The National Directory Of Psychotherapy Training Institutes Laurie Baum, Bette Pounds, 2019-03-29 This guidebook lists more than 100 psychoanalytic and psychotherapeutic training institutes that are freestanding and independent of traditional universities or hospitals offering training to psychotherapists students of psychotherapy and even nonprofessionals seeking to expand their knowledge The National Directory of Psychotherapy Training Institutes Laurie Baum, 2019-10-02 This guidebook lists more than 100 psychoanalytic and psychotherapeutic training institutes that are freestanding and independent of traditional universities or hospitals offering training to psychotherapists students of psychotherapy and even nonprofessionals seeking to expand their knowledge **International Directory of Psychology** Benjamin B. Wolman, 2013-03-09 In the past several decades psychology has grown so rapidly in many countries that no one has been able to keep up to date on more than a handful of countries To be sure the highly developed countries of North America Western Europe Ja pan and Australia have generally had well known national psychological societies for most of this century and consider able information about their universities and institutes has been published at one time or another But even in these more highly developed countries the rapid changes of recent years are not well known In any event what information has been published is scattered so widely that it is hardly accessible when needed Still less well known is the growth of psychology in the developing countries of Latin America Asia and Africa and at least for Western readers even the modem nations of Eastern Europe and the Soviet Union are relatively unknown Only recently have most Western psychologists become aware of the fact that psychology as they know it is provincial With more than half of the world's highly trained psychologists in Canada and the United States which together devote far more of their national resources to psychological research than is true of any other countries in the world it is not surprising that the North American journals psychological associations institutes clinics and other manifestations of psychology have completely dominated the field at least until recently International Handbook of Cross-Cultural Counseling Lawrence H. Gerstein, 2009-07-24 The Handbook of International Counseling is an effort to bring together the current practices values attitudes and beliefs about counseling from countries around the globe The editors have selected leading experts in the field of counseling in a wide and culturally representative group of countries hroughout the world This book will be the first volume that undertakes such an ambitious goal in the field of counseling **Directories in Print** ,2008 Monthly Catalog of United States Government Publications United States.
