Relembrando-A Velha Literatura de Cordel e a Voz dos Poetas Mark J. Curran,2014-09-24 Relembrando A Velha Literatura de Cordel e a Voz dos Poetas really contains three important studies on the cordel 1 the revision and translation of Curran s PhD dissertation from 1968 2 the augmentation of one of the chapters of the dissertation treating Brazil s best known and pioneering poet Leandro Gomes de Barros 3 the publication of a now historic series of interviews with forty cordel poets and publishers in the late 1970s Curran dedicates much time and energy to this endeavor because he believes the researches were little known in their original form and more importantly with the passage of time and the evolution of the cordel and Brazil in general they now remain as historic documents in Brazil s national cultural history *Veja* ,2007
