Pappy s Raiders is about a squad of soldiers that came from different parts of American military bases and met in the Panama jungles for training The squad was Ranger trained for a Special Forces Reconnaissance Squad After the special training the squad was sent directly to the Republic of Vietnam There sixteen men embarked on an adventure that changed their lives forever The squad was led by an older soldier a sergeant who became known as Pappy After a few firefights the squad was

given the code name Pappy's Raiders This specially trained squad would be sent out into certain parts of the jungle on dangerous recon patrols The squad became a family They lived together fought together and yes they cried together The Raiders were always air assaulted into the jungles from different fire support bases Bases like that of Ben Cat MaryAnn Khe Sanh and Rawhide If you saw one raider you would see all the raiders A little old lady sitting on a bench on the grounds of the courthouse square in Tyler Texas was my inspiration in writing this book She said Tell it like it happened **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 *Base Raiders* Ross Payton, 2013-10-02 Base Raiders is a superhero role playing game with a unique twist A cosmic event removed every major superpowered hero and villain on the planet A few of their secret labs headquarters and lairs were raided but many more remain hidden The secrets of gaining superpowers began to leak out A new class of self empowered base raiders emerged Many abandoned bases still wait to be discovered Treasures unique artifacts and secret knowledge can be found in the bases prizes worth risking death from the traps and guardians left behind Superhumans used to keep the world in balance A small but elite class of heroes and villains wielded power like modern gods but their greatest legacy was to create a status quo where no one else would threaten their position They thought it was better to accept a flawed world than risk destruction by changing too much No longer Their secrets have spilled out The next generation of heroes and villains to appear were not government corporate or criminally backed soldiers They were amateurs in the purest sense of the word They had no fear of experimenting with the new discoveries had no hesitation with altering themselves and had no shame in proving that they had learned how to become more than human Most of all no one thought these amateurs would share what they had learned They did The secrets of gaining superpowers began to spread among the fringes of society Where once there were a few now there are many The superhumans of today are not enforcers of an old status quo They want to change the world in ways that can't be easily categorized as good or evil They are visionaries madmen idealists fanatics heroes villains and base raiders Join their ranks Change yourself Change the world **The raiders** Samuel Rutherford Crockett, 1894
