John Bunyan, 1851 **Over the River and through the Fire** Sherry Lewton, 2022-09-29 Heartache and brokenness are universal When our lives are thrown into the fire it will either make us or break us In her memoir author Sherry Lewton recounts events from her past that ignited her own fires throwing her life into a blaze of secrecy shame despair and devastation Throughout those tumultuous years of painful experiences roadblocks springing up to hinder recovery are labeled and defined Of all the roadblocks she acknowledges that it was her own self that was often the greatest obstacle preventing recovery But Sherry unashamedly proclaims how choosing to focus on God alone as the only answer and the only one who could heal her broken heart led her to find her way to the path that could lead her out of the fire and into triumphant living With no desire for platitudes pat answers or shaming techniques to infiltrate her message she seeks to tenderly offer hope to her readers through an unwavering and passionate desire to inspire those who find themselves engulfed in fiery trials to let go of selfish motives and desires In doing so roadblocks that hinder recovery are removed and we can then gain freedom to reach out our hearts and hands to a broken and hurting world No other way will satisfy **Pilgrimage as Moral and Aesthetic Formation in Augustine's Thought** Sarah Stewart-Kroeker, 2017-08-04 Augustine's dominant image for the human life is peregrinatio which signifies at once a journey to the homeland a pilgrimage and the condition of exile from the homeland For Augustine all human beings are in the earthly life exiles from their true homeland heaven Some but not all become pilgrims seeking a way back to the heavenly homeland a return mediated by the incarnate Christ Becoming a pilgrim begins with attraction to beauty The return journey therefore involves formation both moral and aesthetic in loving rightly This image has occasioned a lot of angst in ethical thought in the last century Augustine's vision of Christian life as a pilgrimage his critics allege casts a pall of groaning and longing over

this life in favor of happiness in the next Augustine's eschatological orientation robs the world of beauty and ethics of urgency In *Pilgrimage as Moral and Aesthetic Formation in Augustine's Thought* Sarah Stewart Kroeker responds to Augustine's critics by elaborating the Christological continuity between the earthly journey and the eschatological home Through this cohesive account of pilgrimage as a journey toward the right ordering of the desire for beauty and love for God and neighbour Stewart Kroeker reveals the integrity of Augustine's vision of moral and aesthetic vision From the human desire for beauty to the embodied practice of Christian sacraments Stewart Kroeker develops an account of the relationship between beauty and morality as the linchpin of an Augustinian moral theology

Allegory in Enlightenment Britain Jason J. Gulya, 2022-12-02 This Palgrave Pivot argues for the significance of allegory in Enlightenment writing While eighteenth century allegory has often been dismissed as an inadequate form both in its time and in later scholarship this short book reveals how Enlightenment writers adapted allegory to the cultural changes of the time It examines how these writers analyzed earlier allegories with scientific precision and broke up allegory into parts to combine it with other genres These experimentations in allegory reflected the effects of empiricism secularization and a modern aesthetic that were transforming Enlightenment culture Using a broad range of examples including classics of the genre eighteenth century texts and periodicals this book argues that the eighteenth century helped make allegory the flexible protean literary form it is today
