

WHO IS A NATIVE SPEAKER?

A GUIDE TO THE NATIVE SPEAKERISM DEBATE

Native Speaker

Alastair Pennycook

Native Speaker:

The Changing Face of the "Native Speaker" Nikolay Slavkov, Sílvia Melo-Pfeifer, Nadja Kerschhofer-Puhalo, 2021-11-22
The notion of the native speaker and its undertones of ultimate language competence language ownership and social status has been problematized by various researchers arguing that the ensuing monolingual norms and assumptions are flawed or inequitable in a global super diverse world However such norms are still ubiquitous in educational institutional and social settings in political structures and in research paradigms This collection offers voices from various contexts and corners of the world and further challenges the native speaker construct adopting poststructuralist and postcolonial perspectives It includes conceptual methodological educational and practice oriented contributions Topics span language minorities intercomprehension plurilingualism and pluriculturalism translanguaging teacher education new speakers language background profiling heritage languages and learner identity among others Collectively the authors paint the portrait of the changing face of the native speaker while also strengthening a new global agenda in multilingualism and social justice These diverse and interconnected contributions are meant to inspire researchers university students educators policy makers and beyond

Native Speaker Chang-rae Lee, 1996-03-01 ONE OF THE ATLANTIC S GREAT AMERICAN NOVELS OF THE PAST 100 YEARS The debut novel from critically acclaimed and New York Times bestselling author of *On Such a Full Sea* and *My Year Abroad* In *Native Speaker* author Chang rae Lee introduces readers to Henry Park Park has spent his entire life trying to become a true American a native speaker But even as the essence of his adopted country continues to elude him his Korean heritage seems to drift further and further away Park s harsh Korean upbringing has taught him to hide his emotions to remember everything he learns and most of all to feel an overwhelming sense of alienation In other words it has shaped him as a natural spy But the very attributes that help him to excel in his profession put a strain on his marriage to his American wife and stand in the way of his coming to terms with his young son s death When he is assigned to spy on a rising Korean American politician his very identity is tested and he must figure out who he is amid not only the conflicts within himself but also within the ethnic and political tensions of the New York City streets *Native Speaker* is a story of cultural alienation It is about fathers and sons about the desire to connect with the world rather than stand apart from it about loyalty and betrayal about the alien in all of us and who we finally are

The Native Speaker Alan Davies, 2003-01-01 Linguists applied linguists and language teachers all appeal to the native speaker as an important reference point But what exactly who exactly is the native speaker This book examines the native speaker from different points of view arguing that the native speaker is both myth and reality

The Emergence of the English Native Speaker Stephanie Hackert, 2012-12-06 The native speaker is one of the central but at the same time most controversial concepts of modern linguistics With regard to English it became especially controversial with the rise of the so called New Englishes where reality is much more complex than the neat distinction into native and non native speakers would make us believe This volume reconstructs the coming

into being of the English native speaker in the second half of the nineteenth century in order to probe into the origins of the problems surrounding the concept today A corpus of texts which includes not only the classics of the nineteenth century linguistic literature but also numerous lesser known articles from periodical journals of the time is investigated by means of historical discourse analysis in order to retrace the production and reproduction of this particularly important linguistic ideology The Native Speaker is Dead! Thomas M. Paikeday, Noam Chomsky, 1985 **The Native Speaker Concept**

Neriko Musha Doerr, 2009-12-22 The native speaker is often thought of as an ideal language user with a complete and possibly innate competence in the language which is perceived as being bounded and fixed to a homogeneous speech community and linked to a nation state Despite recent works that challenge its empirical accuracy and theoretical utility the notion of the native speaker is still prevalent today The Native Speaker Concept shifts the analytical focus from the second language acquisition processes and teaching practices to daily interactions situated in wider sociocultural and political contexts marked by increased global movements of people and multilingual situations Using an ethnographic approach the volume critically elucidates the political nature of not claiming the native speaker status in daily life and the ways the ideology of native speaker intersects and articulates supports subverts or complicates various relations of dominance and regimes of standardization The book offers cases from diverse settings including classrooms in Japan a coffee shop in Barcelona secondary schools in South Africa a backyard in Rapa Nui Easter Island restaurant kitchens a high school administrator's office a college classroom in the United States and the Internet It also offers a genealogy of the notion of the native speaker from the time of the Roman Empire Employing linguistic anthropological and educational theories the volume speaks not only to the analyses of language use and language policy planning and teaching but also to the investigation of wider effects of language ideology on relations of dominance and institutional and discursive practices Claims, Changes and Challenges in Translation Studies Gyde Hansen, Kirsten Malmkjær, Daniel Gile, 2004-01-01 The volume contains a selection of papers both theoretical and empirical from the European Society for Translation Studies EST Congress held in Copenhagen in September 2001 The EST Congresses held every three years in a different country reflect current ideas theories and studies covering the whole range of Translation both oral and written and the papers collected here authored by both experienced and young translation scholars provide an up to date picture of some concerns in the field Topics covered include translation universals linguistic approaches to translation translation strategies quality and assessment issues screen translation the translation of humor terminological issues translation and related professions translation and ideology language brokering by children Robert Schumann's relation to translation directionality in translation and interpreting community interpreting in Italy issues in interpreting for refugees notes in consecutive interpreting interpreting prosody and frequent weaknesses in translation papers in the context of the editorial process *The Native Speaker in Applied Linguistics* Alan Davies, 1991 Mother Tongues and Nations Thomas Paul Bonfiglio, 2010-06-29 This monograph examines

the ideological legacy of the the apparently innocent kinship metaphors of mother tongue and native speaker by historicizing their linguistic development It shows how the early nation states constructed the ideology of ethnolinguistic nationalism a composite of national language identity geography and race This ideology invented myths of congenital communities that configured the national language in a symbiotic matrix between body and physical environment and as the ethnic and corporeal ownership of national identity and local organic nature These ethno nationalist gestures informed the philology of the early modern era and generated arboreal and genealogical models of language culminating most divisively in the race conscious discourse of the Indo European hypothesis of the 19th century The philosophical theories of organicism also contributed to these ideologies The fundamentally nationalist conflation of race and language was and is the catalyst for subsequent permutations of ethnolinguistic discrimination which continue today Scholarship should scrutinize the tendency to overextend biological metaphors in the study of language as these can encourage however surreptitiously genetic and racial impressions of language

Native Speakers and Native Users Alan Davies, 2013-08 Native speakers and native users are playing the same game sharing as they do the model of the Standard Language

Speaker Classification I Christian Müller, 2007-08-28 This volume and its companion volume LNAI 4441 constitute a state of the art survey in the field of speaker classification Together they address such intriguing issues as how speaker characteristics are manifested in voice and speaking behavior The nineteen contributions in this volume are organized into topical sections covering fundamentals characteristics applications methods and evaluation

Language and Mobility Alastair Pennycook, 2012-06-22 This book looks at language in unexpected places Drawing on a diversity of materials and contexts including farewell addresses to British workers in colonial India letters written from parents to their children at home a Cornish anthem sung in South Australia a country fair in rural Australia and a cricket match played in the middle of the 19th century in south India this book explores many current concerns around language mobility and place including native speakers generic forms and language maintenance Using a series of narrative accounts from a journey to southern India to eating cheese in China from playing soccer in Germany to observing a student teacher in Sydney this book asks how it is that language people and cultures turn up unexpectedly and how our lines of expectation are formed

High-Level Language Proficiency in Second Language and Multilingual Contexts Kenneth Hyltenstam, Inge Bartning, Lars Fant, 2018-06-21 An encompassing picture of what high level competence in second languages and in multilingual use is about

The Story of English in India N. Krishnaswamy, Lalitha Krishnaswamy, 2006 With globalization English has become an economic necessity and Indians have realized that they have the English advantage over many other countries like China and Japan India has shed its colonial complexes towards English and has come to terms with the language Indians have separated the English language from the English The Story of English in India presents historical facts in a socio cultural framework The book is a must for all teachers and students of English it will be useful for all those interested in the politics of language and education in India

issues discussed Are we indebted to the British for introducing English in India What was the role of English during India's struggle for freedom Has English united India Has English divided India into two the English knowing classes who govern and the non English knowing masses who are governed Will English ever become an Indian tongue spoken in the great Indian language bazaar What will be the future of major Indian languages in the wake of the English onslaught Will it end in linguistic imperialism and cultural colonialism Second Language Learning and Language Teaching Vivian

Cook,2013-11-26 The fourth edition of this classic textbook has been revised to reflect recent developments in language teaching and learning yet retains the basic structure and approach so popular with its readers Teaching and learning content has been updated particularly taking into account the rise of task based learning Conversational Analysis and social models of second language acquisition changes in national syllabuses and examinations and the increasing controversy over the role of the native speaker target Each chapter has been revised to stand alone enabling the text to be taught and studied out of sequence if preferred A set of focussing questions has also been added to each and further reading sections have been updated In addition icons appear throughout the text signalling where extra information summaries data lecture notes test batteries and more can be found on the author's accompanying website www.routledge.com/cw/cook Second Language Learning and Language Teaching remains the essential textbook for all student teachers of modern languages and TESOL as well as applied linguistics The Handbook of Applied Linguistics Alan Davies,Catherine Elder,2008-04-15 The Handbook of Applied Linguistics is a collection of newly commissioned articles that provide a comprehensive and up to date picture of the field of Applied Linguistics Provides a comprehensive and current picture of the field of Applied Linguistics Contains 32 newly commissioned articles that examine both the applications of linguistics to language data and the use of real world language to ameliorate social problems Valuable resource for students and researchers in applied linguistics language teaching and second language acquisition Presents applied linguistics as an independent discipline that unifies practical experience and theoretical understanding of language development and language in use **Encyclopedia of Humor**

Studies Salvatore Attardo,2014-02-25 The Encyclopedia of Humor A Social History explores the concept of humor in history and modern society in the United States and internationally This work's scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book's 335 articles are

organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore World Englishes Kingsley Bolton, Braj B. Kachru, 2006 Language Management in Contact Situations Jiří Nekvapil, Tamah Sherman, 2009 The authors of this volume analyze language contact situations emerging in East and Central Europe Australia and Japan The individual chapters focus on language problems which appear in concrete interactions between speakers of various languages The objective of the book is to demonstrate the capacity of the language management framework on the basis of highly diversified empirical material and thus aid in the solving of similar language problems which arise in different types of intercultural contact The chapters contribute to the forming of a new approach to the processes underlying linguistic diversity covering both its micro and macro aspects

Interlanguage Refusals Noël Houck, Susan M. Gass, 2011-10-18 Language acquisition is a human endeavor par excellence As children all human beings learn to understand and speak at least one language their mother tongue It is a process that seems to take place without any obvious effort Second language learning particularly among adults causes more difficulty The purpose of this series is to compile a collection of high quality monographs on language acquisition The series serves the needs of everyone who wants to know more about the problem of language acquisition in general and or about language acquisition in specific contexts

Native Speaker Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Native Speaker PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Native Speaker PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Native Speaker free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Native Speaker Books

1. Where can I buy Native Speaker books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Native Speaker book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Native Speaker books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Native Speaker audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Native Speaker books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
