of Nursery Nature Walks,1996-10 **Trees & Me** Project Learning Tree,2022-04-17 **Trees Me** contains hundreds of ideas for fun easy to do hands on experiences to connect young children to nature with a focus on trees and forests Through both outdoor and indoor activities children explore nature through their five senses experience trees throughout all four seasons and connect with their community The 12 hands on **Trees Me** activities are designed for families and teachers to use with children ages 1 6 in a range of settings including preschools childcare centers and nature centers at home or with families and friends spending time together Special instructions tailor many experiences to children under 3 years of age Families and caregivers childcare providers and early childhood educators can easily adapt the activities as necessary to meet each child s unique needs the environment where they live and the materials available Children learn concepts necessary to succeed in school including age appropriate literacy math and critical thinking skills They make music create things and gain physical dexterity They are empowered to work independently and in groups Through dramatic play and skill practice they

explore careers which plants ideas for a child's future. What's more, research indicates that early exposure to nature and the outdoors improves emotional and physical well-being, enhances learning, promotes positive social behavior, and makes children more likely to care about their environment throughout their lives. Each activity contains background information for adults, preparation materials, and time requirements, plus explicit connections with early learning standards in science, English, language arts, math, and social studies, as well as programs such as NAEYC and Head Start. Art is integrated throughout every activity, and STEM is practiced through ten essential skills, effectively integrating the disciplines of science, technology, engineering, and math. Each activity suggests concrete ways that families and friends can enhance the learning experience at home, including helping out in the community. The guide also provides reading and music suggestions and valuable appendices such as tested techniques for engaging early learners, tips for outdoor learning, bringing nature inside, and woodworking that not only support the activities but also serve as a resource in a range of situations.
