Oswiu: King of Kings Edoardo Albert, 2016-05-19 Edoardo Albert s book is brilliant hugely enjoyable a galloping plot with characters I care about exactly the sort of thing I love to read This was a joy to read from start to finish Conn Iggulden author of the Conqueror and Emperor series Oswald s head is on a spike Can Oswiu avoid the same fate The great pagan king Penda set a trap and when the brothers Oswiu and Oswald walked in only one came back alive Rumours abound that the place where Oswald s body is strung up has become sacred ground a site of healing for those who seek it Oswald s mother believes he will protect those he loves even beyond the grave So she asks the impossible of Oswiu to journey to the heart of Penda s kingdom and rescue the body that was stolen from them Oswiu King of Kings is the masterful conclusion to The Northumbrian Thrones trilogy

The King's Road Xin Wen, 2024-12-17 An exciting and richly detailed new history of the Silk Road that tells how it became more important as a route for diplomacy than for trade The King s Road offers a new interpretation of the history of the Silk Road emphasizing its importance as a diplomatic route rather than a commercial one Tracing the arduous journeys of diplomatic envoys Xin Wen presents a rich social history of long distance travel that played out in deserts post stations palaces and polo fields The book tells the story of the everyday lives of diplomatic travelers on the Silk Road what they ate and drank the gifts they carried and the animals that accompanied them and how they navigated a complex web of geographic cultural and linguistic boundaries It also describes the risks and dangers envoys faced along the way from financial catastrophe to robbery and murder Using documents unearthed from the famous Dunhuang library cave in Western China The King s Road paints a detailed picture of the intricate network of trans Eurasian transportation and communication routes that was established

between 850 and 1000 CE By exploring the motivations of the kings who dispatched envoys along the Silk Road and describing the transformative social and economic effects of their journeys the book reveals the inner workings of an interstate network distinct from the Sino centric tributary system In shifting the narrative of the Silk Road from the transport of commodities to the exchange of diplomatic gifts and personnel The King s Road puts the history of Eastern Eurasia in a new light

Our Unity Is In The King Of Kings Molly Sutherland,2015-09-09 Each of us has a destiny designed by God to fulfill I believe God is calling His Church to unity It is time that we prepare the ground for the Holy Spirit to fulfill Christ s prayer before He went to the cross Father may they be one just as You and I are One John 17 20 23 Jesus gave us a commandment that we love one another as He does Isn t it time we obeyed this command so that the walls of separation could fall The world needs to see us love as Jesus does so it can trust what we say Could we be the generation known by our love This book suggests ways in which God is asking us to prepare the ground for Jesus prayer to be fulfilled UNITY It will come through love for God is love and He is one

Tales of Kings and Queens ,1861 **The End of Kings** William R. Everdell,2000-04-15 Written in clear lively prose The End of Kings traces the history of republican governments and the key figures that are united by the simple republican maxim No man shall rule alone Breathtaking in its scope Everdell s book moves from the Hebrew Bible Solon s Athens and Brutus s Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned Along the way he carefully builds a definition of republic which distinguishes democratic republics from aristocratic ones for both history and political science In a new foreword Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes Ultimately Everdell s brilliant analysis helps us understand how examining the past can shed light on the present An energetic aphoristic wide ranging book Marcus Cunliffe Washington Post Book World Ambitious in conception and presented in a clear and sprightly prose This excellent study is the best statement of the republican faith since Alphonse Aulard s essays almost a century ago Choice A book which ought to be in the hand of every American who agrees with Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it Sam J Ervin Jr
