to keep it hidden With nowhere else to turn Claire confides in Reverend Mark Ellison a weary pastor whose faith in the institution has long been fractured Torn between his dwindling ministry and his conscience Mark sees in Claire s discovery both a dangerous threat and a final chance to stand for truth But secrets this dark do not stay buried without guardians Soon Claire faces shadowy threats mysterious break ins and a community eager to brand her a troublemaker The closer she and Mark come to uncovering the victim s name and the men who silenced her the more perilous their mission becomes In a town where silence is survival speaking out could cost them everything Yet Claire knows some truths once unearthed cannot be reburied Buried Truth is a heart pounding story of courage corruption and the high price of integrity where justice comes only to those willing to risk it all **Haven Point Volume 2** RaeAnne

Thayne,2019-08-12 Return to Haven Point where New York Times bestselling author RaeAnne Thayne proves there s no sweeter place to fall in love Evergreen Springs Christmas is the last thing on Cole Barrett s mind this year He s barely hanging on trying to care for his two grieving children since his ex wife died in a tragic accident For the reclusive Cole this is no time for gift giving and celebration and certainly not for a sunny natured optimist to blow into his screwed up life Physician Devin Shaw has long researched the curative powers of Lake Haven s mineral waters Unfortunately the hot springs are on Barrett property forcing Devin to strike a bargain with the ranch s attractively gruff owner she ll give Cole s children a magical Christmas and Cole will allow her patients access to the springs But can she work her holiday magic to heal the Barrett family s battered hearts and her own Riverbend Road Protecting the streets of Haven Point isn t just a job for police officer Wyn Bailey it s a family tradition But lately she s found herself wanting more especially from her boss and overprotective brother s best friend sexy chief of police Cade Emmett The only problem is getting Cade to view her as more than just a little sister Cade s hands off approach with Wyn isn t from lack of attraction But his complicated past has forced him to conceal his desire When Wyn is harmed in the line of duty Cade realizes the depth of his feelings but can he let his guard down long enough to embrace the love he secretly craves **The Truth Machine** James L. Halperin,1999-09-29

Prepare to have your conception of truth rocked to its very foundation It is the year 2004 Violent crime is the number one political issue in America Now the Swift and Sure Anti Crime Bill guarantees a previously convicted violent criminal one fair trial one quick appeal then immediate execution To prevent abuse of the law a machine must be built that detects lies with 100 percent accuracy Once perfected the Truth Machine will change the face of the world Yet the race to finish the Truth Machine forces one man to commit a shocking act of treachery burdening him with a dark secret that collides with everything he believes in Now he must conceal the truth from his own creation or face his execution By turns optimistic and chilling and always profound The Truth Machine is nothing less than a history of the future a spellbinding chronicle that resonates with insight wisdom and astounding possibility PROFOUND Associated Press [A Story for Everything](#) Corey
