

Nat Turners Slave Rebellion In American History

Kenneth S. Greenberg

Nat Turner's Slave Rebellion In American History:

Nat Turner Kenneth S. Greenberg, 2004-11-04 A companion to the PBS documentary *Nat Turner A Troublesome Property*
Cover **Nat Turner's Slave Rebellion in American History** Judith Edwards, 2000 A biography of the slave and preacher who believing that God wanted him to free the slaves led a major revolt in 1831 *Nat Turner* Kenneth S. Greenberg, 2003

Nat Turner's Slave Rebellion Herbert Aptheker, 1966 **Nat Turner and the Rising in Southampton County** David F. Allmendinger, 2014-11 In August 1831 in Southampton County Virginia Nat Turner led a bloody uprising that took the lives of some fifty five white people men women and children shocking the South Nearly as many black people all told perished in the rebellion and its aftermath *Nat Turner and the Rising in Southampton County* presents important new evidence about the violence and the community in which it took place shedding light on the insurgents and victims and reinterpreting the most important account of that event *The Confessions of Nat Turner* Drawing upon largely untapped sources David F Allmendinger Jr reconstructs the lives of key individuals who were drawn into the uprising and shows how the history of certain white families and their slaves reaching back into the eighteenth century shaped the course of the rebellion Never before has anyone so patiently examined the extensive private and public sources relating to Southampton as does Allmendinger in this remarkable work He argues that the plan of rebellion originated in the mind of a single individual Nat Turner who concluded between 1822 and 1826 that his own masters intended to continue holding slaves into the next generation Turner specifically chose to attack households to which he and his followers had connections The book also offers a close analysis of his *Confessions* and the influence of Thomas R Gray who wrote down the original text in November 1831 Allmendinger draws new conclusions about Turner and Gray their different motives the authenticity of the confession and the introduction of terror as a tactic both in the rebellion and in its most revealing document *Students of slavery the Old South and African American history will find in Nat Turner and the Rising in Southampton County* an outstanding example of painstaking research and imaginative family and community history The exhaustive research Allmendinger presents greatly enriches our historical understanding of the Southampton Rebellion through the eyes of its key victims Nat Turner and the *Rising in Southampton County* reveals important dimensions of the rebellion s local history and contextualizes the event as Nat Turner did within the context of slavery in Southampton County *Reviews in History* Allmendinger s great achievement is that he made full use of new primary sources related to the uprising of 1831 new sources hitherto hidden in plain sight Most importantly he understood the significance of this material and knew exactly how to mine it for valuable new insights into virtually every aspect of Nat Turner s rebellion *Reviews in American History* No one has done more to corroborate and sync the details nor to illuminate Turner s inspirations and goals *Nat Turner and the Rising in Southampton County* is a model of historical methodology and goes further than any other previous work in helping readers understand Turner s motives and meaning *African American Intellectual History Society* We are all in David Allmendinger s debt for the labor of research that

has given The Rising in Southampton County its absent material context Law and History Review Though the subject of countless histories novels videos and websites Nat Turner the leader of the largest slave insurrection in U S history remains an enigma yet in this new and challenging study the life and times of the legendary revolutionary come into much better focus A must read for historians of slave resistance and all others interested in the history of antebellum Virginia and in particular Southampton County Register of the Kentucky Historical Society Allmendinger approaches a well trodden historical event from a distinctive perspective He provides the most complete historical context surrounding the rebellion Ultimately Allmendinger succeeds in providing a more complete understanding of the community of Southampton Virginia and offers a better explanation for the motivations that led Turner and his followers down such a bloody path in 1831 Choice David F Allmendinger Jr is professor emeritus of history at the University of Delaware He is the author of Paupers and Scholars The Transformation of Student Life in Nineteenth Century New England and Ruffin Family and Reform in the Old South

Nat Turner's Slave Rebellion Herbert Aptheker,2012-03-08 First full length study of the bloodiest slave uprising in U S history explores the nature of Southern society in the early 19th century and the conditions that led to the rebellion The inspiration for the acclaimed 2016 movie Birth of a Nation

Nat Turner's Slave Rebellion Herbert Aptheker,2006-01-01 First full length study of the bloodiest slave uprising in U S history explores the nature of Southern society in the early 19th century and the conditions that led to the rebellion The inspiration for the acclaimed 2016 movie Birth of a Nation

Nat Turner's Slave Rebellion Ellis Roxburgh,2017-07-15 Nathaniel Nat Turner was a black slave who led a rebellion in the American South in the summer of 1831 A charismatic leader Turner gathered about 75 slaves to his cause By the time the insurrection was suppressed more than 100 were dead and Turner was hanged In the aftermath laws were passed to prevent the education of slaves and a deeper schism opened between abolitionists and slaveholders The rebellion was truly a harbinger of the bloody events to come This significant story of pre Civil War America is the focus of this comprehensive volume a valuable support for social studies curricula

Nat Turner and Slave Life on a Southern Plantation Katie Kelley Schmid,2013-07-15 The story of Nat Turner and the slave rebellion he led are brought to life in this book Drawn in by the graphic format even reluctant readers will be interested in learning about history Also includes an introduction biographical sketches of main characters and a timeline

Nat Turner's Rebellion John V. Quarstein,2023-04-21 Born in 1800 in Southampton County Virginia Nat Turner was one of millions of enslaved persons of African descent in the United States Encouraged to learn to read and write Turner immersed himself in the Bible and preached to his fellow slaves and others Believing he had received several signs from God about his mission to overthrow the yoke of slavery he organized the largest and bloodiest slave revolt in American history On the evening of August 21 1831 Turner and his closest followers descended on the farms and plantations in Southampton Freeing slaves and killing slave owning men women and children Turner s force grew to over sixty people The insurrection however was quickly and brutally put down by local militia after the

deaths of fifty seven whites and over one hundred blacks The court ordered the execution of fifty six slaves acquitted fifteen and ordered the transportation of fourteen out of Virginia into slavery elsewhere Turner himself was not captured until October 30 tried on November 5 and hung on November 11 1831 Nat Turner s Rebellion brought the issue of slavery to the forefront of American politics with the Virginia General Assembly nearly ending the institution during its 1832 session New York and Great Britain outlawed slavery in 1834 while the need to resolve the slavery issue prompted a widespread expansion of abolitionism resulting in the end of slavery in the United States in 1865 In Nat Turner s Rebellion historian John V Quarstein weaves Nat Turner s own confession court records newspaper accounts official papers and his decade long work with the Southampton County Historical Society into a fresh portrayal of the causes and aftermath of the uprising Occurring thirty years before the Civil War Turner s actions gave greater focus to the antislavery movement that resulted in a divided nation war and the end to America s peculiar institution

Nat Turner's Slave Rebellion Herbert Aptheker, 2023-04-27 In the summer of 1831 a band of some forty slaves led by Nat Turner attacked slave owning residents of Southampton County Virginia One of the largest and most violent revolts in the history of the young nation the rebellion took the lives of some sixty white men women and children An outcry against the South s exploitative slave system the revolt was suppressed within forty eight hours and Turner who eluded authorities for months was eventually captured sentenced to death and executed The impact of Turner s uprising was monumental Abolitionists looked for ways to encourage and support future insurrections while white Southerners took revenge on both slave and free African Americans Nearly 200 blacks many of whom had nothing to do with the rebellion were beaten tortured and murdered by white mobs Herbert Aptheker s account of the bloodiest slave uprising in U S history was the first full length study of its kind Meticulously researched it explores the nature of Southern society in the early nineteenth century and the conditions that led to the rebellion Described by the Journal of American History as a thorough and scholarly treatment the text includes Turner s Confessions recorded before his execution in 1831 Plus the events in this book helped inspire the acclaimed 2016 movie Birth of a Nation

The Fires of Jubilee Stephen B. Oates, 2009-03-17 A penetrating reconstruction of the most disturbing and crucial slave uprising in America s history with the full text of The Confessions of Nat Turner New York Times In August of 1831 the enslaved carpenter and preacher Nat Turner led an anti slavery uprising in Virginia It lasted several days before state militias captured Turner and put him on trial Before he was executed Turner recounted the unbearable conditions he endured and how he secretly built support for his cause over many years Turner s Rebellion and the savage reprisals that followed shattered longstanding myths of the contented slave and the benign master Turner s story and tactics also inspired the abolitionist movement intensifying the forces of change that would plunge America into Civil War Stephen B Oates the celebrated biographer of Abraham Lincoln and Martin Luther King Jr presents a gripping and insightful narrative of the rebellion the complex gifted and driven man who led it the social conditions that produced it and the legacy it left The Fires of Jubilee is a classic work of

American history This new edition includes the text of the original 1831 court document The Confessions of Nat Turner

Nat Turner's Slave Rebellion Michael Burgan,2006 In graphic novel format this book tells the true story of the 1831 Virginia slave rebellion led by slave Nat Turner who believed he was a prophet **The Confessions of Nat Turner** Thomas R Gray,Nat Turner,2019-08-22 Nat Turner is widely regarded as one of the most complex figures in American history and American literature October marks the anniversary both of his birth and of his arrest as the leader of one of the United States most famous slave rebellions Nat Turner was born October 2 1800 on a plantation in Southampton County Virginia Turner was deeply committed to his Christian faith and believed he received messages from God through visions and signs in nature When he was in his early 20s these signs led him to return to his master after an escape attempt Similarly a solar eclipse and an unusual atmospheric event are believed to have inspired his insurrection which began on August 21 1831 Nat Turner s rebellion was one of the bloodiest and most effective in American history It ignited a culture of fear in Virginia that eventually spread to the rest of the South and is said to have expedited the coming of the Civil War In the immediate aftermath of the rebellion however many Southern states including North Carolina tightened restrictions on African Americans Over the course of two days dozens of whites were killed as Turner s band of insurrectionists which eventually numbered over fifty moved systematically from plantation to plantation in Southampton County Most of the rebels were executed along with countless other African Americans who were suspected often without cause of participating in the conspiracy Nat Turner though eluded capture for over two months He hid in the Dismal Swamp area and was discovered accidentally by a hunter on October 30 He surrendered peacefully **Disasters, Accidents, and Crises in American History** Ballard C. Campbell,2008 Presents a chronologically arranged reference to catastrophic events in American history including natural disasters economic depressions riots murders and terrorist attacks **Nat Turner and John Brown** Charles River,2021-01-20 Includes pictures Includes a bibliography for further reading In American history there are few people as controversial or consequential as Nat Turner who was one of millions of slaves in the South before the Civil War but ultimately led the nation s most notorious slave uprising In August 1831 Turner led a rebellion that terrorized Virginia for several days killing dozens of whites and freeing slaves as his band moved from plantation to plantation The Richmond Enquirer reported A fanatic preacher by the name of Nat Turner Gen Nat Turner who had been taught to read and write and permitted to go about preaching in the country was at the bottom of this infernal brigandage He was artful impudent and vindictive without any cause or provocation that could be assigned Even after the uprising was put down Turner evaded capture for a few months and after he was captured his confessions were taken down and published before he was executed Virginia would put a total of 56 slaves to death for the uprising The repercussions of Nat Turner s rebellion across the South cannot be overstated The fear imposed by the uprising led states across the South to enforce even tougher codes on slaves since Turner had been taught to read and write states forbade slaves from being taught to read or assemble and in the

aftermath whites also treated blacks even worse with an estimated 200 blacks being killed in an outbreak of violence But while Turner was demonized by whites and held out as a stereotype of what a typical slave might do if given the chance he was lionized among other slaves and free blacks as providing an example when the first should be last and the last should be first The polarization helped harden opinions on both sides paving the way for future events like John Brown s attempted rebellion at Harpers Ferry in 1859 Throughout the 1850s American politicians tried to sort out the nation s intractable issues In an attempt to organize the center of North America Kansas and Nebraska without offsetting the slave free balance Senator Stephen Douglas of Illinois proposed the Kansas Nebraska Act The Kansas Nebraska Act eliminated the Missouri Compromise line of 1820 which the Compromise of 1850 had maintained Settlers could now vote whether they wanted their state to be slave or free and the primary result was that thousands of zealous pro slavery and anti slavery advocates both moved to Kansas to influence the vote creating a dangerous and ultimately deadly mix The most famous and infamous of them all was John Brown one of the most controversial men in American history A radical abolitionist Brown organized a small band of like minded followers and fought with the armed groups of pro slavery men in Kansas for several months including a notorious incident known as the Pottawatomie Massacre in which Brown s supporters murdered five men Over 50 people died before John Brown left the territory which ultimately entered the Union as a free state in 1859 After his activities in Kansas Brown spent the next few years raising money in New England and in 1859 he began to set a new plan in motion that he hoped would create a full scale slave uprising in the South Brown s plan relied on raiding Harpers Ferry a strategically located armory in western Virginia that had been the main federal arms depot after the Revolution Given its proximity to the South Brown hoped to seize thousands of rifles and move them south gathering slaves and swelling his numbers as he went The slaves would then be armed and ready to help free more slaves inevitably fighting Southern militias along the way The fallout from John Brown s raid on Harpers Ferry was intense and Brown s raid has often been considered one of the main precursors to the Civil War

The Confessions of Nat Turner Nat Turner, 2021-06-21 *The Confessions of Nat Turner* 1831 is a historical pamphlet by Nat Turner and Thomas Ruffin Gray Published shortly after Turner s execution The Confessions of Nat Turner is comprised of an interview with the revolutionary in the days leading up to his death as well as independent research conducted by Gray an attorney who represented some of the rebels involved And on the 12th of May 1828 I heard a loud noise in the heavens and the Spirit instantly appeared to me and said the Serpent was loosened and Christ had laid down the yoke he had born for the sins of men and that I should take it on and fight against the Serpent for the time was fast approaching when the first should be last and the last shall be first Known as The Prophet by his fellow enslaved people Nat Turner was an inspiring preacher who planned and executed an insurrection against the white slaveholding class in Southampton County Virginia in the summer of 1831 Although his rebellion was crushed leading to the execution and lynching of over a hundred African Americans in the area his message of liberation lived on inspiring

generations of abolitionists and revolutionaries in opposition to slavery and oppression throughout the United States and the world This pamphlet published shortly after his trial and execution contains a powerful interview conducted by Thomas Ruffin Gray an attorney who worked on the case and met Turner in the jailhouse where he was held With a beautifully designed cover and professionally typeset manuscript this edition of *The Confessions of Nat Turner* is a classic of African American literature reimagined for modern readers **Nat Turner** Larry Slawson,2019-07-17 This eBook explores the life and legacy of Nat Turner leader of the 1831 slave rebellion in Southampton Virginia **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **Revolts, Protests, Demonstrations, and Rebellions in American History** Steven L. Danver,2010-12-17 This three volume work traces the history of revolts and rebellions from the colonial era to the 20th century America has a long history of rebellions extending back before 1776 Revolts have taken place because of economic hard times the denial of civil rights racism sexism and classism Studying the reasons for and results of these uprisings provides a window into the life of the American body politic and what moves the American people to action Revolts Protests Demonstrations and Rebellions in American History An Encyclopedia details the history of popular actions from the colonial era to the 20th century Each event in the three volume encyclopedia is covered by an overview entry that details who was involved why the revolt took place what happened and what the aftereffects were Shorter subentries provide further detail on the important people places events and ideas that were a part of the action By presenting both the broad themes and the specifics the encyclopedia enables readers to gain a general knowledge of the event or drill down to acquire a greater understanding
