Safari 101 Hunting Africa: the Ultimate Adventure David L. Brown, 2012-04-01 Mbogo the Black Death which manifests itself in the African Cape buffalo now stood less than 12 feet away from me The cow and calf were too close for me to have time to be scared I would only have time to react on instinct if they came closer That is the type of excitement that every hunter dreams of and it is still possible in Africa today It is also one that I was fortunate enough to experience without any permanent ill effects Eighty percent or more of American hunters think that Africa is too expensive or off limits and that they will never have a chance to experience their own up close and personal adventure in the African bushveld Safari 101 proves just the opposite Safari 101 is written for the hunter that has always considered Africa out of reach someone who has a spark of desire just waiting to be fanned into a flame American hunters spend thousands of dollars every year hunting at home Almost none of them know that for the price of a guided elk hunt in the western United States they can take an African Safari The myths of being too expensive and too difficult are firmly entrenched in many hunters minds Safari 101 has forty six hints dispersed throughout 11 chapters and proves these myths false Personal experiences are used to illustrate the value of each hint and to make each one easy to remember Safari 101 takes the author's experiences and what he learned from professional hunters and outfitters and puts the information in a logical progression that is entertaining as well as informative Safari 101 will help fan the spark into a flame

there is so very much to see I couldn't imagine how they could get it all into one book but they have done a very good job of it. The organization of the book makes it easy to find just what you want in each area from restaurants and places to stay in all price ranges, tours, camping, information, sources, maps, etc. I especially like the sections called Adventures which have separate categories for on foot, horseback, wheels, water, and snow. This is a guide worth having and nominally priced.

Kings of the Road: The New Ank and Williams Adventure Wayne Kyle Spitzer, 2022-04-29

Ank and Williams The Ank Williams Story A Dinosaur is a Man's Best Friend Flashback Twilight return in an all new adventure which picks up right where Flashback Twilight left off. Join them as they're recruited by an aging king in post-apocalyptic Canada and charged with transporting his daughter across country to Edmonton, a journey fraught with peril including vicious albertosauruses, a 700 pound prehistoric beaver, were raptors, and more. From Kings of the Road we ran even though we were tired. Ank had tossed and turned most of the night which meant of course Gisela had tossed and turned which meant that between his farting and her griping I hadn't slept. A wink past former canola fields and dry pea fields and barley, all of it now overgrown, past Brightview and Wiesenthal to Southfork Landing Leduc where we came upon a car, a bright yellow AMC Pacer if you can believe it, which was headed in the opposite direction. How easy does it I said even as Ank slowed to a crawl and the car pulled alongside. Eh, What sort of kerfuffle is this? The driver looked at Ank disbelievingly. Oat and about with the dinosaur are you? I looked beyond him at the passengers, at the plain but pretty woman seated next to him and two others, a male and a female in their twenties in the back. Meh, tame as a Peep Toe mule I assure you. And completely untouched by the fever. Carries our gear and other things. I paused noticing blood on the door. We're heading up north to Edmonton. To some sort of mall encampment. Anything we should be aware of? The driver's eyes flicked up and down as though noticing me noticing the blood. Din come from there? hung a roger onto Highway 2 from Route 19 at the Petro Pass. So I couldn't really say. He looked at the young woman next to him who seemed markedly ill at ease. I'll do ya a blunt tho, an tell ya if you're look'n for a place to crash that Petro pass is tops. There's still stuff on the shelves, bottled water, toilet paper. Have a safe trip, I said with my hand close to the revolver. Bridge is out near Red Deer. And thanks for the tip. Eh. He looked me up and down again. All right. Have it your way. He glanced through the rearview mirror at the young people who just stared back. Off like newlyweds then. Hooroo. And they went after which Gisela called down. Why so rude? I exchanged knowing glances with Ank. Because they were troubled, you couldn't see it from up there. I watched as they disappeared down the road. The kind you can catch. And then we continued toward Leduc, Nisku, and what I hoped would be our camp for the night. Toward the Petro Pass which I assumed was a kind of Canadian answer to a truck stop.
