Ivan T. Sanderson

Nats Snowman:

Assateague Island National Seashore United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Parks and Recreation, 1965 Considers S 20 and similar S 1121 to establish Assateague Island National Seashore in Maryland and Virginia pt 2 Continuation of hearings considering S 20 and similar S 1121 to create Assateague Island National Seashore in Md and Va to provide recreational area and to protect Chincoteague ponies **On The Track Of Unknown Animals** Bernard Heuvelmans, 2014-07-10 First published in 1995 It will soon be forty years since the original edition of this work Sur la piste des b tes ignor es 1955 appeared in French With this book the great adventure of Cryptozoology the science of hidden animals began **Abominable Snowmen** Ivan T. Sanderson, 2006 Do Abominable Snowmen exist Prepare yourself for a shock In the opinion of one of the world s leading naturalists not one but possibly four separate kinds of yeti still walk the earth Factual reports of wild strange hairy men have emanated from every continent except Australia and the Antarctic Do they really live on the fringes of the towering Himalayas and the edge of myth haunted Tibet They do but we are far more likely to catch one in the impenetrable Klamath Forests of Northern California Now at last Ivan Sanderson who has been accumulating material for 30 years on this subject explains in clear language just why no Snowman has ever been captured and kept for a zoo or a museum though one was caught during the last century in Canada

Crying Wolf Peter Abrahams, 2000-05-05 For Nat and his new friends Grace and Izzie Zorn twin sisters as seductive as they are elusive it was the perfect plan for some quick cash A bold scheme with an admirable motive to save the bright future of a deserving young man And the victim too was deserving an arrogant billionaire who would hardly notice a financial loss All the plotters needed was a believable story desperate and frightening but false Nothing bad was supposed to happen They were only crying wolf But what if the wolf were real For someone in the shadows is listening someone who thinks he deserves an even brighter future Now a risky but basically innocent game will take a horrifying turn *Gauntlet of Maltese* Andrew Colunga, 2012-10-15 Zero City has always known war and the Junkyard Gang knows to stay away from it but there are many other dangers besides fire knives and Demons The flickering light from an abandoned theater calls to them and a lost Mexican village holds a secret In a smoky jazz bar beneath the city a saxophone player who s a helpless romantic plays the song every night The journals of a 500 year old Spanish conquistador tell a story of discovery disappointment and determination A modern barbarian seeks to regain his throne and strikes a deal with the Reaper A young man learns to kill in the face of a nuclear war and loses more than his faith along the way What is the Gauntlet What are all those drawings of hands with eyes in their palms And what happens when the sky burns orange and red lightning streaks the sky
