Allen Jr.,2013-03-20 Roman Catholicism stands at a crossroads a classic best of times worst of times moment On the one hand the Catholic Church remains by far the largest branch of the worldwide Christian family and is growing at a remarkable clip Yet the Church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the Church hierarchy The decade long crisis has taken a massive financial toll but the blow to both the internal morale and the external moral standing of the Church has been even steeper Today the Church has enormous residual strength and exciting future prospects but also faces steep internal and external challenges The question of whether Catholicism is of vital public relevance for believers and non believers alike In *The Catholic Church What Everyone Needs to Know* John L Allen Jr one of the world s leading authorities on the Vatican offers an authoritative and accessible guide to the past present and future of the Church What Everyone Needs to Know is a registered trademark of Oxford University Press *Fast Facts on Roman Catholicism* John Ankerberg,John Weldon,2011-06-21 What do Catholics mean when they use the words salvation justification What special role does Mary have in the church What about the Pope Does the Catholic Tradition add to God s Word How do official Church teachings affect Catholics day to day lives In their helpful question answer style noted researchers John Ankerberg John Weldon lead you through these other key issues This straightforward practical guide will help you comprehend one of the world s most prominent religious institutions the beliefs of friends family members who belong to it in light of the clear teaching of the Bible **Loving Roman Catholics Well** Larry E Miller,2022-09-30 Many self professed evangelicals believe most Roman Catholics are saved and are brothers and sisters in Christ But is that really true The answer must be found by comparing the official Roman Catholic way of salvation to the way defined and described in the authoritative Holy Scriptures To this day their official viewpoint regarding the way of salvation is that stated in the Council of Trent 1545 1563 written to correct the heresies of the Protestants Many evangelicals are surprised even stunned when they learn about the official Roman Catholic way of salvation The author summarizes this official view focusing on the issues of authority sacramentalism justification grace and faith Based on his years of pastoral experience in a predominant Roman Catholic culture the author is convinced that most Catholics believe in the official version of how they are to be saved With loving sensitivity and concern the author affirms that most of them are likely not saved Therefore we must move toward lovingly and effectively evangelizing them *The Roman Catholics* Patrick W. Why I Am Not a Roman Catholic Jerry L. Walls,2025-03-18 Anyone in the Christian church today who is paying attention knows that Roman Catholics are on the march to win converts But what may be surprising is that many of the persons targeted for conversion are not unbelievers and secularists but rather Christians in other traditions particularly evangelical Protestants Those involved in this mission are themselves often converts from evangelical churches and they are zealous to welcome other believers home to the Church of Rome This book provides a variety of reasons to think twice before taking the plunge and swimming the Tiber Among them are some historical considerations that are often ignored or even suppressed by the zealous evangelists for Rome There are also dubious claims by John Henry Newman the famous nineteenth century convert that are often advanced without sufficient critical scrutiny Moreover converts not infrequently take on the role of amateur theologians and advance highly simplistic claims about a variety of theological matters in popular books that are remarkably successful in terms of sales and publicity This volume examines these and other similar claims and subjects them to the critical analysis they demand

The Resurrection of the Roman Catholic Church Griff Ruby,2002 For nearly twenty centuries the Roman Catholic Church withstood all the currents of change and history and maintained a closely guarded orthodoxy which has always served as the basis and center of all Christianity Yet it is as if all of that has been just arbitrarily swept away in the few years since Vatican II Given what the Church has always taught about itself being indefectible how could this have happened Did that Council have something to do with that terrible loss of faith Can the real Catholicism be found today and if so where The shocking answer to this once seen and truly understood is as every bit as glorious as the original resurrection of Christ Himself a tremendous source of faith and inspiration It is a broad based longstanding miracle passing right before our eyes have we but the Grace to see it for what it is

Catholicism Gerald O'Collins, 2017-05-18 Despite a long history of external threats and internal strife the Roman Catholic Church remains a vast and influential presence in our modern world But what were its origins and how has it changed and adapted over the centuries After Pope Benedict XVI dramatically resigned in early 2013 the first Pope to resign since the fifteenth century and Pope Francis was elected many wondered what direction he would lead the Church in and whether the Church could modernise in the face of the demands of our world In this Very Short Introduction Gerald O Collins covers the history of the Catholic Church and considers some of the key issues facing Catholicism today such as the catastrophic revelations about clerical child abuse the impact of the growth of Islam and the destruction in the Middle East of ancient Christian church communities He also shows how Catholics are being increasingly challenged by an opposition between their traditional Christian values and rights which are endorsed by the secular world such as the right to physician assisted suicide or same sex marriage and considers the future for the largest and oldest institution in the world
