NTC's Dictionary of Grammar Terminology Richard A. Spears, 1991 Publisher Description **Terminology in English**
Language Teaching Roger Berry, 2010 Based on original research and novel concepts this book investigates the nature and use of terminology from linguistic and applied viewpoints Throughout problems with terminology such as overuse by teachers and cases of synonymy and polysemy are considered and solutions are offered Part One looks firstly at some basic concepts then draws important distinctions between pedagogic and scientific terminology and between transparent opaque and iconic terms before examining the historical lexical and grammatical nature of terms Part Two attempts to estimate the value and relevance of terminology in language teaching and describes the use and knowledge of terminology in various language teaching related constituencies learners teachers textbooks grammars and research It concludes with a discussion of the criteria for evaluating terms and an analysis of terms used in ELT *The Yahoo! Style Guide* Chris Barr, 2010-06-30 WWW may be an acronym for the World Wide Web but no one could fault you for thinking it stands for wild wild West The rapid growth of the Web has meant having to rely on style guides intended for print publishing but these guides do not address the new challenges of communicating online Enter The Yahoo Style Guide From Yahoo a leader in online content and one of the most visited Internet destinations in the world comes the definitive reference on the essential elements of Web style for writers editors bloggers and students With topics that range from the basics of grammar and punctuation to Web specific ways to improve your writing this comprehensive resource will help you Shape your text for online reading Construct clear and compelling copy Write eye catching and effective headings Develop your site s unique voice Streamline text for mobile users Optimize webpages to boost your chances of appearing in search results Create better blogs and newsletters Learn easy fixes for your writing mistakes Write clear user interface text This essential sourcebook based on internal editorial practices that have helped Yahoo writers and editors for the last fifteen years is now at your fingertips **Language and Communication** Agnes Kukulska-Hulme, 1999 Computer interfaces and documentation are notoriously difficult for any user regardless of his or her level of experience Advances in technology are not making applications more friendly Introducing concepts from linguistics and language teaching Language and Communication proposes a new approach to computer interface design The book explains for the first time why the much hyped user friendly interface is treated with such derision by the user community The author argues that software and hardware designers should consider such fundamental language concepts as meaning context function variety and equivalence She goes on to show how imagining an interface as a new language can be an invaluable design exercise calling into question deeply held beliefs and assumptions about what users will or will not understand Written for a wide range of computer scientists and professionals and presuming no prior knowledge of language related terminology this volume is a key step in the on going information revolution Russian Syntax for Advanced Students Marina Rojavin, 2022-05-30 Russian Syntax for Advanced Students is a textbook which

illuminates relationships between words phrases clauses and sentences Using this book students will acquire conscious knowledge of how words function in various syntactical constructions as applied to discourse such as specific verbal situations based not only on the underlying linguistic phenomena but also on the content of sociolinguistic situations The book helps develop communicative skills for advanced mastery and constantly emphasizes the importance of accuracy in the use of syntactic structures Russian Syntax is designed primarily as a textbook for classroom use for intermediate high and advanced level students The text is also suitable for independent study by graduate students in linguistics or pedagogy as well as being a valuable reference for instructors

A Guide to Russian Words and Expressions that Cause

Difficulties Marina Rojavin, Allan Reid, 2004 Rather than writing a simple guide to grammar or yet another dictionary Rojavin U of New Brunswick and Reid Temple U address the semantic analysis of Russian terms likely to cause problems to non native speakers They begin with instructions for the use of their book continue with an English to Russian glossary and Russian word index and then describe Russian terms alphabetically including their use under various conditions and their most accurate translations into English The text is double spaced Annotation 2004 Book News Inc Portland OR booknews com [Grammatical Information in ESL Dictionaries](#) Edward Scott McCorduck, 2017-12-04 No detailed description available for Grammatical Information in ESL Dictionaries

NTC's Guide to Grammar Terms Richard A. Spears, Steven Racek Kleinedler, 1997 **Linguistic Foundations of Ideography** I. Y. Burkhanov, 1999 **Garner's Modern American Usage**

Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved

Garner's Modern English Usage Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner's Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound

purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you are sure to learn from every single page of this book **El-Hi Textbooks & Serials in Print, 2005** ,2005

NTC's Dictionary of Tricky Words Deborah K. Williams,1996 This book will help you master confusing words and their usage This easy to use reference focuses on three major classes of complicated words Words that are pronounced alike but are different in spelling meaning or both such as sail and sale guilt and guilty **The Athenaeum** ,1854 NTC's Dictionary of Japan's Cultural Code Words Boye De Mente,1994 For centuries the Japanese used their language as a barrier to prevent non Japanese from learning about the inner workings of Japanese society and to ward off foreign influence In fact for a long period in Japan s history the teaching of Japanese to foreigners was a serious crime against the state In this enlightening work renowned Japanologist Boye Lafayette De Mente discusses how the psychology of the social and political system that evolved over the centuries became imbued in and expressed by the language to a degree seldom seen in other cultures The author brings more than 25 years of experience in Japan to the task of revealing the hidden cultural significance of current expressions in the Japanese language With ample reference to history psychology philosophy and religion the reader learns how the Japanese view certain behaviours and attitudes and why they are conditioned to respond in certain ways to specific situations Features 230 quintessentially Japanese expressions that every Japanese knows and believes that non Japanese cannot possibly understand a 14 entry set of introductory readings designed to offer a broad cultural overview of Japan cross referencing of entries by thematic groupings such as Loyalty Collective Behaviour and Leadership This innovative text provides readers with the insights necessary for effective communication with their Japanese counterparts Whatever your involvement with Japan personal travel or business NTC s Dictionary of Japan s Cultural Code Words is an invaluable and one of a kind reference **Pseudo-English** Cristiano Furiassi, Henrik Gottlieb,2015-03-10 This volume focuses on how English through false Anglicisms influences several European languages including Italian Spanish French German Danish and Norwegian Studies on false Gallicisms are also included thus showing how English may be affected by false borrowings
