Nations Ideas Identities Essays In Honour Of Ramsay Cook:

Nation, Ideas, Identities Ramsay Cook, 2000 These fifteen essays all inspired by the work of Ramsay Cook focus on cultural and intellectual history the impact of race indigenous peoples history and women s history Topics include radio in Canada the Native vote in Saskatchewan the writings of Harold Innis Canadian missionaries in Korea and the role of women in the textile industry and their attitudes toward unions The book provides a rich cross section of the work of contemporary historians in Canada

The Regenerators, 2nd Edition Ramsay Cook, 2016-06-16 A crisis of faith confronted many Canadian Protestants in the late nineteenth century With their religious beliefs challenged by the new biological sciences and historical criticism of the Bible they turned from personal salvation to the dire social problems of the industrial age The Regenerators explores the nature of social criticism in this era and its complex ties to the religious thinking of the day showing how the path blazed by nineteenth century religious liberals led not to the Kingdom of God on earth but ironically to the secular city The winner of the Governor General s Literary Award for Non Fiction when it was first published in 1985 The Regenerators became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright

A Nation Beyond Borders Michel Bock, 2014-04-29 Recipient of the 2005 Governor General s Literary Award in non fiction Quand la nation d bordait les fronti res is considered the most comprehensive analysis of Lionel Groulx s work and vision as an intellectual leader of a nationalist school that extended well beyond the borders of Qu bec For over five decades historians and intellectuals have defined the nationalist discourse primarily in territorial terms In this regard Groulx has been portrayed more often than not as the architect of Qu becois nationalism Translated by Ferdinanda Van Gennip A Nation Beyond Borders will continue to spark debate on Groulx s description of the parameters of the French Canadian nation Highlighting the often neglected role of French Canadian minorities in his thought this book presents the Canon as an uncompromising advocate of solidarity between all French Canadian communities

Duty to Dissent Geoff Keelan, 2019-11-01 During the First World War Henri Bourassa fierce Canadian nationalist politician and journalist from Quebec took centre stage in the national debates on Canada's participation in the war its imperial ties to Britain and Canada's place in the world In *Duty to Dissent* Geoff Keelan draws upon Bourassa's voluminous editorials in *Le Devoir* the newspaper he founded in 1910 to trace Bourassa's evolving perspective on the war's meaning and consequences What emerges is not a simplistic sketch of a local journalist engaged in national debates as most English Canadians know him but a fully rendered portrait of a Canadian looking out at the world By situating Bourassa within a larger panorama that connects him to prominent war resisters from around the globe Keelan offers fresh insight into one of Canada's most influential historical figures reshaping our understanding of why Quebec's position on the Great War differed so radically from the rest of Canada

Les idées en mouvement Michel Ducharme, Damien-Claude Bélanger, Sophie Coupal, 2004

Wireless Internationalism and Distant Listening Simon J. Potter, 2020-05-21 During the 1920s and 1930s the new medium of radio broadcasting promised to transform society by fostering national unity and strengthening and popularising national cultures However many hoped that wireless would also encourage international understanding and world peace Intentionally or otherwise wireless signals crossed borders bringing talk music and news to enthusiastic distant listeners in other countries In Europe radio was regulated through international consultation and cooperation to restrict interference between stations and to unleash the medium's full potential to carry programmes to global audiences A distinctive form of wireless internationalism emerged reflecting and reinforcing the broader internationalist movement and establishing structures and approaches which endured into the Second World War the Cold War and beyond This study reveals this untold history *Wireless Internationalism and Distant Listening* also explores the neglected interwar experience of distant listening revealing the prevalence of listening across borders and explaining how individuals struggled to overcome unwanted noise tune in as many stations as possible and comprehend and enjoy what they heard The volume shows how radio brought the world to Britain and Britain to the world It revises our understanding of early BBC broadcasting and the BBC Empire Service the precursor to today's World Service and shows how government influence shaped early BBC international broadcasting in English Arabic Spanish and Portuguese It also explores the wider European and trans Atlantic context demonstrating how Fascism in Italy and Germany the Spanish Civil War and the Japanese invasion of China combined to overturn the utopianism of the 1920s and usher in a new era of wireless nationalism

[Canadian Multiculturalism and the Far Right](#) Bàrbara Molas, 2022-08-22 *Canadian Multiculturalism and the Far Right* examines a neglected aspect of the history of 20th century Canadian multiculturalism and the far right to illuminate the ideological foundations of the concept of third force Focusing on the particular thought of ultra conservative Ukrainian Canadian Walter J Bossy during his time in Montreal 1931-1970s this book demonstrates that the idea that Canada was composed of three equally important groups

emerged from a context defined by reactionary ideas on ethnic diversity and integration Two broad questions shape this research first what the meaning originally attached to the idea of a third force was and what the intentions behind the conceptualization of a trichotomic Canada were and second whether Bossy's understanding of the third force precedes or is related in any way to postwar debates on liberal multiculturalism at the core of which was the existence of a third force This book will be of interest to students and researchers of multiculturalism radical right ideology and the far right and Canadian history and politics

Communicating in Canada's Past Gene Allen, Daniel J. Robinson, 2009-01-01 The first collection of its kind this volume assembles both well established and up and coming scholars to address sizable gaps in the literature on media history in Canada

Building New Bridges - Bâtir de nouveaux ponts Jeff Keshen, Sylvie Perrier, 2005-06-30 Questions of methodology and the use of sources are fundamental to all academic disciplines In recent years this topic has become far more challenging as scholars are increasingly adopting an interdisciplinary approach to achieve richer and deeper analyses particularly in the humanities and social sciences Building New Bridges B tir de nouveaux ponts is a collection of scholarly papers that deals with the first principles of source identification and their effective utilization The contributors to the volume come from a wide range of disciplines and represent both French and English Canada Together they explore and encourage the interdisciplinarity trend around which considerable academic trepidation remains and seek to explain for example how historians and those in English or Lettres fran aises analyze texts how scholars approach paintings photography and film and how the study of music relates tempo and lyrics to wider societal trends They utilize their respective research to elucidate means of effectively employing evidences and methods to achieve richer deeper and more nuanced results As a whole the collection provides an excellent primer for scholars of methodology Published in English

Clio's Lives Doug Munro, John G. Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work Clio's Lives is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive

theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University

Forging Alberta's Constitutional Framework Richard Connors, John M. Law, University of Alberta. Centre for Constitutional Studies, 2005-11 *Forging Alberta's Constitutional Framework* analyzes the principal events and processes that precipitated the emergence and formation of the law and legal culture of Alberta from the foundation of the Hudson's Bay in 1670 until the eve of the centenary of the Province in 2005 The formation of Alberta's constitution and legal institutions was by no means a simple process by which English and Canadian law was imposed upon a receptive and passive population Challenges to authority latent lawlessness interaction between indigenous and settler societies periods pre and post 1905 of jurisdictional confusion and demands for individual group and provincial rights and recognitions are as much part of Alberta's legal history as the heroic and mythic images of an emergent and orderly Canadian west patrolled from the outset by red coated mounted police and peopled by peaceful and law abiding subjects of the Crown Papers focus on the development of criminal law in the Canadian west in the nineteenth century the Natural Resources Transfer Agreement of 1930 the National Energy Program of the 1980s Federal Provincial relations and the role and responsibilities of the offices of Justices of the Peace and of the Lieutenant Governor and the legacies of the Lougheed and Klein governments

British Atlantic, American Frontier Stephen John Hornsby, 2005 A pioneering work in Atlantic studies that emphasizes a transnational approach to the past

The Secular Northwest Tina Block, 2016-07-22 The image of a rough frontier where working men were tempted away from church on Sundays by more profane concerns was perpetuated by postwar church leaders who decried the decline of religious involvement In this pioneering book Tina Block debunks the myth of a godless frontier revealing a Pacific Northwest that consciously rejected the trappings of organized religion but not necessarily spirituality and not necessarily God Secularism was not only the domain of the working man women families and middle class communities all helped to shape the region's secular identity But rejection of religion led to family gender and class tensions Drawing on oral histories census data newspapers and archival sources Block explores the dynamics of Northwest secularity grounded in the cultural permeability of the Canada United States border the independent spirit of those who called the region home and their openness to secular ways of experiencing the world

Imprisoning Our Sisters Stephanie Hayman, 2006-07-11 Using extensive interviews and previously unexplored archival material Hayman examines the work of the Task Force on Federally Sentenced Women and assesses the opening of the first three prisons She questions the notion that prisons can simultaneously heal and punish suggesting that the power of the prison inevitably triumphs over the good intentions of

reformers *The Constitution of Canada* Jeremy Webber,2021-04-22 The first edition of this text quickly established itself as the classic introduction to the Canadian constitution Setting it in its historical context noting especially the complex interaction of national and regional societies it shows how the constitution continues to morph and shape itself These changes are explored through key constitutional themes democracy parliamentarism the rule of law federalism human rights and Indigenous rights and describes the country that has resulted from the interplay of these themes Clarity of expression and explanation which never veers into simplicity combined with the author s expertise makes this the ideal starting point for the student or comparative lawyer keen to gain a strong understanding of how Canadian democracy and government works

Technology, Mythology and the Search for Meaning Douglas Francis,2023-11-15 This book offers a big picture look at the evolution of Western thought on technology by focusing on seven periods when there was a paradigm shift in perspective A techno myth is used to identify shape and capture the beliefs of each era Drawing from philosophy literature social sciences physical sciences mythology and cultural history the book brings to life the ideas of the great thinkers and the ancient myths What their message tells us is that we have failed to learn from the mistakes of the past We have allowed technology to take control of our lives and narrowed our thinking to a one dimensional materialistic perspective We have become prisoners in Max Weber s metaphoric iron cage But they also tell us how to free ourselves by humanizing technology so that humans are in control which is explored in depth in this book Infidels and the Damn Churches Lynne

Marks,2017-06-09 British Columbia is at the forefront of a secularizing movement in the English speaking world Nearly half its residents claim no religious affiliation and the province has the highest rate of unbelief or religious indifference in Canada *Infidels and the Damn Churches* explores the historical roots of this phenomenon from the 1880s to the First World War Lynne Marks reveals that class and racial tensions fuelled irreligion in a world populated by embattled ministers militant atheists turn of the century New Agers rough living miners Asian immigrants and church going settler women White working class men often arrived in the province alone and identified the church with their exploitative employers At the same time BC s anti Asian and anti Indigenous racism meant that their whiteness alone could define them as respectable without the need for church affiliation Consequently although Christianity retained major social power elsewhere many people in BC found the freedom to forgo church attendance or espouse atheist views This nuanced study of mobility gender masculinity and family in settler BC offers new insights into BC s distinctive culture and into the beginnings of what has become an increasingly dominant secular worldview across Canada Politics in Canada Robert J. Jackson,Doreen Jackson,2008 *Politics in Canada*

provides a well rounded view of the current political scene and in a well defined historical orientation It is a gracefully written comprehensive book that will continue to be a dependable reference for many years This new edition has been updated to reflect the current political scene including the Harper government Cabinet and policies and today s foremost issues such as security Afghanistan poverty social diversity terrorism elections and minority governments Contemporary

Quebec Michael D. Behiels, Matthew Hayday, 2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province s quiet and radical revolutions
