Nation Too Good To Lose Renewing The Purpose Of Canada

Guy Lachapelle, John E. Trent

Nation Too Good To Lose Renewing The Purpose Of Canada:

A Nation Too Good to Lose Joe Clark, 1994 We've all heard the news report. In fact we've heard them for most of the past thirty years. Alarming and inexorably the unthinkable has become a very real prospect. The nation that is Canada as we know it may not make it into the next decade. And we think that we no longer care. That perhaps it's for the best. Or at the very least that there will be an end to this ceaseless wrangling and we can get on with our lives. This is a dangerous course. For what we wish for might just happen. In *A Nation Too Good To Lose* former prime minister and senior statesman the Right Honourable Joe Clark argues eloquently and passionately that we are deluding ourselves if we think that the breakup of Canada will not have severe consequences for us all. The economy will be devastated. We will be marginalized and lose both our competitive edge and our standing on the world stage. We will not escape more constitutional negotiations for how will we structure a Canada without Quebec. Mr. Clark contends that underlying the politics of frustration there is in fact a widespread consensus among Canadians on what Canada should be and how a new kind of federalism could be shaped. And he warmly shares his personal experiences and views that have led him to this conclusion and to the fact that Canada can still be saved. Page 4 of cover

Settling and Unsettling Memories Nicole Neatby, Peter Hodgins, 2012-03-19 *Settling and Unsettling Memories* analyses the ways in which Canadians over the past century have narrated the story of their past in books, films, works of art, commemorative ceremonies and online. This cohesive collection introduces readers to overarching themes of Canadian memory studies and brings them up to date on the latest advances in the field. With increasing debates surrounding how societies should publicly commemorate events and people, *Settling and Unsettling Memories* helps readers appreciate the challenges inherent in presenting the past. Prominent and emerging scholars explore the ways in which Canadian memory has been put into action across a variety of communities, regions and time periods. Through high quality essays touching on the central questions of historical consciousness and collective memory, this collection makes a significant contribution to a rapidly growing field.

Louis Riel and the Creation of Modern Canada Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885, Louis Riel has been the subject of more histories, biographies, novels and poetry than any other figure in Canadian history. Politician, founder of Manitoba and leader of the aboriginal Métis people, Riel led two resistance movements against the Canadian government: the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Métis and other minority rights. Against the backdrop of these legendary uprisings, Jennifer Reid examines Riel's religious background, the mythic significance that has consciously been ascribed to him, and how these elements combined to influence Canada's search for a national identity. Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state, the historic role of Confederation in establishing the country's collective self-image and the narrative space through which Riel's voice speaks to these issues.

Changing States, Changing Nations Andrew McDonald, 2021-01-28 This book presents the remarkable constitutional reforms undertaken by

the Blair and Brown governments in the UK The reforms are remarkable in that they had the potential to change the way Britons understood the national identity of the UK The book illuminates the ambitions of the key players in Whitehall and Westminster and is enriched through a study of comparable constitutional reforms in Canada and Australia the Charter of Rights and Freedoms pioneered by Pierre Trudeau and the attempt by Paul Keating to make Australia a Republic The Canadian and Australian chapters are a contribution to the political history of those nations and a device for understanding the changes in Britain The author is an expert in the use of Freedom of Information and was a senior policy maker in Whitehall working primarily on constitutional reform Readers will benefit from the author's unrivalled access to interviewees and documentary sources in the three countries covered in the book **New Possibilities for the Past** Penney Clark, 2011-08-22 The place of history in school curricula has sparked heated debate in Canada Is Canadian history dead Who killed it Should history be put in the service of nation Can any history be truly inclusive New Possibilities for the Past advances the debate by shifting the focus from what should be included in a nation's history to how we should think about and teach the past Museum educators secondary school teachers historians and history educators document the state of history education research They go on to consider the implications of the research for classrooms from kindergarten to graduate school and in other contexts such as museums virtual environments and public institutional settings This book takes into consideration the perspectives of indigenous peoples the citizens of Quebec and advocates of citizenship education This volume sets a comprehensive research agenda for educators policy makers and historians to help students learn about and more importantly understand the significance of the past The False Traitor Albert Raimundo Braz, 2003-01-01 The nineteenth century M tis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature The False Traitor will be a seminal work in the study of this popular Canadian figure *The Riel Problem* Albert Braz, 2024-04 Albert Braz examines how Louis Riel has been commemorated since 1967 charting his transformation from traitor to Canadian hero *Globalization, Governance and Identity* Guy Lachapelle, John E. Trent, 2000 The International Political Science Association IPSA attempted to seek theoretical explanations for the established and emerging forms of

political and economic partnerships This is the result of these efforts following a roundtable organized by IPSA in Quebec City in 1998

Education, Globalization and the Nation Andrew Peterson, Ian Davies, King Man Chong, Terrie Epstein, Carla L. Peck, Alistair Ross, Alan Sears, Maria Auxiliadora Moreira dos Santos Schmidt, Debbie Sonu, 2016-01-26 Globalization and the Nation provide significant contexts for examining past educational thinking and practice and to identify how education has been influenced today This book written collaboratively explores country case studies Australia Brazil Canada China the UK and USA as well as discussing the transnational European Union

The Literary History of Alberta Volume Two George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about

this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone The Literary History of Alberta Volume Two extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture

Multiple Social Categorization Richard J. Crisp, Miles Hewstone, 2007-01-24 Ethnic cleansing institutional racism and social exclusion are just some of the terms used to describe one of the most pressing social issues facing today s societies prejudice and intergroup discrimination Invariably these pervasive social problems can be traced back to differences in religion ethnicity or countless other bases of group membership the social categories to which people belong Social categorization how we classify ourselves and others exerts a profound influence on our thoughts beliefs feelings and behaviors In this volume Richard Crisp and Miles Hewstone bring together a selection of leading figures in the social sciences to focus on a rapidly emerging but critically important new question how when and why do people classify others along multiple dimensions of social categorization The volume also explores what this means for social behavior and what implications multiple and complex perceptions of category membership might have for reducing prejudice discrimination and social exclusion Topics covered include the cognitive motivational and affective implications of multiple categorization the crossed categorization and common ingroup methods of reducing prejudice and intergroup discrimination the nature of social categorization among multicultural multiethnic and multilingual individuals Multiple Social Categorization Process Models and Applications addresses issues that are central to social psychology and will be of particular interest to those studying or researching in the fields of Group Processes and Intergroup Relations **Canada** Patrick C. Fafard, Douglas Mitchell Brown, 1996 Part of an annual series of essays surveying the state of the Canadian federation the 1996 volume of Canada The State of the Federation explores major developments and new trends in Canadian federalism and intergovernmental relations in 1996 **The Canadian Parliamentary Guide** ,1999 **The Regional Geography of Canada** Robert M. Bone, 2005 The Regional Geography of Canada divides Canada into six geographic regions Ontario Quebec British Columbia Western Canada Atlantic Canada and the Territorial North Each region has a particular regional geography history population and a unique location These factors have determined each region s character set the direction for its development and created a sense of place In examining these themes this text underscores the dynamic nature of Canada s regional geography **Canadian Books in Print 2002** Marian Butler, 2002-02
