National Enquirer:

The Godfather of Tabloid Jack Vitek, 2008-09-05 An original American story of a tough embattled media player with uncanny gifts for giving the public what they want Publishers Weekly In *The Godfather of Tabloid* Jack Vitek explores the life and remarkable career of Generoso Pope Jr and the founding of the most famous tabloid of all the National Enquirer Upon graduating from MIT Pope worked briefly for the CIA until he purchased the New York Enquirer with dubious financial help from mob boss Frank Costello Working tirelessly and cultivating a mix of American journalists some of whom surprisingly were Pulitzer Prize winners and buccaneering Brits from Fleet Street who would do anything to get a story Pope changed the name format and content of the modest weekly newspaper until it resembled nothing America had ever seen before Pope was a man of contradictions he would fire someone for merely disagreeing with him in a meeting once firing an editor in the middle of his birthday party and yet he spent upwards of a million dollars a year to bring the world's tallest Christmas tree to the Enquirer offices in Lantana Florida for the enjoyment of the local citizens Driven tyrannical and ruthless in his pursuit of creating an empire Pope changed the look and content of supermarket tabloid media and the industry still bears his stamp Grounded in interviews with many of Pope's supporters detractors and associates *The Godfather of Tabloid* is the first comprehensive biography of the man who created a genre and changed the world of publishing forever An engaging saga of one man's obsessive devotion to creating an entertaining alternative universe *The Wall Street Journal* **The National Enquirer** David A. Enviropop Mark Meister, Phyllis M. Japp, 2002-09-30 Although much scholarly and critical attention has been paid to the relationship between rhetoric and environmental issues media and environmental issues and politics and environmental issues no book has yet focused on the relationship between popular culture and environmental issues This collection of essays provides a rigorous and multifaceted rhetorical and critical perspective on the ways in which the language and imagery of nature is incorporated strategically into various popular culture texts ranging from greeting cards to advertisements to supermarket tabloids As a distinguished group of scholars reveals our notions about the environment and environmentalism are both reflected in and shaped by our popular culture in fascinating ways never previously examined in an academic context The consumptive vision of nature presented in these texts represents a wholly American view one promoting leisure and comfort and nature as the place to experience them This good life attitude toward the environment often serves to commodify it to render it little more than space in which to pursue conventional notions of the American

dream As such the volume represents a bold and striking vision both of popular culture and of popular notions of an environment that can be either protected or just simply consumed **The Other Machine** Dion Farquhar,2014-04-23 With technological advances in reproduction no longer confined to the laboratory or involving only the isolated individual women and men are increasingly resorting to a variety of technologies unheard of a few decades ago to assist them in becoming parents The public at large and feminists as a group are confused and divided over how to view these technologies and over what positions to take on the moral and legal dilemmas they give rise to Farquhar argues that two perspectives have tended to dominate feminist discussions of these issues She labels these fundamental feminism and market liberalism By linking a theoretical approach with a practical set of issues Farquhar s **The Other Machine** provides a rigorous analysis of contemporary feminist debates **Weekly World News** ,1991-06-04 Rooted in the creative success of over 30 years of supermarket tabloid publishing the **Weekly World News** has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Weekly World News** ,1991-07-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the **Weekly World News** has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site [Catalog of Copyright Entries.
