Ritual Of The Mask:

Ritual of the Mask Jono Ohlgren, 1997-03-01 **Ritual Mask Making** Theresa Walton, AI, 2025-03-29 Ritual Mask Making explores the captivating world of indigenous masks revealing them not merely as artifacts but as vital components of spiritual rituals cultural preservation and governance These masks passed down through generations serve as conduits to the spirit world enabling connections with deities and ancestors in various indigenous cultures Intriguingly masks also function as instruments of social and political order reflecting authority and resolving conflicts thereby challenging Western centric views on art and power The book traces the historical evolution of mask making traditions examining the impact of colonialism and globalization Through ethnographic studies archaeological findings and visual analysis it presents a holistic view of these dynamic expressions of cultural identity By delving into specific case studies across different cultures the book highlights the materials techniques and symbolism inherent in these masks emphasizing their contemporary relevance in promoting cultural revitalization and addressing ethical considerations surrounding their study and display Masks of the Spirit Peter T. Markman, Roberta H. Markman, 1989-01-01 Drawing on secondary works in archaeology art history folklore ethnohistory ethnography and literature the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica Chapters 1 the metaphor of the mask in Pre Columbian Mesoamerica the mask as the God in ritual and as metaphor II metaphoric reflections of the cosmic order and III the metaphor of the mask after the conquest syncretism the Pre Columbian survivals the syncretic compromise and today s masks Over 100 color and black white photos *Ritual Masks* Henry Pernet, 2006-03-01 Ritual masking is an important institution in many traditional societies and has attracted much attention from Western scholars In *Ritual Masks* Pernet provides a thorough survey of masks and masking traditions in Africa Oceania and the Americas based on a close analysis of the literature in several languages Pernet s approach provides him with an opportunity to examine issues of importance to the history of religion and anthropology These include the influence of theory on the interpretation of prehistoric documents androcentrism in anthropology and the history of religions and Western scholarship s recurrent problems in interpreting preliterate or traditional societies **The Handbook of Contemporary Animism** Graham Harvey, 2014-09-11 The Handbook of Contemporary Animism brings together an international team of scholars to examine the full range of animist worldviews and practices The volume opens with an examination of recent approaches to animism This is followed by evaluations of ethnographic cognitive literary performative and material culture approaches as well as advances in activist and indigenous thinking about animism This handbook will be invaluable to students and scholars of Religion Sociology and Anthropology Soul Unmasked , 2005 *Mask* Sharrona Pearl, 2024-05-30 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things From the theater mask and masquerade to the masked criminal and the rise of

facial recognition software masks have long performed as an instrument for the protection and concealment of identity Even as they conceal and protect masks as faces are an extension of the self At the same time they are a part of material culture what are masks made of What traces do they leave behind Acknowledging that that mask wearing has become increasingly weaponized and politicized Sharrona Pearl looks at the politics of the mask exploring how identity itself is read on this object By exploring who we do and do not seek to protect through different forms of masking Sharrona Pearl s long history of masks helps us to better understand what it is we value Object Lessons is published in partnership with an essay series in The Atlantic *Creating Communities* Nourit Melcer-Padon,2018-06-27 How does historical reality interrelate with fiction And how much are readers themselves involved in the workings of fictional literature With innovative interpretations of various well known texts Nourit Melcer Padon introduces the use of literary masks and illustrates literature s engagement of its readers ethical judgement She promotes a new perception of literary theory and of connections between thinkers such as Iser Castoriadis Sartre Jung and Neumann The book offers a unique view on the role of the community in post existentialist modern cultural reality by emphasizing the importance of ritual practices in literature as a cultural manifestation **Masks and Rituals** Dr. Sky ,2013-08-13 The third volume in Dr Sky s inspiring five part SohKiDo series Pathways III and IV Masks and Rituals focuses on two powerful tools for use in therapeutic healing and self discovery SohKiDo a Japanese hybrid word created by Dr Sky essentially means the way of Transpersonal creativity This book explains the third and fourth of its seven pathways Using masks and rituals as therapy can be extremely effective as an alternative to more traditional and clinical methods Using a myriad of discoveries from Dr Sky s own creative and spiritual journey including centuries old Japanese Noh Theater techniques and Finnish lamenting traditions Pathways III and IV Masks and Rituals will inspire you to access the healing power available to us all through SohKiDo and its unique and life changing insights into spirituality and the self

Ritual and the Sacred Massimo Rosati,2016-04-08 Ritual and the Sacred discusses some of the most important issues of modern socio political life through the lens of a neo Durkheimian perspective Building on the main lesson of Durkheim s Elementary Forms of Religious Life this book articulates values and practices common to non Western and religious traditions that have the capacity to shape our modern way of living Central to this volume is the question of modernity and scepticism with regard to mainstream Western wisdom Rosati focuses on the notion of societal self reassessment and self revision illustrating a willingness to learn from primitive societies This reassessment necessitates us to rethink the central roles played by ritual and the sacred as building blocks of social and individual life both of which remain salient features within the modern world This title will be of key interest to sociologists of religion philosophy politics and social theorists
