Robert Browning And His World Two Robert Brownings 1861 1889:

Robert Browning and His World Maisie Ward,1969 **Robert Browning and His World** Maisie Ward, *Robert Browning and His World* Maisie Ward,1969 *Browning's Later Poetry, 1871-1889* Clyde de L. Ryals,2019-06-30

Maintaining that Browning's later work has been underestimated Professor Ryals gives close sophisticated readings of the individual poems covering each of the published volumes from *Balaustion's Adventure through Asolando*. He emphasizes the overall structure of a poem and the manner in which themes and ideas are presented. The later Browning is portrayed as a poet intent upon discovering forms that would give shape and meaning to thought and experience **Robert Browning and His World: Two Robert Brownings? 1861-1889** Maisie Ward,1967 *Robert Browning* Stefan Hawlin,2012-09-10

Accessibly written throughout this guidebook covers biographical details information on the historical and social contexts of Browning's work an overview of the full range of his work and a survey of the major critical debates surrounding him and his work Robert Browning's Asolando Richard S. Kennedy,1993 Originating in a series of lectures he gave at the New York Browning Society in the spring of 1990 Kennedy's English emeritus Temple U study fuses biography and critical commentary to provide an account of Browning's 1812-1889 last years and his last volume of poems Annotation copyright by Book News Inc Portland OR Elizabeth Barrett Browning Dorothy Mermin,1989-06-15 Elizabeth Barrett Browning 1806-61 was the first major woman poet in the English literary tradition. Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies. Dorothy Mermin's critical and biographical study argues for Barrett Browning's originaive role in both the Victorian poetic tradition and the development of women's literature. Barrett Browning's place at the wellhead of a new female tradition remains the single most important fact about her in terms of literary history and it was central to her self consciousness as a poet. Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote. Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works *Sonnets from the Portuguese*, *Aurora Leigh* her best political poems *A Musical Instrument* difficulty is turned into triumph incorporating the author's femininity her situation as a woman poet and her increasingly substantial fame. Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art. Both her personal and her literary achievements are exceptionally well documented especially for her formative years. Mermin makes extensive use of the poet's early essays a diary covering most of her twenty-sixth year and the enormous number of letters that have survived. Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period English literature and women's studies **Reading Henry James** George Monteiro,2016-04-27 Henry James 1843-1916 has

been championed as an historian of social conscience and attacked as a spokesman for social privilege His Americanness has been questioned by nativists and defended by Brahmins Critics took issue with his lucidly complex style It s not that he bites off more than he can chew but that he chews more than he bites off a contemporary complained Although he was an acknowledged master in his final years James narrow readership has dwindled in the century since his death This book examines allusions sources and affinities in James vast body of work to interpret his literary intentions Chapters provide close analysis of Daisy Miller The American The Beast in the Jungle and The Wings of the Dove His fascination with poet Robert Browning is discussed along with his complicated relationship with Marian Clover Adams and her husband Henry who was the author of The Education of Henry Adams Instructors considering this book for use in a course may request an examination copy here *The Brownings* Joanna Richardson,1986
