Prophecy of Religion John Skinner, 2017-09-13 Excerpt from Prophecy of Religion Studies in the Life of Jeremiah When the Council of the Cunningham Lecture ship did me the honour of inviting me to be the Lecturer for 1920 leaving the choice of a subject to myself I gratefully accepted the appointment and offered a course on the life and writings of Jeremiah Had I been younger I should have preferred instead of adding another to the many books on Jeremiah which have recently appeared in English to try and break ground in some less frequented field of Old Testament theology As it was my choice was influenced by a long standing interest in the study of Jeremiah s work and personality as well as a hope that I might still be able to contribute something to an understanding of his message to his own age and to us The Lectures were delivered under the same title as the present volume in New College Edinburgh in the spring of 1920 and are now published in accordance with the terms of the Lectureship I have to express my regret that publication has been unavoidably delayed beyond the allotted period and also to explain that in preparing the work for the press I have not only expanded the lectures but arranged the matter under other headings and in a somewhat different order In general however the substance of the six original lectures will be found in Chapters I and II III and IV VIII VI and VII XI XV and XVIII The remaining nine chapters are added in order to present a fuller picture of Jeremiah though still an incomplete one than was possible in the lectures About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Jeremiah Under the Shadow of Duhm Joseph M. Henderson,2019-11-14 Joe Henderson offers a critique of the assumption that poetic form in the book of Jeremiah indicates authenticity This assumption undergirds Bernhard Duhm s reconstructions 1901 of the prophet s biography and the book s composition the basic components of the dominant paradigm for twentieth century Jeremiah scholarship Henderson argues that Duhm s model is best understood as an attempt to bring the book into conformity with nineteenth century systems of aesthetics historiography and theology and with the Grafian reconstruction of the history of Israel s religion The accord between these systems and Duhm s assumption about poetic form has less to do with their common grasp of the historical reality of Hebrew prophecy than with their common roots in the Romantic theory of prophetic and poetic inspiration a theory forged by Robert Lowth in his exposition 1752 of the poetry he found in the prophetic books Henderson contends that continued adherence to Duhm s foundational assumption has held back recent attempts to move beyond Duhm and overcome the fragmentation of the book entailed by his model Rhetorical critics who maintain that Jeremiah 2 10 is unified by the structural devices of the historical prophet and redaction critics who maintain that Jeremiah 11 20 is unified by the theological agenda of Deuteronomistic editors both rely on the assumed authenticity of the poetry Henderson observes that although these scholars have uncovered evidence of dramatic presentation in Jeremiah 2 20 they have failed to see that the dramatic nature of these chapters undermines their use for Duhm s historical critical projects and reveals what actually unifies them narrative progression **The Bookman's Index** ,1923 **Religious**

thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *The Church Quarterly Review* ,1926
