Webb's Easy Bible Names Pronunciation Guide Steven K Webb, 2012-06-02 Who should use this guide Anyone who desires to pronounce the names of people and places in the Bible with confidence Do you read passages of the Bible in public This book is for you In private devotions do you gloss over the difficult names This book is for you This book was originally begun as a pronunciation guide for myself as I was recording the Douay Rheims Audio Bible When I was commissioned to do that work I was surprised to find that there was apparently nothing currently in print specifically for the Douay Rheims version that could help me to properly pronounce names of people and places In order to expedite the narration I began to compile a list of names and carefully researched pronunciations and that list became the book that you now hold in your hands Somewhere along the way I decided to include the spellings and pronunciations of all the English translations I could find As far as I know every spelling of every name in every English translation of the Bible is included in this guide Since the genesis of this guide was for the Douay Rheims Audio Bible which is a Catholic Bible names included in the Apocrypha appear here as well Great effort has been made to include every English Bible translation s names and places in this work If the reader would be so kind as to write to me at info@EasyBibleNamesGuide.com if the reader is aware of omissions I will include additions in subsequent editions of this guide It is important to note that in my research I became aware of the fact that there are differing opinions on the correct pronunciations of many of the names contained in the Bible Often there really is no one correct way to pronounce a specific name Languages do morph over time and pronunciations can change This guide includes the generally accepted pronunciations in the United States in the year 2012 [That's Easy for You to Say W.](#) Murray Severance, 2016-03 That s Easy for You to Say includes the acceptable pronunciation of every proper name in every major English translation of the Bible Guidelines are based on Hebrew Greek and Aramaic speech and the most widely accepted modern English usage You can hear the pronunciation of each word contained in That s Easy for You to Say at mystudybible.com In addition to helping you pronounce over 7000 words That s Easy for You to Say has a section that give the meaning of Bible names for which the meaning is known With That s Easy for You to Say you can approach your next sermon devotion or Bible Study with the confidence that you can pronounce all of the Bible names in the text with which you re dealing [Guide to Pronouncing Biblical Names](#) Thomas S.
