Rather than focusing on generational gaps or challenges, Kick provides practical strategies for raising, teaching, managing, leading, and mentoring young people more effectively. The book's ultimate goal is empowering adults to help cultivate a more self-motivated generation of kids, one equipped with the attitude and skills necessary to KICK IT IN TAKE THE LEAD. Whether you're struggling to connect with young people in your classroom, home, or community, this book offers the tools and understanding needed to bridge generational divides and unlock their potential. What Makes Kids Kick is both entertaining and educational, making complex generational research accessible and actionable. It's an indispensable resource for anyone committed to understanding and successfully working with the Millennial Generation. American Demographics, 2003

**Core Curriculum for Occupational & Environmental Health Nursing** American Association of Occupational Health Nurses, 2006. A comprehensive overview of occupational and environmental health nursing, this new edition represents the most current core knowledge on the many dimensions of occupational and environmental health nursing practice today. Written by experts in the field, this guide is based on recent revisions to the AAOHN's Code of Ethics and Standards of Practice. It is useful as a basic orientation to this specialty, as a study tool when preparing for certification, and as a clinical reference regardless of your setting. An outline format makes information easy to find and easy to follow. *The Nation*, 2003. Directories in Print, 2004. EBRI Notes, 2004. **Work in America [2 volumes]** Carl E. Van Horn, Herbert A. Schaffner, 2003. The first comprehensive analysis of work and the workforce in the United States from the Industrial Revolution to the era of globalization. This comprehensive two-volume reference book is the first to analyze the central role of work and the workforce in U.S. life from the Industrial Revolution through today's information economy. Drawing on a variety of disciplines—economics, public policy, law, human and civil rights, cultural studies, and organizational psychology—its 256 entries examine key events, concepts, institutions, and individuals in labor history. Entries also tackle tough contemporary questions that reflect the conflicts inherent in capitalism: What is the impact of work on families and communities? On minority and immigrant populations? How shall we respond to changing work roles and the growing influence of the transnational corporation? *Work in America* describes and evaluates attempts to address social and class issues, affirmative action, occupational health and safety, corporate management, science and trade unionism, and organized labor, and offers the kind of comprehensive understanding needed to discover workable solutions. 256 A-Z entries on topics ranging from Amazon.com to income gaps and wages. An impressive array of expert contributors representing labor history, labor economics, labor law, welfare, and social policy, human resource management, women's history, media studies, political science, workforce development, and employment policy. Extensive historiography of U.S. labor and industrial relations. End of entry bibliographies of references for further research. **Forthcoming Books** Rose Arny, 2004. *The Network Society* Manuel
