The River Chief System and An Ecological Initiative for Public Participation in China Yaguang Hao, Tingting Wan, 2023-08-01 This book provides an alternative agenda to deepening the understanding of the River Chief System as a distinctive responsibility approach to solve water pollution and associated governance dilemmas Insightful analysis is performed through in depth studies of the origins of China's River Chief System responsibility mechanisms governmental and civil river chiefs formal and informal water governing institutions public participation empowerment with accountability and the environmental impact *The Work of Poetry* John Hollander, 1997 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations **Japan, Sport and Society** Joseph Maguire, Masayoshi Nakayama, 2004-03 Examines the tension between traditional models of Japanese sport developed over centuries of relative isolation and the forces of modernization and Japanese determination to become a global power **Bulletin** U.S. Lake Survey, 1959 Dark Storm Moving West Barbara Belyea, 2007 The fur trade was the impetus for much of the exploration and discovery of North America The essays in *Dark Storm Moving West* trace three phases of
