conversation of national consciousness while highlighting the timeless diversity of thought and imagination in American fiction

British Short Fiction in the Early Nineteenth Century Tim Killick, 2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving's hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel

A Companion to the American Short Story Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

Anthology of Magazine Verse for ... and Year Book of American Poetry, 1926

The Granta Book of the African Short Story Helon Habila, 2011-09-01 Presenting a diverse and dazzling collection from all over the continent from Morocco to Zimbabwe Uganda to Kenya Helon Habila focuses on younger newer writers contrasted with some of their older more established peers to give a fascinating picture of a new and more liberated Africa These writers are characterized by their engagement with the wider world and the opportunities offered by the end of apartheid the end of civil wars and dictatorships and the possibilities of free movement Their work is inspired by travel and exile They are liberated global and expansive As Dambudzo Marechera wrote If you're a writer for a specific nation or specific race then for you These are the stories of a new Africa punchy self confident and defiant Includes stories by Fatou Diome Aminatta Forna Manuel Rui Patrice
