National Soul

Unai R. Urrastabaso

National Soul:

National Soul Marylin Jean McKay, 2002 From Confederation to World War II mural painting was an important tool for Canadian nation building In A National Soul Marilyn McKay shows how in both Protestant English Canada and Catholic French Canada these artworks were designed to promote specific civic values Religious Faith, Torture, and Our National Soul David P. Gushee, J. Drew Zimmer, Jillian Hickman Zimmer, 2010 Proceedings of a conference held Sept 11 12 2008 at Mercer University Preface and Acknowledgements *The Chinese National Character* Lung-Ke Sun, 2002 This unique survey of the evolution of the modern Chinese national character incorporates a rich blend of history and theory as well as nation gender and film studies It begins with the dawn of the concept of nation in China at the end of the Imperial period and follows its development from early Republican China to the present People's Republic drawing on themes of national identity Orientalness racial evolution and purity cultural and gender roles regional animosities historical impediments and more The book also takes up the changing American perceptions of Chinese personality development and gender using materials from American popular culture *The Soul of Film Theory* S. Cooper, 2013-05-30 In this innovative book Sarah Cooper revisits the history of film theory in order to bring to the fore the neglected concept of the soul and to trace its changing fortunes The Soul of Film Theory charts the legacy of this multi faceted contested term from the classical to the contemporary era

Language and National Identity in Greece, 1766-1976 Peter Mackridge, 2009-04-02 This is a history of the great language controversy that has occupied and empassioned Greeks sometimes with fatal results for over two hundred years It begins in the late eighteenth century when a group of Greek intellectuals sought to develop a new Hellenic national identity alongside the traditional identity supplied by Orthodox Christianity The ensuing controversy focused on the language fuelled on the one hand by a desire to develop a form of Greek that expressed the Greeks relationship to the ancients and on the other by the different groups contrasting notions of what the national image so embodied should be The purists wanted a written language close to the ancient The vernacularists later known as demoticists sought to match written language to spoken claiming the latter to be the product of the unbroken development of Greek since the time of Homer Peter Mackridge explores the political social and linguistic causes and effects of the controversy in its many manifestations Drawing on a wide range of evidence from literature language history and anthropology he traces its effects on spoken and written varieties of Greek and shows its impact on those in use today He describes the efforts of linguistic elites and the state to achieve language standardization and independence from languages such as Turkish Albanian Vlach and Slavonic This is a timely book The sense of national and linguistic identity that has been inculcated into generations of Greeks since the start of the War of Independence in 1821 has in the last 25 years received blows from which it may not recover Immigration from Eastern Europe and elsewhere has introduced new populations whose religions languages and cultures are transforming Greece into a country quite different from what it has been and to what it once aspired to be *The Chinese National*

Character: From Nationhood to Individuality Warren Sun, 2016-09-16 This unique survey of the evolution of the modern Chinese national character incorporates a rich blend of history and theory as well as nation gender and film studies It begins with the dawn of the concept of nation in China at the end of the Imperial period and follows its development from early Republican China to the present People s Republic drawing on themes of national identity Orientalness racial evolution and purity cultural and gender roles regional animosities historical impediments and more The book also takes up the changing American perceptions of Chinese personality development and gender using materials from American popular culture

The National Being George William Russell, 2018-05-15 Reproduction of the original *The National Being* by George William Russell **Rethinking China's Rise** Jilin Xu, 2018-07-05 China s rise to power is the signal event of the twenty first century and this volume offers a contemporary view of this nation in ascendancy from the inside Eight recent essays by Xu Jilin a popular historian and one of China s most prominent public intellectuals critique China s rejection of universal values and the nation s embrace of Chinese particularism the rise of the cult of the state and the acceptance of the historicist ideas of Carl Schmitt and Leo Strauss Xu s work is distinct both from better known voices of dissent and also from the New Left perspectives offering instead a liberal reaction to the complexity of China s rise Yet this work is not a shrill denunciation of Xu s intellectual enemies but rather a subtle and heartfelt call for China to accept its status as a great power and join the world as a force for good **From Bismarck to Hitler** Dr. Louis L. Snyder, 2017-02-07 It is a most unusual picture that

meets our eyes varying in color from the black and white of ultra conservative traditional nationalism to the red of radicalism and the black and red of national socialism The Germany of 1862 1935 has known every array of nationalism from the Jacobin variety through humanitarian nationalism and passionate Hitlerite super nationalism It is our purpose to clarify this background to show on what foundation modern integral nationalism rests The task of selecting the most important elements from this distorted picture is an extremely difficult one but the attempt at least must be made **The Merry Heart**

Robertson Davies, 2019-04-23 A splendid gallimaufry of the eminent Canadian s talks and essays mostly about literature and the creative life a thought filled and amusing book The Washington Post For devotees of Davies and all lovers of literature and language here is the urbanity wit and high seriousness mixed by a master chef vintage delights from an exquisite literary menu Cleveland Plain Dealer Robertson Davies s rich and varied collection of writings on the world of books and the miracle of language captures his inimitable voice and sustains his presence among us Coming almost entirely from Davies s own files of unpublished material these twenty four essays and lectures range over themes from The Novelist and Magic to Literature and Technology from Painting Fiction and Faking to Can a Doctor Be a Humanist and Creativity in Old Age Davies himself says merely Lucky writers like wine die rich in fruitiness and delicious aftertaste so that their works survive them Splendid wise witty wide ranging The New York Times Book Review Some of Davies s ideas are iconoclastic and will delight those who share them while stimulating those who do not All his judgments are interesting steeped in humanism and most elegantly put

The Atlantic Monthly The inimitable novelist gives an exuberant posthumous performance in this eclectic collection of mostly previously unpublished addresses talks and incidental pieces Davies diffuses his opinions entertainingly if occasionally superficially but never loses his audience Kirkus Reviews *The National Being* George William Russell,1916 **The National Being: Some Thoughts on an Irish Polity** George William Russell,2019-12-19 In *The National Being* Some Thoughts on an Irish Polity George William Russell who wrote under the pseudonym crafts a profound meditation on the essence of Irish identity sovereignty and the constructs of nationhood in the early 20th century Through a lyrical and poetic prose style that blends personal reflection with political discourse Russell captures the zeitgeist of a country wrestling with its colonial past while aspiring towards a future defined by self determination The book resonates deeply with the cultural revival of the time serving as both critique and manifesto for a reimagined Irish polity that embraces its unique heritage and spiritual ethos George William Russell a key figure in the Irish Literary Revival was deeply influenced by his experiences in a divided Ireland where he perceived the urgent need for a cohesive national identity His engagement with various aspects of Irish culture folklore and spirituality propelled him to explore the philosophical underpinnings of nationalism illuminating the intricacies of the socio political landscape Russell s artistic endeavors as a poet painter and editor further informed his perspective making him an essential voice in the dialogue surrounding Irish nationalism For readers seeking a nuanced understanding of Irish identity and the philosophical discourse surrounding nationalism *The National Being* is an essential read Russell s eloquence and depth of thought provide a compelling exploration of the forces shaping Ireland s political landscape making it invaluable for scholars students and anyone interested in the intricate tapestry of Irish history and culture Teaching with the Wind Michael Dallaire,2011-11-16 *Teaching with the Wind* tackles the question Can education for a Canadian civic spirituality bridge the sometimes incommensurable worldviews of faith based schools and secular public schools An affirmative answer is offered based on two foundations First that a national soul can be identified and thus serve as the content of spiritual education in Canada schools Second that a reconstructed approach to the contemplation in action method found in world religions and philosophy can provide an appropriate pedagogy for Canadian spiritual education This book argues that education for civic spirituality is of paramount importance as Canada continues its transition from a Judeo Christian and bicultural nation to a multi faith and multicultural nation within a secular democracy It offers a direction that would enrich religious and secular education systems as well as Canada as a whole Great Southland Revival Kurt Mahlburg,Warwick Marsh,2022-11-21 Discover Australia s Great Awakenings Australia is a nation forged in the furnace of revival Long forgotten Australia s Spirit filled history comes to life in *Great Southland Revival* Discover how the flame of Pentecost spread from the book of Acts all the way to the South Pacific Journey on convict ships and city trams to goldfields outback communities and far flung islands transformed by the gospel Most of all be inspired that God longs to revive the church sweep multitudes into His kingdom and renew our world once again **Global Perspectives on Spirituality and**

Education Jacqueline Watson, Marian de Souza, Ann Trousdale, 2013-12-04 In recent decades and around the world much attention has been given to the role of spirituality in the education of children and young people While educationalists share many common goals and values in nurturing the spiritual lives of children and young people national and regional cultures religions and politics have impacted on the approaches scholars and practitioners have adopted in their investigations and practices The different contexts across nations and regions mean that educators face quite distinct conditions in which to frame their approaches to spiritual education and research and the nature and impact of these differences is not yet understood This book brings together thinkers from around the globe and sets them the task of explaining how their research on children s spirituality and education has been shaped by the historical cultural religious and political contexts of the geographic region in which they work The book presents contributions in three sections Europe and Israel Australasia and The Americas and concludes with a chapter highlighting what is common and what is contextually unique about global approaches to spirituality and education Theosophy ,1923 Philosophy and Psychology Pamphlets ,1825 *The Positive Outcome of Philosophy* Joseph Dietzgen, 2021-04-26 In *The Positive Outcome of Philosophy* Joseph Dietzgen presents a profound exploration of the intersection between thought and reality emphasizing the empirical roots of human experience Written in a distinctive blend of philosophical inquiry and accessible prose Dietzgen critiques the traditional metaphysics of his time while advocating for a materialist understanding of the world This book emerges against the backdrop of 19th century German philosophy challenging its idealist traditions and incorporating elements of dialectical materialism ultimately aiming to illuminate the role of human agency in shaping knowledge and society Joseph Dietzgen a self taught philosopher and a significant figure in the development of Marxist thought drew from his working class background and experiences as a laborer to inform his philosophical perspectives His engagement with the ideas of contemporaries such as Marx and Engels reflects his commitment to a practical philosophy that informs social consciousness This personal journey of understanding informed his critique of abstract reasoning positioning him as a vital voice in the discourse of socialist philosophy and materialist epistemology *The Positive Outcome of Philosophy* is a must read for those interested in the foundations of dialectical materialism and the evolution of philosophical thought Dietzgen s accessible treatment of complex ideas invites readers to reflect critically on the nature of knowledge and the significance of material reality making it an essential text for students of philosophy and social theory alike **Modern Societies and National Identities** Unai R. Urrastabaso, 2017-09-12 This book offers a novel interdisciplinary approach to interpret the emergence of the Basque Spanish nationalist conflict It incorporates into sociological analysis the understanding of law put forward by legal realism and legal pluralism to answer some of the most pressing problems encountered in historical research on this topic It does so by carrying out a comparative historical analysis which focuses on the puzzle produced by the political trajectories of two traditionally considered Basque territories between 1841 and 1936 Navarre and Vascongadas the precursor of today s

Euskadi Urasstabaso Ruiz argues that the historical and ideological trajectories of these territories need to be understood in relation to their local legal praxis and interpretations of law which played a key role in how the authorities of these territories responded to the advent of modernisation Overall a fresh theoretical alternative is articulated and the meaning of jurisdictional action is interpreted Modern Societies and National Identities will appeal to academics interested in nationalism the state and modernisation particularly to those concerned with the Basque Country and the state of Spain

The Theory of Justice Rudolf Stammler, 2000 Here the noted German philosopher disputes the historical and natural schools of jurisprudence and advocates a philosophical approach to law In addition to Stammler s text the volume includes the translator s introduction which outlines the basis of Stammler s theory an appendix which contains an essay on Stammler s critical system by Francois Geny and Stammler and his Critics by John C H Wu

National Soul Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **National Soul**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

While this might not be the National Soul full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of National Soul eBooks, including some popular titles.

FAQs About National Soul Books

What is a National Soul PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a National Soul PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a National Soul PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a National Soul PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a National Soul PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
