Henderson, 2022-11-11 Although Native Americans have been subjugated by every American government since The Founding they have persevered and in some cases thrived What explains the existence of separate semi sovereign nations within the larger American nation In large part it has been victories won at the Supreme Court that have preserved the opportunity for Native Americans to make their own laws and be ruled by them The Supreme Court could have gone further creating truly sovereign nations with whom the United States could have negotiated on an equal basis The Supreme Court could also have done away with tribes and tribalism with the stroke of a pen Instead the Court set a compromise course declaring tribes not fully sovereign but also something far more than a mere social club **Navajo** Sarah Tieck, 2014-08-01 Informative easy to
