J. Mander, 2011-05-12 W J Mander presents the first ever synoptic history of British Idealism the philosophical school which dominated English language philosophy from the 1860s through to the early years of the following century Offering detailed examination of the origins growth development and decline of this mode of thinking *British Idealism A History* restores to its proper place this now almost wholly forgotten period of philosophical history Through clear explanation of its characteristic concepts and doctrines and paying close attention to the published works of its philosophers the volume provides a full length history of this vital school for those wishing to fill a gap in their knowledge of the history of British Philosophy while its detailed notes and bibliography will guide the more dedicated scholar who wishes to examine further their distinctive brand of philosophy By covering all major philosophers involved in the movement not merely the most famous ones like Bradley Green McTaggart and Bosanquet but the lesser known figures like the Caird brothers Henry Jones A S Pringle Pattison and R B Haldane and by looking at all branches of philosophy not just the familiar topics of ethics political thought and metaphysics but also the less well documented work on logic religion aesthetics and the history of philosophy *British Idealism A History* brings out the movement's complex living pattern of unity and difference something which other more superficial accounts have tended to obscure *A Concordance to the Poems of Robert Browning* , **The Aesthetics of Robert Browning** Jane Fowler Daly, 1960 [Selections from the Poems and Plays of Robert Browning](#) Robert Browning, 1919 **The Arena** Benjamin Orange Flower, John Clark Ridpath, Paul Tyner, John Emery McLean, Neuville O.
