Courts and Power in Latin America and Africa B. Wilson,S. Gloppen,R. Gargarella,Morten Kinander,E. Skaar,2016-04-30 Why do courts hold political power holders accountable in some democratic and democratizing countries but not in others And why do some courts remain very timid while others under seemingly similar circumstances become hyper active This is valuable contribution to the ongoing debate over the issue of democratic accountability **Resources**
Survey for Latin American Countries United States. Bureau of Educational and Cultural Affairs,1966 **Belt and Road Initiative in South America** Lunting Wu,2024-07-12 This book is concerned with the varying responses of South American countries to the Belt and Road Initiative BRI Since Beijing launched the Belt and Road Initiative in 2013 3/4 of countries in the world have engaged with China's arrangement of promoting global physical and digital connectivity This still leaves a quarter of them that have refused China's offer so far or withdrawn How do we account for why countries chose to join the

BRI while others do not Research on South American countries responses to the BRI is scant but the topic is pertinent While the great power competition and systemic rivalry have spoiled the appetite of European countries to intensify their ties with China many developing countries seem to be rather interested This book will interest scholars of international political economy geopolitics foreign policy and international development **Motor Roads in Latin America** Frank Bernard Curran,1925 **Mao's Road to Power** Nancy Hearst,Joseph Fewsmith,2023-02-07 The series Mao's Road to Power consisting of translations of Mao Zedong's writings from 1912 to 1949 provides abundant documentation in his own words on his life and thought as well as developments in China during the pre 1949 period This final volume in the series Volume 10 covers the period from the Chinese Communist Party's Strategic Offense during the Civil War to the Establishment of the People's Republic of China July 1947 to October 1949
