Robert C. Sibley

Road To The Stars:

The Road to the Stars Iain Nicolson, 1978 **Window To The Stars** Tuck Perrelli, 2009-01-30 The life of a seemingly ordinary man is turned upside down by the events that transpire after a freak accident He happens across a device of unknown origin that possesses abilities that endow the owner to defy the laws of nature and the known universe Part one of a series that follows the dramatic challenges in the main character's belief system about the universe humanity's origins and nearly every aspect of normality This story promises to entertain you with a blend of sci fi action and drama romance and comedy and a little spirituality and metaphysics to boot The action is heart thumping and the drama is engrossing **To The Stars** Umberto Cavallaro, 2023-05-23 This book is the second edition of Women Spacefarers and tells the fascinating stories of the valiant women who broke down barriers to join the space program Beginning with the orbital flight of USSR cosmonaut Valentina Tereshkova in 1963 and continuing to the present day it covers the many female players who have had a central role in the greatest adventure of our time The book includes the biographies of and in some cases interviews with the brave women who have flown in space For each entry the author contextualizes the spacefarer's accomplishments in light of the political and cultural climate of the time The second edition features fifteen additional profiles on figures such as Jessica Meir and Wally Funk new interview material a new thematic structure based on each woman's science specialty and role an expanded glossary and more The result is a gallery of pioneering women who reached for the stars women who with exceptional skill hard work and dedication reached impressive careers as accomplished pilots researchers engineers and managers and left a legacy of strength for all aspiring spacefarers The Way of the Stars Robert C. Sibley, 2012-10-02 Since medieval times pilgrimages have been a popular religious or spiritual undertaking Even today between seventy and one hundred million people a year make pilgrimages if not for expressly religious reasons then for an alternative to secular goals and the preoccupation with consumption and entertainment characteristic of contemporary life In The Way of the Stars the journalist Robert Sibley motivated at least in part by his own sense of discontent recounts his walks on one of the most well known pilgrimages in the Western world the Camino de Santiago A medieval route that crosses northern Spain and leads to the town of Santiago de Compostela the Camino has for hundreds of years provided for pilgrims the practice the place and the circumstances that allow for spiritual rejuvenation reflection and introspection Sibley who made the five hundred mile trek twice initially on his own and then eight years later with his son offers a personal narrative not only of the outward journey of a pilgrim's experience on the road to Santiago but also of the inward journey afforded by an interlude of solitude and a respite from the daily demands of ordinary life The month long trip put the author on a path through his own memories dreams and self perceptions as well as through the sights and sounds the tastes and sensations of the Camino itself **To the Stars Over Rough Roads** Donald Frederick Nelson, 2008 *Hal Wallis: Producer to the Stars* Bernard F. Dick, 2004 Few ships in American history have had as illustrious a history as the heavy cruiser USS Portland CA 33 affectionately known

by her crew as Sweet Pea With the destruction of most of the U S battleship fleet at Pearl Harbor cruisers such as Sweet Pea carried the biggest guns the Navy possessed for nearly a year after the start of World War II Sweet Pea at War describes in harrowing detail how Portland and her sisters protected the precious carriers and held the line against overwhelming Japanese naval strength Portland was instrumental in the dramatic American victories at the Battle of the Coral Sea the Battle of Midway and the naval battle of Guadalcanal conflicts that historians regard as turning points in the Pacific war She rescued nearly three thousand sailors from sunken ships some of them while she herself was badly damaged Only a colossal hurricane ended her career but she sailed home from that too Based on extensive research in official documents and interviews with members of the ship s crew Sweet Pea at War recounts from launching to scrapping the history of USS Portland demonstrating that she deserves to be remembered as one of the most important ships in U S naval history [Heir to the Stars](#) Lionel Suggs,2012-01-09 Who will be the Heir to the Stars What are the Limits to Power Who is the Chaos Queen What is the meaning behind the Spades Every story has a prelude and every game has a name This is the Overture story the prelude to the Heir to the Stars series It is also the conclusion of the Heir to the Stars Heir to the Stars Side Stories Heir to the Stars II Dynamis Pra Swan Song and All World **Look to the Stars** Buzz Aldrin,2009-05-14 Buzz Aldrin takes readers on a journey through the history of space exploration As one of a handful of astronauts to have walked on the moon Buzz Aldrin has a unique perspective of space And he serves as an amazing guide as he introduces us to the pioneers of space From Copernicus to the Wright brothers from the Apollo program to dreams of future travel he reminds us that mankind has always looked to the stars Buzz s informative kid friendly text is paired with beautifully detailed illustrations by renowned illustrator Wendell Minor and offers the perfect introduction to everything space related including the development of the first rockets America s space race with Russia details of all the Apollo missions and the space station Aldrin and Minor collaborated on the bestselling Reaching for the Moon and now they reach beyond that book to give young readers a concise look at the whole history of space exploration Each spread provides a wonderful jumping off point for young readers and will no doubt inspire them to look to the stars themselves [The Stars of Ballymenone, New Edition](#) Henry Glassie,2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance

in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life *Endlessness of the Stars* Dale Boynton, 2013-05-24 In a rural farming town in Saskatchewan two teenagers have been engaged in a dance of flirtation for quite some time Michelle a ninth grader is the epitome of the girl next door Landon a senior is an all around good guy who also happens to be a star athlete But just as their relationship moves to the next step Landon is killed in a tragic car crash As the families and community attempt to deal with the loss of Landon Michelle seeks solace with a group of her friends While sharing memories the teenagers search for answers as to why their seemingly perfect world has suddenly been turned upside down As Michelle quietly listens to their stories she wonders how she will ever live without Landon her protector and friend Every place she visits and everything she touches reminds her of good times As she courageously attempts to work through her grief Landons family embarks on their own journey through heartache all while wondering how they too will ever go on Endlessness of the Stars is the poignant story of love loss and hope as a community is forever altered after one of their own is taken from them forever
