The Road to the Isles L. M. H. Smith, 1983 *Order and Partialities* Kostas Myrsiades, Jerry McGuire, 1995-08-31 *Order and Partialities* explores the complex and problematic relations among postcolonial literatures and theories the people who teach them at the university level and the institutions in which they are taught Each essay traces a path through these relations yet each also comments on the fundamental paradox and contradiction within which these relations operate that they must engage with the powerful labyrinthine apparatus of Western cultural hegemony a set of systematic interpretative procedures corresponding to and in service of a regime of ideological expectations and its institutional representatives in order to disengage themselves from its operations There is no way to teach these relations without entering oneself into the entanglements of postcolonial power *Encyclopaedia of the Magic Lantern* David Robinson, Stephen Herbert, Richard Crangle, 2001 **Imagining Scotland** John R. Gold, Margaret M. Gold, 1995 Every year thousands of tourists are drawn to Scotland by images of pipers and fairy tale castles Highland games and haggis misty glens and heather and despite widespread disparagement that imagery is still as carefully nurtured by indigenous tourist agencies as by the international tourist industry This illustrated text looks at the portrayal of Scotland in tourist promotional literature from the mid eighteenth century to the present day with illustrations drawn from many parts of continental Europe and North America After providing an analytical framework for the interpretation of tourist promotional imagery the early chapters focus on the all important creation of the Highland myth through the reports of eighteenth and nineteenth century travellers its enhancement as tourism grew from 1850 onwards completely belying the contemporary reality of the Highland clearances and its apotheosis in the film maker s art Subsequent chapters turn to the selling of urban Scotland looking at the long standing marketing of Edinburgh and more recent attempts to sell Glasgow as a cultural centre Discovery and Excavation, Scotland , 1983 **Victorian Britain Through the Magic Lantern** Stephen Humphries, 1989 **Candie for the Foundling** Anne Gordon, 1992 Chronicles the social impact made by the Kirk sessions on the lives of ordinary people **British Books in Print** , 1985 Bibliography of Scotland , 1984 **News Sheet- Scottish Library Association** Scottish Library Association, 1983
