study turns to urban art forms including jazz modern dance hip hop drama studio art photography and film Author Peter Szok concentrates on the Guna formerly Kuna people who were the earliest Indigenous migrants to Panama City and who are famous across the Americas for their geometrically patterned mola fabrics Szok argues that the molas are just one aspect of Guna artistic culture and that the rise of more urban manifestations is part of a process of ethnic resurgence **Chase's Calendar of Events, 2011 Edition** Editors of Chase's Calendar of Events,2010-10-18 Chase's Calendar of Events is the most comprehensive and authoritative reference available in the world on special days weeks and months Indispensable CD ROM holds all the book's 12 500 entries Unique reference in the marketplace acclaimed by the Wall Street Journal Library Journal Christian Science Monitor Los Angeles Times and the Washington Post U.S. Museum Histories and the Politics of Interpretation Laura Schiavo,2023-12-08 U S Museum Histories and the Politics of Interpretation is the first collection to examine the history of museums in the United States through the lens of the political and ideological underpinnings at the heart of exhibitions collecting and programming Including contributions from historians art historians anthropologists academics and museum professionals the book argues that museums have always been embedded in the politics and culture of their time whether that means a reification of hegemonic notions of race gender and progress or a challenge to those normative structures Contributions probe the political nature of collection and interpretation as concept and practice and museum work as both reflective of and contributing to the politics and circulation of power in different historical moments As a whole the volume provides detailed readings of museums that demonstrate the ways in which these trusted cultural institutions have intervened in shifting concepts of nation community indigeneity race citizenship inclusion identity localism and memory U S Museum Histories and the Politics of Interpretation makes arguments about the historically and politically rooted nature of cultural production in museums that apply to institutions across the globe It is essential reading for students and scholars of museum studies public history cultural history art history and memory **Chase's Calendar of Events 2016** Editors of Chase's,2015-09-11 Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events holidays federal and state observances historic anniversaries astronomical phenomena and more Published since 1957 Chase's is the only guide to special days weeks and months Monumental Designs Ted Atkinson,2025-09-23 Established by Congress as part of the New Deal the Tennessee Valley Authority TVA designated parts of seven southern states for economic rehabilitation through various means including flood control rural electrification and social programs The goal was to deploy federal resources to reshape the region through infrastructure mainly a network of hydroelectric dams To garner political and public support TVA officials mobilized artists Soon state sponsored cultural productions emerged resulting in a body of work comprising an array of mediums The TVA swayed public opinion and generated positive reviews at the outset because of the vital role that culture played in making public meaning particularly regarding the near total transformation of the Tennessee Valley through infrastructural development as part of a larger

ideological and economic investment in public works While the content was geared toward promoting the TVA agenda aesthetic innovations had a lasting impact influencing subsequent generations of artists who portrayed the TVA enterprise with complexity nuance and depth At a time when the country is grappling with issues surrounding climate change fossil fuels consumption and strip mining the TVA now struggles to balance its reputation for prosperity and development with public suspicion and skepticism In *Monumental Designs Infrastructure and the Culture of the Tennessee Valley Authority* author Ted Atkinson presents a cultural history of the TVA that examines representations of the agency in selected works from the New Deal era to the present With chapters organized according to medium photography and photobooks documentary films New Deal theater fiction film and novels *Monumental Designs* seeks to illuminate the entwined forms of infrastructural development and cultural production that have made the TVA a source of multivalent power and influence This examination of cultural history intends to foster critical thinking about how public works can come to be regarded as monumental expressions of national purpose and modern engines of progress defined in terms of perpetual growth and development
