Thunder Through My Veins Gregory Scofield,2019-09-10 Gregory Scofield's *Thunder Through My Veins* is the heartbreakingly beautiful memoir of one man's journey toward self discovery acceptance and the healing power of art Few people can justify a memoir at the age of thirty three Gregory Scofield is the exception a young man who has inhabited several lives in the time most of us can manage only one Born into a Métis family of Cree Scottish English and French descent but never told of his heritage Gregory knew he was different His father disappeared after he was born and at five he was separated from his mother and sent to live with strangers and extended family There began a childhood marked by constant loss poverty violence and self hatred Only his love for his sensitive but battered mother and his Auntie Georgina a neighbor who befriended him kept him alive It wasn't until he set out to search for his roots and began to chronicle his life in evocative award winning poetry that he found himself released from the burdens of the past and able to draw upon the wisdom of those who went before him *Thunder Through My Veins* is Gregory's traumatic tender and hopeful story of his fight to rediscover and accept himself in the face of a heritage with diametrically opposed backgrounds **Witness, I Am** Gregory Scofield,2016-10-01 *Witness I Am* is divided into three gripping sections of new poetry from one of Canada's most recognized

poets The first part of the book *Dangerous Sound* contains contemporary themed poems about identity and belonging undone and rendered into modern sound poetry *Muskrat Woman* the middle part of the book is a breathtaking epic poem that considers the issue of missing and murdered indigenous women through the reimagining and retelling of a sacred Cree creation story The final section of the book *Ghost Dance* raids the autobiographical so often found in Scofield's poetry weaving the personal and universal into a tapestry of sharp poetic luminosity From *Killer Scofield* eerily slices the dreadful in with the exquisite I could this day of proficient blooms take your fingers tie them down one by one This one for the runaway this one for the joker this one for the sass talker this one for the judge this one for the jury Oh I could kill you *Magic Weapons* Sam McKegney, 2007-11-30 The legacy of the residential school system ripples throughout Native Canada its fingerprints on the domestic violence poverty alcoholism drug abuse and suicide rates that continue to cripple many Native communities *Magic Weapons* is the first major survey of Indigenous writings on the residential school system and provides groundbreaking readings of life writings by Rita Joe Mi kmaq and Anthony Apakark Thrasher Inuit as well as in depth critical studies of better known life writings by Basil Johnston Ojibway and Tomson Highway Cree *Magic Weapons* examines the ways in which Indigenous survivors of residential school mobilize narrative in their struggles for personal and communal empowerment in the shadow of attempted cultural genocide By treating Indigenous life writings as carefully crafted aesthetic creations and interrogating their relationship to more overtly politicized historical discourses Sam McKegney argues that Indigenous life writings are culturally generative in ways that go beyond disclosure and recompense re envisioning what it means to live and write as Indigenous individuals in post residential school Canada **Fresh Tracks** Pamela Banting, 1998 This is an exceptionally forceful collection substantial evocative and enduring much like the region of Canada the writers are addressing Saskatoon Star Phoenix Contributors include Rudy Wiebe Guy Vanderhaeghe Karen Connelly Sharon Butala and others *Small Press*, 1996 **The Queerness of Native American Literature** Lisa Tatonetti, 2014-11-30 With a new and more inclusive perspective for the growing field of queer Native studies Lisa Tatonetti provides a genealogy of queer Native writing after Stonewall Looking across a broad range of literature Tatonetti offers the first overview and guide to queer Native literature from its rise in the 1970s to the present day In *The Queerness of Native American Literature* Tatonetti recovers ties between two simultaneous renaissances of the late twentieth century queer literature and Native American literature She foregrounds how Indigeneity intervenes within and against dominant interpretations of queer genders and sexualities recovering unfamiliar texts from the 1970s while presenting fresh cogent readings of well known works In juxtaposing the work of Native authors including the longtime writer activist Paula Gunn Allen the first contemporary queer Native writer Maurice Kenny the poet Janice Gould the novelist Louise Erdrich and the filmmakers Sherman Alexie Thomas Bezucha and Jorge Manuel Manzano with the work of queer studies scholars Tatonetti proposes resourceful interventions in foundational concepts in queer studies while also charting new directions for queer

Cultural Grammars of Nation, Diaspora, and Indigeneity in Canada Christine Kim,Sophie McCall,Melina Baum Singer,2012-05-09 Cultural Grammars of Nation Diaspora and Indigeneity in Canada considers how the terms of critical debate in literary and cultural studies in Canada have shifted with respect to race nation and difference In asking how Indigenous and diasporic interventions have remapped these debates the contributors argue that a new cultural grammar is at work and attempt to sketch out some of the ways it operates The essays reference pivotal moments in Canadian literary and cultural history and speak to ongoing debates about Canadian nationalism postcolonialism migrancy and transnationalism Topics covered include the Asian race riots in Vancouver in 1907 the cultural memory of internment and dispersal of Japanese Canadians in the 1940s the politics of migrant labour and the domestic labour scheme in the 1960s and the trial of Robert Pickton in Vancouver in 2007 The contributors are particularly interested in how diaspora and indigeneity continue to contribute to this critical reconfiguration and in how conversations about diaspora and indigeneity in the Canadian context have themselves been transformed Cultural Grammars is an attempt to address both the interconnections and the schisms between these multiply fractured critical terms as well as the larger conceptual shifts that

have occurred in response to national and postnational arguments **Transnational Canadas** Kit Dobson, 2011-04-07

Transnational Canadas marks the first sustained inquiry into the relationship between globalization and Canadian literature written in English Tracking developments in the literature and its study from the centennial period to the present it shows how current work in transnational studies can provide new insights for researchers and students Arguing first that the dichotomy of Canadian nationalism and globalization is no longer valid in today s economic climate Transnational Canadas explores the legacy of leftist nationalism in Canadian literature It examines the interventions of multicultural writing in the 1980s and 1990s investigating the cultural politics of the period and how they increasingly became part of Canada s state structure Under globalization the book concludes we need to understand new forms of subjectivity and mobility as sites for cultural politics and look beyond received notions of belonging and being An original contribution to the study of Canadian literature Transnational Canadas seeks to invigorate discussion by challenging students and researchers to understand the national and the global simultaneously to look at the politics of identity beyond the rubric of multiculturalism and to rethink the slippery notion of the political for the contemporary era
