Nativity Stories:

Christmas Journey Douglas Wirth, 2019-03-27 The Nativity Stories were hidden gems in antiquity and they remain largely unexplored today Though they appear first in the gospels of Matthew and Luke they were among the last pieces of the puzzle of Christ's life to be revealed to the public The evidence shows that during the three year ministry of Jesus none of his followers knew about the extraordinary events related in the birth narratives The claim of his virginal conception the most highly charged and hardest to substantiate of all the assertions made about Jesus was held in reserve until decades after his death and resurrection The publication of the Nativity Stories around AD 80 helped to complete the church's portrait of Jesus Christ Today the Nativity Stories are usually saved for Advent but since this is such a busy time of year these scriptures are seldom explored in depth This engaging study takes readers on a journey of daily Readings and Reflections in Matthew 1:2 and Luke 1:2 The spiritual riches of the Nativity Stories are revealed through a survey of issues about their impact on our understanding of the divine human nature of Jesus Also highlighted is the influential role of the birth narratives on the church's theology in the period prior to the emergence of Christmas in the fourth century With a wealth of enlightening discoveries awaiting readers *Christmas Journey* is sure to become a meaningful part of their yearly Advent tradition

Nativity Stories Alan Howard, 1980 Presents six stories about the birth of Jesus **Shivering Babe, Glorious Lord** Douglas Wirth, 2016-05-13 The Nativity Stories from Matthew and Luke's gospels have endured through the centuries but the way Christmas is celebrated has been dramatically reshaped In the modern era the story of Christ's birth has been overshadowed by fanciful tales of Santa Frosty and Rudolph Holiday customs designed to enhance the enjoyment of Christmas have often come to obscure the message of the Savior's birth The Christmas season now exists primarily to foster the urge to shop rather than a desire to pause and reflect on the good news of Christ's coming Today the Nativity Stories are seldom considered as a whole and the theological riches of these sacred texts have regrettably been reduced to The Christmas Story The biblical narratives that have inspired poets and artists for centuries warrant more careful study *Shivering Babe Glorious Lord* surveys the Nativity Stories through twenty centuries of Christian tradition their composition by Matthew and Luke their relationship to the larger biblical narrative their profound influence on theology and worship their modern decline and the reemergence of Christmas in a secular guise in the nineteenth and twentieth centuries Readers yearning for a more Christ-centered Christmas will find helpful resources here **Christmas Stories** Various, 2016-11-03 A heartwarming collection of your favourite Christmas classics that are sure to get you into the festive spirit Filled with tales of family presents and all the joy that Christmas brings From frolicking goblins to the importance of giving gifts this collection is the perfect Christmas gift **Christmas, The Original Story** Margaret Barker, 2011-09-22 In *Christmas the Original Story* Margaret Barker explores the nature of the Christmas stories and the nature and use of Old Testament prophecy Beginning with John's account it then goes on to include Luke and Matthew the apocryphal gospels and the traditions of the
