Road From Ardoyne:

Belfast '69 Andrew Walsh, 2017-05-17 August 1969 Belfast A campaign for civil rights in Northern Ireland that had begun less than two years previously degenerates into inter communal violence The three days of 13 14 and 15 August changed the course of Northern Irish history by radicalising a whole generation of Catholic youths On the Protestant side the Ulster Volunteer Force UVF revived in 1966 but barely mentioned outside Shankill Road was in full conflict by 1972 How did the events of August 1969 radicalise the emerging youth of both sides of the religious divide How did they drive an otherwise indifferent generation to carry out some of the most heinous crimes in Irish history and become embroiled in the longest period of Irish Troubles to date In Belfast 69 Andrew Walsh uncovers the truth by interviewing many from both sides the young men who joined the numerous armies that sprung up in the wake of that fateful August Illustrations 41 colour photographs Belfast Reflections Aidan Campbell, 2022-04-15 A fascinating collection of merged historic and modern images that reflect the changes in Belfast through the decades Wales, Isle of Man & Ireland, Post 1945 Peter Waller, 2020-01-31 This is the fourth book in a series that covers the history of the tram systems of the British Isles post war It covers the networks in Wales the Isle of Man and Ireland Peter Waller examines the history of the tramways in Ireland Wales and on the Isle of Man With three different legislative frameworks the history of the systems covered are very different from the surviving horse tramway at Douglas on the Isle of Man through to the new Luas system operating in Dublin With an overview that provides the background to all of the tramways that once operated plus the only tramway in the Channel Islands alongside a comprehensive account of those systems that survived after 1945 the book is a fascinating portrait of the changing streetscapes of cities like Belfast and Cardiff as well as the remarkable survivor post war such as the Bessbrook Newry and the Llandudno Colwyn Bay Fully illustrated throughout with mono and colour illustrations many of which have never been published before as well as system maps the book will be of interest to all with a history of trams past and present in the British Isles **Annual Report and Statement of Accounts** Belfast City Tramways, 1924 *Records of the Proceedings and Printed Papers of the Parliament* Australia. Parliament, 1921 **Power, Politics and Territory in the 'New Northern Ireland'** Elizabeth DeYoung, 2023-10-15 Winner of the ACIS Donald Murphy Prize for Distinguished First Book 2023 In the wake of the Good Friday Agreement the redevelopment of the former Girdwood Army Barracks in North Belfast was hailed as a symbol of hope for Northern Ireland It was a major investment in a former conflict zone and an internationally significant peacebuilding project Instead of adhering to the tenets of the Agreement sectarianism dominated the regeneration agenda Throughout the process politicians community groups and paramilitaries wrangled over the site s future and territorial contest won out over housing need After eleven years of negotiation and 11 7 million the EU funded Girdwood Community Hub opened its doors to the public in 2016 but its impact has been underwhelming The Hub s redevelopment is a microcosm of the peace process itself and the ways in which post Agreement politics have failed to deliver

a shared future for the people of Northern Ireland twenty five years on This ethnography provides a lively account of Girdwood s redevelopment and a wry critique of the fractious political context around it Through fl nerie and encounter the author brings us across peace walls into community meetings and behind the scenes of decision making in Northern Ireland Girdwood s story also sheds light on how power politics and territory intersect in divided cities globally Irish Builder and Engineer ,1925

Bloody Belfast Ken Wharton,2011-11-08 Former soldier Ken Wharton witnessed the troubles in Northern Ireland first hand Bloody Belfast is a fascinating oral history given a chilling insight into the killing grounds of Belfast s streets Wharton s work is based on first hand accounts from the soldiers The reader can walk the darkened dangerous streets of the Lower Falls the Divis Flats and New Lodge alongside the soldiers who braved the hate filled mobs on the newer but no less violent streets of the Murph Turf Lodge and Andersonstown The author has interviewed UDR soldier Glen Espie who survived being ambushed and shot by the IRA not once but twice and Army Dog Handler Dougie Durrant who through the incredible ability of his dog tracked an IRA gunman fresh from the murder of a soldier to where he was sitting in a hot bath in the Turf Lodge desperately trying to wash away the forensic evidence Wharton s reputation for honesty established from previous works has encouraged more former soldiers of Britain s forgotten army to come forward to tell their stories of Bloody Belfast The book continues the story of his previous work presenting the truth about a conflict which has sometimes been deliberately underplayed by the Establishment Refugees and Forced Displacement in Northern Ireland's Troubles Niall Gilmartin,Brendan Ciarán Browne,2022-10-15 Though forced displacement constituted a central and pervasive feature of the Northern Ireland Troubles effecting tens of thousands of citizens remarkably it has been afforded little more than a footnote or fleeting reference in most accounts of the conflict This book seeks to end the silence surrounding this neglected and ubiquitous aspect of the conflict Based on 88 in depth qualitative interviews with victims and survivors and extensive secondary research this fascinating study provides the first comprehensive examination of forced displacement in Northern Ireland The analysis presented captures the unique perspectives of those forcibly uprooted over the course of the 30 year conflict and places on historical record their stories and experiences This thought provoking work challenges and broadens prevailing understandings of conflict related violence harm and loss in Northern Ireland to demonstrate the centrality of forced movement territory and demographics to the roots and subsequent trajectory of the Troubles In doing so it shows that to fully understand the eruption and outplaying of the Troubles and its elusive peace engagement with and understanding of the legacy of forced displacement is crucial Betrayal Stewart Binns,2018-02-08 Brilliant An explosive thriller with true authenticity Tom Marcus bestselling author of Soldier Spy January 1981 They re undercover in Belfast Determined to put an end to a war But in doing so who will they betray Jim Dowd and Maureen O Brien special forces soldiers enter a bitterly divided Belfast with a mission to go undercover infiltrate one of the city s most dangerous Catholic neighbourhoods and help change the course of a war that nobody is winning The Ardoyne is a perilous

world where even a hint of their true identities will prove fatal But it is also full of courage and loyalty and Jim realises he admires this community and his guilt at their deception grows ever stronger When they receive shocking orders Maureen knows they must act swiftly and ruthlessly but can she rely on Jim And if they rebel are they betraying their country or are they being betrayed Stunningly realistic A must read for anyone who cares about the history of our islands Nick Hower
