children and much more      The Bach Cello Suites Steven Isserlis, 2021-10-05 A unique Companion to J S Bach's iconic Cello Suites from internationally renowned cellist Steven Isserlis. Isserlis is the master of the material yet always able to make it accessible. It is an absolute treat to be led to this sublime music by such an enthusiastic expert MICHAEL PALIN. The book I've always wanted: an accessible, eloquent guide to the world's greatest and maybe most elusive pieces of music. And written by the man I'd want to tell me about it. This is such a delight DERREN BROWN. Illuminating OBSERVER. Striking THE SPECTATOR. Bach's six Cello Suites are among the most cherished of all the works in the classical music literature. Shrouded in mystery, they were largely unknown for some two hundred years after their composition; they have acquired a magical aura which continues to attract and fascinate audiences the world over. To cellists they represent a musical bible; to listeners scarcely less. Through what are on the surface simple dance suites, Bach takes us on a spiritual journey like no other, leading us from joy to tragedy, concluding in jubilation, even triumph. Award-winning international cellist Steven Isserlis, whose recent recording of the Suites met with the highest critical acclaim, goes deep into that emotional journey, bringing to bear all his many years' experience of performing the Suites. His book is intended as a rewarding companion for all music lovers, ranging from the casual listener to the performing musician. By offering his own very personal observations of the music, Isserlis's aim is to take the reader further into the world of the Suites in order to enhance the experience of hearing some of the greatest works ever composed. Praise for Steven Isserlis: BACH: THE CELLO SUITES. The most wonderful cello playing surely among the most consistently beautiful to have been heard in this demanding music. GRAMOPHONE. Isserlis has done the impossible. He has given the listener something new and indeed something outstandingly good. This recording can sit proudly on the shelf alongside the great recordings of Casals and Rostropovich. In fact I may find myself picking it up as the favourite. BBC RADIO 3      **Christmas Music from Baroque Mexico** Robert Stevenson, 2023-11-15 Christmas Music from Baroque

Mexico is an extraordinary compilation of seventeenth and eighteenth century Christmas music now preserved thanks to the landmark acquisition of the Sánchez Garza Collection by Mexico's Secretaría de Educación Pública. The collection housed within the Mexican National Institute of Fine Arts encompasses 276 rare manuscripts including Christmas villancicos and other baroque compositions by both New World and Peninsular composers. These works capture a blend of European musical forms with indigenous and folk influences, representing a unique convergence of cultural expressions in colonial Mexico. This volume not only brings these compositions to light but also features transcriptions of twelve musical examples directly from the Sánchez Garza manuscripts, with additional pieces from the archives of Puebla Cathedral. The Sánchez Garza Collection stands as a significant artifact of Mexico's colonial musical heritage. With pieces like Salazar's *negro Vaeza's negriya* and Ximeno's *gallego*, the collection reveals a fascinating infusion of ethnic and folk characteristics within baroque traditions. Originally held by the Holy Trinity Convent in Puebla, these manuscripts survived untouched until their acquisition by the historian Jesús Sánchez Garza, whose dedication preserved them for posterity. Through the meticulous work of the Instituto
