

THE POST-PEASANT POPULISM OF EASTERN EUROPE ON RESILIENCE AND THE MOBILISATION OF AN ECONOMIC BASE¹

JURAJ BUZALKA

INSTITUTE OF SOCIAL ANTHROPOLOGY, FACULTY OF SOCIAL AND ECONOMIC SCIENCES,
COMENIUS UNIVERSITY

This paper conceptualises an East European type of populism that I call post-peasant. It originated in state-socialist modernisation and mobilises people who are not peasants, but who nevertheless value the countryside as morally superior to a life in large cities. My major contention is that post-peasant populism emerges under specific cultural-economic conditions, among which the institution I call the 'post-peasant house' is paramount. This institution, in its economic and cultural dimensions, connects the recent agrarian past, socialist modernism, and the post-socialist present, both as a habitual practice and a representation of the people.

KEYWORDS: post-peasant populism, post-peasant house, cultural economy, Central and Eastern Europe, Slovakia, livelihood mobilisation

This paper conceptualises an East European type of populism that I call post-peasant. It originated in state-socialist modernisation and mobilises people who are not peasants, but who nevertheless value the countryside as morally superior to a life in large cities. My major contention is that post-peasant populism emerges under specific cultural-economic conditions, among which the institution I call the 'post-peasant house' is paramount. This institution, in its economic and cultural dimensions, connects the recent agrarian past, socialist modernism, and the post-socialist present, both as a habitual practice and a representation of the people.

In what follows, I first define what makes post-socialist populism post-peasant and follow this by connecting this definition to the persistence of the house as a cultural-economic institution in Slovakia and Eastern Europe, thereby demonstrating how it remains essential for contemporary populist politics. Finally, before I summarise the

¹ I would like to express my gratitude to Jan Kubík and two anonymous reviewers of *Ethnologia Polona* for their valuable comments on an earlier draft of this paper.

Populism Racism And Society In Eastern Europe East European Monographs:

Populism in Eastern Europe Joseph Held, 1996 East European populism has influenced the politics of peasant societies offering an alternative to both socialist and capitalist developmental strategies Anti Semitic xenophobic anti modern and anti urban the populists have represented an ideology which has been anti modernist overall In this much needed volume distinguished historians and political scientists discuss this crucial topic **Eastern Europe in the Twentieth Century - And After** R. J. Crampton, 2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this second edition of *Eastern Europe in the Twentieth Century And After* is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989 91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of organized crime discusses each state individually includes an up to date bibliography *Eastern Europe in the Twentieth Century And After* provides an accessible introduction to this key area which is invaluable to students of modern and political history 'Regimes of Historicity' in Southeastern and Northern Europe, 1890-1945 D. Mishkova, B. Trencsényi, M. Jalava, 2014-06-27 The volume undertakes a comparative analysis of the various discursive traditions dealing with the connection between modernity and historicity in Southeastern and Northern Europe reconstructing the ways in which different temporalities produced alternative representations of the past and future of continuity and discontinuity and identity Democracies and the Populist Challenge Y. Meny, Y. Surel, 2001-12-06 Populism has become a favourite catchword for mass media and politicians faced with the challenge of protest parties or movements It has often been equated with radical right leaders or parties This volume offers a different perspective and underlines that populism is an ambiguous but constitutive component of democratic systems torn between their ideology government of the people by the people for the people and their actual functioning characterised by the role of the elites and the limits put on the popular will by liberal constitutionalism *The Promise and Perils of Populism* Carlos de la Torre, 2015-01-13 From the protesters in Cairo s Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political

systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature

The Oxford Handbook of the Radical Right Jens Rydgren, 2018-02-01 The resurgence of strong radical right wing parties and movements constitutes one of the most significant political changes in democratic states during the past several decades particularly in Europe The radical right s comeback has notably attracted interest from political scientists sociologists and historians although the majority of past research focuses on party and electoral politics In contrast *The Oxford Handbook of the Radical Right* not only covers existing literature but also shows how the radical right forms movements rather than parties Editor Jens Rydren has gathered an international cast of contributors to cover concepts and definitions ideologies and discourses and a range of contemporary issues such as religion globalization gender and activism Further this volume is one of few to provide a number of cases focusing on areas outside of Europe including Russia the US Australia Israel and Japan By integrating various strands of scholarship on the radical right that covers different regions and different research perspectives this Handbook provides an authoritative and state of the art overview of the topic and will set the agenda for scholarship on the radical right for years to come

Contemporary Populism Sergiu Gherghina, Sergiu Mişcoiu, Sorina Soare, 2013-07-16 The fundamental question uniting the contributions to this volume is what exactly is populism This is certainly not a new question as a large amount of literature has focused on this topic for more than half a century As little conceptual consensus has been reached so far this book aims to reduce the level of abstraction To this end it approaches the populist phenomenon from a broader theoretical and empirical perspective making reference to its developments on several continents The book is divided into two parts the first is theoretical and discusses various perspectives on populism while the second is empirical and emphasises the diversity of the forms populism has embraced throughout the world Without aiming to solve old dilemmas to cover all the existing forms of populism or to outline unequivocal conclusions the contributions to this book fulfil a twofold task On the one hand they help to clarify theoretically a concept that is difficult to grasp and use On the other hand by way of reflecting these difficulties they present several forms of populism worldwide Their main purpose is to highlight the differences between the continents Each of the chapters in the second section successfully accomplishes this providing an overview that is useful both in analysing populism and in identifying the populist elements in national and international political actions or discourses

Chicago of the Balkans Gwen Jones, 2017-07-05 At the point of its creation in 1873 Budapest was intended to be a pleasant rallying point of orderliness high culture and elevated social principles the jewel in

the national crown From the turn of the century to World War II however the Hungarian capital was described variously as Judapest the sinful city not in Hungary and the Chicago of the Balkans This is the first English language study of competing metropolitan narratives in Hungarian literature that spans both the liberal late Habsburg and post liberal Christian national eras at the same time as the Jewish Question became increasingly inseparable from representations of the city Works by writers from a wide variety of backgrounds are discussed from Jewish satirists to icons of the radical Right representatives of conservative national schools and modernist avant garde and peasantist authors Gwen Jones is Hon Research Associate at the Department of Hebrew and Jewish Studies University College London

Legacies of Totalitarian Language in the Discourse Culture of the Post-Totalitarian Era Ernest Andrews, 2011-05-19 This book is unique in its kind It is the first scholarly work to attempt a comprehensive and fairly detailed look into the lingering legacies of the communist totalitarian modes of thought and expression in the new discourse forms of the post totalitarian era The book gives also new and interesting insights into the ways the new presumably democratically minded political elites in post totalitarian Eastern Europe Russia and China manipulate language to serve their own political and economic agendas The book consists of ten discrete discussions nine case studies or chapters and an introduction Chapter 1 discusses patterns of continuity and change in the conceptual apparatus and linguistic habits of political science and sociology practiced in the Czech Republic before and after 1989 Chapter 2 analyzes lingering effects of communist propaganda language in the political discourse and behavior in post communist Poland Chapter 3 analyzes the legacy of Soviet semantics in post Soviet Moldovan politics through the prism of such politically contested words as democracy democratization and people Chapters 4 and 5 discuss the way in which communist patterns of thought and expression manifest themselves in the new political discourse in Romania and Bulgaria respectively Chapter 6 examines phenomena of change and continuity in the socio linguistic and socio political scene of post Soviet Latvia Chapter 7 analyzes the extent to which the language of the post communist Romanian media differs from the official language of the communist era Chapter 8 examines the evolution of Russian official discourse since the late eighties with a view of showing whether or not new phenomena in the evolution of post Soviet discourse represent new development or just a mutation of the value orientations of the old Soviet ideological apparatus Chapter 9 gives a detailed and lucid account of the evolution of both official and non official discourse in China since the end of the Mao era

Transformations of Populism in Europe and the Americas John Abromeit, York Norman, Gary Marotta, Bridget Maria Chesterton, 2015-11-19 The recent resurgence of populist movements and parties has led to a revival of scholarly interest in populism This volume brings together well established and new scholars to reassess the subject and combine historical and theoretical perspectives to shed new light on the history of the subject as well as enriching contemporary discussions In three parts the contributors explore the history of populism in different regions theories of populism and recent populist movements Taken together the contributions included in this book represent the most comprehensive and wide ranging study

of the topic to date Questions addressed include What are the essential characteristics of populism Is it important to distinguish between left and right wing populism How can the transformation of populist movements be explained This is the most thorough and up to date comparative historical study of populism available As such it will be of great value to anyone researching or studying the topic **Uncivil Society?** Petr Kopecky,Cas Mudde,2005-08-16 This volume makes a significant contribution to the debate about the development of post communist civil society by focusing on its alleged dark side i e on the groups that are excluded from civil society on both conceptual and normative grounds The chapters written by specialists in the field explore in rich empirical detail the complexities involved when such groups like the skinheads in Hungary the farmers Self Defence movement in Poland or the war veterans in Croatia challenge the state engage in community activism or get involved in protest actions It also offers a contrasting perspective by focusing on similar activities by the alleged pro democratic actors of civil society such as Impulse 99 in the Czech Republic The book maintains that political protest or contentious politics should be included under a broad and positive development of associational activity in the region **Uncivil Society Contentious Politics in Post Communist Europe** is a fascinating study and will be of interest to scholars of Eastern European politics and history **Central and Eastern Europe After Transition** Wojciech Sadurski,2016-04-08 How have national identities changed developed and reacted in the wake of transition from communism to democracy in Central and Eastern Europe **Central and Eastern Europe After Transition** defines and examines new autonomous differences adopted at the state and the supranational level in the post transitional phase of the post Communist area and considers their impact on constitutions democracy and legal culture With representative contributions from older and newer EU members the book provides a broad set of cultural points for reference Its comparative and interdisciplinary approach includes a useful selection of bibliographical resources specifically devoted to the Central Eastern European countries transitions **Elected Affinities** Kevin Deegan-Krause,2006 **Elected Affinities** provides a new and comprehensive account of politics in postcommunist Slovakia and the Czech Republic and offers a useful framework for understanding the competing influences of social structure and the contingent decisions of political leaders in new democracies **Ethnic Relations in Eastern Europe** Margit Feischmidt,2001 Dotyczy m in Polski *Economic Dualism and Agrarian Policies* Adina Dabu,Paul D. Aligica,2020-05-21 This book offers an in depth case study of Romania s land and agricultural reforms from mid 19th century and up to 2000 offering a historical account of agricultural reforms in post communist Romania in the light of more than a century of social and economic development experiments Taking a dual economy analytic perspective the book examines the impact of structural and agricultural reforms on the country s economic development and provides an analysis of the ideas and models that stood behind policy reforms aiming at the modernization of an economy and society defined by dualism and late development **Defining 'Eastern Europe'** Piotr Twardzisz,2018-04-25 This book offers a linguistic semantic analysis of the expression Eastern Europe in international English language media discourse and academic discourse Interdisciplinary

in nature it provides insights beyond semantics and lexicology commenting on the politics history economy and culture of the region Its thorough analysis of Eastern Europe as a linguistic entity surrounded and affected by other linguistic entities allows for a systematic description of the term s linguistic behaviour in specialist written discourse The author measures the quantity and quality of Eastern Europe in specialist discourse painting a holistic picture of how it appears in English language quality texts published in the last twenty five years This book will appeal to students and scholars of cognitive linguistics semantics lexicology and lexicography and to specialists working on history political theory and international relations as they relate to Eastern Europe Rural protest groups and populist political parties Dirk Strijker,Gerrit Voerman,Ida Terluin,2023-08-07

Some agricultural or rural protest groups in the Western world evolved into political parties often of a populist nature whereas others did not This book is the first to explore under which conditions this happens and to what extent current populist parties have agricultural or rural ties and related agendas Well known authors with a background in rural studies or in political sciences describe and analyse the situation in a number of Western countries the United Kingdom France Poland Austria the Netherlands Australia Finland The contributions in this book show that the accessibility and responsiveness of the political system and the institutionalized agrarian interest groups as well as the existing political landscape are influencing the decisions of rural protest groups to found a political party However nowadays the chances of these parties being successful are small due to the declining share of the agricultural sector within European societies Although there will always be grounds for agrarian protest it seems safe to say that the heyday of agrarian populism is over *The Oxford Handbook of Comparative Political Theory* Leigh K. Jenco,Murad Idris,Megan Christine Thomas,2020

Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experienceAn interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theoryProvides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries **The Routledge Handbook of East European Politics** Adam Fagan,Petr Kopecký,2017-08-15

The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European

Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations **Sociology in the Twenty-First Century** Simon Susen, 2020-10-17 This book examines key trends debates and challenges in twenty first century sociology To this end it focuses on significant issues surrounding the nature of sociology What is sociology the history of sociology How has sociology evolved and the study of sociology How can or should we make sense of sociology These issues have been and will continue to be essential to the creation of conceptually informed methodologically rigorous and empirically substantiated research programmes in the discipline Over the past years however there have been numerous disputes and controversies concerning the future of sociology Particularly important in this respect are recent and ongoing discussions on the possibilities of developing new and arguably post classical forms of sociology The central assumption underlying most of these projects is the contention that a comprehensive analysis of the principal challenges faced by global society requires the construction of a sociology capable of accounting for the interconnectedness of social actors and social structures across time and space This book provides a cutting edge overview of crucial past present and possible future trends debates and challenges shaping the pursuit of sociological inquiry Simon Susen one of the most knowledgeable scholars in the contemporary social sciences examines the key challenges with which sociology is confronted today This book is a must read for professional sociologists as well as for those studying the subject Luc Boltanski cole des Hautes tudes en Sciences Sociales Paris France Simon Susen provides a balanced update on sociology s theoretical methodological and institutional resources as well as challenges in today s complicated local and global social worlds Fortunately he has innovative and practical recommendations for ensuring the cutting edge relevance of sociological thinking This book is an excellent choice for undergraduate and postgraduate students as well as for the general reader Sandra Harding University of California Los Angeles USA A comprehensive and judicious account of the intellectual and material state of sociology based on omnivorous reading and incisive analysis The writing is beautifully clear and the book is a major contribution to the self understanding of the discipline William Outhwaite Newcastle University UK

Populism Racism And Society In Eastern Europe East European Monographs Introduction

In the digital age, access to information has become easier than ever before. The ability to download Populism Racism And Society In Eastern Europe East European Monographs has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Populism Racism And Society In Eastern Europe East European Monographs has opened up a world of possibilities. Downloading Populism Racism And Society In Eastern Europe East European Monographs provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Populism Racism And Society In Eastern Europe East European Monographs has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Populism Racism And Society In Eastern Europe East European Monographs. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Populism Racism And Society In Eastern Europe East European Monographs. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Populism Racism And Society In Eastern Europe East European Monographs, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Populism Racism And Society In Eastern Europe East

European Monographs has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Populism Racism And Society In Eastern Europe East European Monographs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Populism Racism And Society In Eastern Europe East European Monographs is one of the best book in our library for free trial. We provide copy of Populism Racism And Society In Eastern Europe East European Monographs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Populism Racism And Society In Eastern Europe East European Monographs. Where to download Populism Racism And Society In Eastern Europe East European Monographs online for free? Are you looking for Populism Racism And Society In Eastern Europe East European Monographs PDF? This is definitely going to save you time and cash in something you should think about.
