The American Indian and the Problem of History Calvin Martin, 1987 North American Indians have traditionally held conceptions of history time and the universe that are vastly different from those of European civilizations How then can Western historians begin to write accurately and without bias about societies who shunned history and who performed in our Western vision and errand of history only through coercion Here eighteen prominent authors wrestle with the phenomenon that in writing about Indian white relations they are perforce trying to mesh two fundamentally different world views In pieces written expressly for this volume the contributors who include a cross section of historians anthropologists professional writers and native Americans cover such diverse topics as cultural pluralism and ethnocentrism native American dancing and ritual the experiences of native American women and attitudes toward the environment In considering the deep and chronic issues of Indian white relations these controversial essays look anew at Indian cultural ideals and restore them to their proper place in American history

A Critical Pedagogy for Native American Education Policy Lavonna L. Lovern, F.E. Knowles, 2015-10-14 A Critical Pedagogy for Native American Education Policy is an application of critical pedagogical theory to historical and recent Native American educational policy Focusing primarily on the Mvskoke Creek the authors provide a detailed historic timeline that is tied to the functionalist view of sociology as it is reflected in the institution of education in general Knowles and Lovern examine the policy from the critical perspective with the application of Habermas and Freire They argue that the functionalist mode of education has furthered the cause of colonization and its attendant cultural destruction The emancipatory possibilities presented by the work of Habermas and Freire are mined for their application to the deficits created by the historical and continued colonization of Native Americans
