## **Roman Society And Roman Law In The New Testament:**

*Roman Society and Roman Law in the New Testament* A. N. Sherwin-White, 2004-06-30 Originally the Sarum Lectures delivered at the University of Oxford in 1960-61 this volume deals with the Hellenistic and Roman setting and especially the legal administrative and municipal background of the Acts of the Apostles and the synoptic gospels Sherwin White someone from the Roman side as he described himself brings his knowledge of Roman public law and administration and of city life in the eastern provinces to bear on these aspects of New Testament history The first three lectures concern the trials of Jesus and of Paul in Jerusalem addressing questions of the powers of Roman governors and the nature of their jurisdiction Topics of the remaining lectures include the rights of Roman citizenship the trial of Paul in Rome and differences between the Galilean narrative and the Graeco Roman world of the Acts *Roman Society and Roman Law in the New Testament* Adrian Nicholas Sherwin-White, 1963 *Roman Society and Roman Law in the New Testament* Adrian Nicholas Sherwin-White, 1965 **Backgrounds of Early Christianity** Everett Ferguson, 2003 New to this expanded updated edition are revisions of Ferguson's original material updated bibliographies a fresh discussion of first century social life the Dead Sea Scrolls much else **Roman Society and Roman Law in the New Testament. The Sarum Lectures, 1960-61** Adrian Nicholas Sherwin White, 1963 *The Cambridge Companion to Roman Law* David Johnston, 2015-02-16 This book reflects the wide range of current scholarship on Roman law The essays newly commissioned for this volume cover the sources of evidence for classical Roman law the elements of private law as well as criminal and public law and the second life of Roman law in Byzantium in civil and canon law and in political discourse from AD 1100 to the present Roman law nowadays is studied in many different ways which is reflected in the diversity of approaches in the essays Some focus on how the law evolved in ancient Rome others on its place in the daily life of the Roman citizen still others on how Roman legal concepts and doctrines have been deployed through the ages All of them are responses to one and the same thing the sheer intellectual vitality of Roman law which has secured its place as a central element in the intellectual tradition and history of the West *Under Investigation* Kathryn V. Camp D. Min., 2019-05-23 For centuries now the vast majority of the Christian population in the West has been locked into the mindset that believing in a Creator God is a matter of faith and emotions as opposed to clear and rational thought and that faith should be kept in the private realm *Under Investigation* aims at dispelling this oppressive way of thinking This is a workbook that will arm Christians with scientific truths written in plain language Its goal is to target the integrity of the New Testament using scholarly historical and literary scientific findings Knowledge is power and in the quest for absolute Truth this workbook will guide the student to an educated understanding of both who the God depicted in the Bible truly is and who He is not **An Exegetical Bibliography of the New Testament: Matthew and Mark** Günter Wagner, 1983 Library has v 1 3 *Humanities*, 1970 **Did Jesus Rise From the Dead?** Gary R. Habermas, Antony Flew, Terry L. Miethe, 2003-12-04 This is the most important question regarding the claims of the

Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ *Studies in the New Testament, Volume 4: Midrash, the Composition of Gospels, and Discipline* J.D.M. Derrett, 2023-10-09 Humanities National Endowment for the Humanities, 1973 **Why People Stop Believing** Paul Chamberlain, 2018-01-12 This book addresses a growing need in apologetic literature It is a response to the growing wave of Christian leaders who are rejecting Christianity and becoming some of its most ardent critics often supported by a plethora of new organizations arising to encourage such people to cut ties to their faith This is a new challenge from a different breed of critics who are using their instant credibility and insider s knowledge of theology the Bible church history even apologetics to debunk the faith they once believed and promoted They have taken aim at the foundations of Christianity including God the Scriptures miracles and the supernatural and Christianity s perceived inherent prohibition on free enquiry Readers will be introduced to arguments against Christianity by these critics which they claim compelled them to leave followed by responses that use examples questions and nontechnical language to make the reasoning accessible Every issue addressed has been raised by a former Christian leader and special attention has been paid to their precise formulations The book makes the case that however convincing the critics arguments may appear at first glance further analysis reveals them to be weaker than they appear and in many cases entirely unpersuasive **The Realia Jesus** David A. Fiensy, 2024-06-13 Where was Golgotha Was Peter s house in Capernaum Was Mary from the town of Magdala Where was Bethsaida We ve all heard the arguments but what do the archaeological finds tell us This book pulls together archaeological information scattered in journals and final reports relating to the Gospel of Luke with appealing photography instructive illustrations and fascinating recent finds It uses archaeology to reconstruct the social religious historical geographical and pathological context for the story of Jesus and the Jesus movement The book not only features the shiny objects from the excavations the beautiful pottery buildings and entertainment facilities but also items that are not usually handled in glossy magazines namely the human skeletal remains Yet these bones are an important window into the

biblical world indicating lifespan morbidity socioeconomic standing violence and stature The work will employ four areas of archaeological finds and investigations including inscriptions large finds of buildings small finds jewelry pottery coins and human remains to help interpret and illustrate the Gospel of Luke Along the way it assesses several archaeological controversies giving care to be fair to all sides but leaving the reader with the information to make up his or her own mind

**A Rabbinic Commentary on the New Testament** Samuel Tobias Lachs, 1987 Orthodoxy and the Courts in Late Antiquity Caroline Humfress, 2007-11-01 This book approaches the subject of late Roman law from the perspective of legal practice revealed in courtroom processes as well as more informal types of dispute settlement From at least the early fourth century leading bishops ecclesiastics and Christian polemicists participated in a vibrant culture of forensic argument with far reaching effects on theological debate the development of ecclesiastical authority and the elaboration of early Canon law One of the most innovative aspects of late Roman law was the creation and application of new legal categories used in the prosecution of heretics Leading Christian polemicists not only used techniques of argument learnt in the late Roman rhetorical schools to help position the Church within the structure of Empire they also used those techniques in cases involving accusations against heretics thus defining and developing the concept of Christian orthodoxy itself
