Roman Art And Imperial Policy:

Roman Art and Imperial Policy Niels Hannestad, 1986 Translation of *Romersk kunst som propaganda* **Roman art and imperial policy** Niels Hannestad, 1982 *Roman Art and Imperial Policy*, 1986 **Roman Art and Imperial Policy**, 1989

The Roman Empire Colin Michael Wells, 1995 This sweeping history of the Roman Empire from 44 BC to AD 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in Italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other Colin Wells's vivid account is now available in an up to date second edition

Caesar Rules Olivier Hekster, 2022-12-08 A riveting portrayal of what the inhabitants of the Roman Empire expected of their ruler and their feelings about him **The Lure of the Arena** Garrett G. Fagan, 2011-02-17 Were the Romans who

watched brutal gladiatorial games all that different from us This book argues they were not **Housing the New Romans** Katharine T. von Stackelberg, Elizabeth Macaulay-Lewis, 2017-06-01 In the last twenty years reception studies have significantly enhanced our understanding of the ways in which Classics has shaped modern Western culture but very little attention has been directed toward the reception of classical architecture *Housing the New Romans Architectural Reception and Classical Style in the Modern World* addresses this gap by investigating ways in which appropriation and allusion facilitated the reception of Classical Greece and Rome through the requisition and redeployment of classicizing tropes to create neo Antique sites of dwelling in the 19th and early 20th centuries The volume across nine essays will cover both European and American iterations of place making including Sir John Soanes house in London the Hotel de Beauharnais in Paris and the Getty Villa in California By focusing on structures and places that are oriented towards private life houses hotels clubs tombs and gardens the volume directs the critical gaze towards diverse and complex sites of curatorial self fashioning The goal of the volume is to provide a multiplicity of interpretative frameworks e.g. object agency enchantment hyperreality memory infrastructure that may be applied to the study of architectural reception This critical approach makes *Housing the New Romans* the first work of its kind in the emerging field of architectural and landscape reception studies and in the hitherto textually dominated field of classical reception *Mapping Gender in Ancient Religious Discourses* Todd C.

Penner, Caroline Vander Stichele, 2007 A collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era **Acts of the Apostles and the Rhetoric of Roman**

Imperialism Drew W. Billings, 2017-07-25 Billings demonstrates that Acts was written in conformity with broader representational trends found on imperial monuments and in the epigraphic record of the early second century

Numismatics and Greek Lexicography Michael P. Theophilos, 2019-11-28 Michael P Theophilos explores the fascinating variety of numismatic contributions to Greek lexicography pertaining to lexicographic studies of the Second Temple period in

general and the New Testament in particular Theophilus considers previous scholarly attempts to grapple with and incorporate critical numismatic material into the emerging discipline of Greek lexicography including foundational work by F Preisigke and E Kiessling before outlining his own methodological approach Theophilus then examines the resources available for engaging with the numismatic material and presents a series of specific case studies throughout the New Testament material His carefully annotated images of coins draw readers in to a greater understanding of the material culture of the Greco Roman world and how this impacted upon the Greek language and the New Testament *The First Urban Churches 3* James R. Harrison, L. L. Welborn, 2018-02-23 Investigate the challenges threats and opportunities experienced by the early church in Ephesus The third installment of The First Urban Churches focuses on the urban context of Christian churches in first century Ephesus As with previous volumes contributors illustrate how an investigation of the material evidence will help readers understand properly the challenges threats and opportunities that the early Ephesian believers faced in that city Brad Bitner James R Harrison Michael Haxby Fredrick J Long Guy M Rogers Michael Theophilus Paul Trebilco and Stephan Witetschek demonstrate decisively the difference that such an approach makes in grappling with the meaning and context of the New Testament writings particularly Ephesians Acts and Revelation Features Analysis of urban evidence of the inscriptions papyri archaeological remains coins and iconography Proposed reconstructions of the past and its social religious and political significance A nuanced informed portrait of ancient urban life in Ephesus **The Religious Aspects of War in the Ancient Near East, Greece, and Rome** Krzysztof Ulanowski, 2016-07-11 The Religious Aspect of Warfare in the Ancient Near East Greece and Rome is a volume dedicated to investigating the relationship between religion and war in antiquity in minute detail The nineteen chapters are divided into three groups the ancient Near East Greece and Rome They are presented in turn and all possible aspects of warfare and its religious connections are investigated The contributors focus on the theology of war the role of priests in warfare natural phenomena as signs for military activity cruelty piety the divinity of humans in specific martial cases rituals of war iconographical representations and symbols of war and even the archaeology of war As editor Krzysztof Ulanowski invited both well known specialists such as Robert Parker Nicholas Sekunda and Pietro Mander to contribute as well as many young talented scholars with fresh ideas From this polyphony of voices perspectives and opinions emerges a diverse but coherent representation of the complex relationship between religion and war in antiquity An Introduction to the Ancient World Lukas de Blois, R.J. van der Spek, 2008-10-24 Integrating the results of scholarly work from the past decade the authors of An Introduction to the Ancient World Lukas de Blois and R.J. van der Spek have fully updated and revised all sixteen chapters of this best selling introductory textbook Covering the history and culture of the ancient Near East Greece and Rome within the framework of a short narrative history of events this book offers an easily readable integrated overview for students of history classics archaeology and philosophy whether at college at undergraduate level or among the wider reading public This revised

second edition offers a new section on early Christianity and more specific information on the religions economies and societies of the ancient Near East There is extended coverage of Greek Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic The consequences of Julius Caesar s violent death are covered in more detail as are the history and society of Imperial Rome This new edition is comprehensive covers 3 000 years of ancient history and provides the basis for a typical one semester course lavishly illustrated contains maps line drawings and plates to support and supplement the text with updated captions clearly and concisely written two established and respected university teachers with thirty years experience in the subject areas well organized traces the broad outline of political history but also concentrates on particular topics user friendly includes chapter menus an extensive and expanded bibliography organized by subject area and three appendices an improved introduction and the addition of an epilogue

Y Max Ostrovsky,2007 Combining history archaeology sociology political science and agricultural studies Y Arctg X The Hyperbola of the World Order presents a theory claiming that any political system with a firm agricultural foundation is pre destined to reach political unity and turn this state into the norm Using the circumscription theory the idea that the phenomenon of political unification was most explicit in areas of the world where agricultural land was in short supply and exhaustive historical evidence this timely work proposes the emergence of a single world state

Introduction to the New Testament Helmut Koester,1995 **History, Culture, and Religion of the Hellenistic Age** Helmut Koester,2012-10-25 While the first American edition of this book published more than a decade ago was a revised translation of the German book Einf hrung in das Neue Testament this second edition of the first volume of the Introduction to the New Testament is no longer dependent upon a previously published German work The author hopes that for the student of the New Testament it is a useful introduction into the many complex aspects of the political cultural and religious developments that characterized the world in which early Christianity arose and by which the New Testament and other early Christian writings were shaped

The Antonine Constitution Alex Imrie,2018-05-29 In The Antonine Constitution Alex Imrie approaches the famous edict of AD 212 from numerous angles offering an assessment of its rationale that is rooted in the dynamic period of the early third century Controversial since its discovery it is depicted here as a keystone in Caracalla s attempt to revolutionise the public image of the Severan dynasty after murdering his brother There is an inherent paradox between the apparently progressive nature of the edict and the volatile emperor responsible for it The enigma is only heightened by a dearth of ancient evidence relating to the legislation By combining literary and material evidence with the surviving papyrological record Alex Imrie shows that Caracalla s rationale is best understood in an embedded context

Ancient Greece and Rome Keith Hopwood,1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament s New Model Army from 1645 to1650 Although Fairfax emerged as England s most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book

combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax s relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally
