Roman Aromas Mary J. Dobson, 1997 Get a real sense of the past with these pungent and hilarious tours through our history Scratch and sniff your way through time to savour the awful and the aromatic mostly the awful and pick up some fascinating facts on just how smelly life must have been **The Smells and Senses of Antiquity in the Modern**

Imagination Adeline Grand-Clément, Charlotte Ribeyrol, 2021-12-16 This volume tackles the role of smell under explored in relation to the other senses in the modern rejection reappraisal and idealisation of antiquity Among the senses olfaction in particular has often been overlooked in classical reception studies due to its evanescent nature which makes this sense difficult to apprehend in its past instantiations And yet the smells associated with a given figure or social group convey a rich imagery which in turn connotes specific values perfumes scents and foul odours both reflect and mould the ways in which a society thinks or acts Smells also help to distinguish between male and female citizens and strangers and play an important role during rituals The Smells and Senses of Antiquity in the Modern Imagination focuses on the representation of ancient smells both enticing and repugnant in the visual and performative arts from the late 18th century up to the 21st century The individual contributions explore painting sculpture literature and film but also theatrical performance museum exhibitions advertising television series historical reenactment and graphic novels which have all played a part in reshaping modern audiences perceptions and experiences of the antique *Roman Passions* Ray Laurence, 2010-09-30 In what may be the most in depth study yet published of a film star's body of work Susan Hayward charts the career of Simone Signoret one of the great French actresses of the 20th Century Signoret who won an Oscar in 1960 for her performance in Room at the Top was a key figure in French cinema for 40 years But it is not so much her longevity that impresses as it is the quality of work she produced as her career progressed She started out as a stunningly beautiful woman winning major international awards five times for her roles and yet was only moderately in demand during those years From the 1960s onwards when her looks began to decline significantly Signoret was in greater demand and produced most of her output She insisted on playing roles consonant with her real age and often chose to play roles that portrayed her as even more ugly than she had become Simone Signoret The Star as Cultural Sign is a remarkable achievement a labor of love from one of the world's leading scholars of French cinema *Aroma* Constance Classen, David Howes, Anthony Synnott, 2002-11-01 Smell is a social phenomenon given particular meanings and values by different cultures Odours form the building blocks of cosmologies class hierarchies and political odours They can enforce social structures or transgress them unite people or divide them empower or disempower The authors argue that the sociology of smell is repressed in the modern West and its social history ignored This book breaks the olfactory silence of modernity It offers the first comprehensive exploration of the cultural role of odours in Western history from antiquity to the present It also covers a wide variety of non Western societies Its topics range from the medieval concept of the odour of sanctity to the aromatherapies of South America and from olfactory stereotypes of

gender and ethnicity in the modern West to the role of smell in postmodernity Its subject matter will fascinate anyone who likes to nose around in the inner workings of culture

Smell and the Ancient Senses Mark Bradley, 2014-12-17 From flowers and perfumes to urban sanitation and personal hygiene smell a sense that is simultaneously sublime and animalistic has played a pivotal role in western culture and thought Greek and Roman writers and thinkers lost no opportunity to connect the smells that bombarded their senses to the social political and cultural status of the individuals and environments that they encountered godly incense and burning sacrifices seductive scents aromatic cuisines stinking bodies pungent farmyards and festering back streets The cultural study of smell has largely focused on pollution transgression and propriety but the olfactory sense came into play in a wide range of domains and activities ancient medicine and philosophy religion botany and natural history erotic literature urban planning dining satire and comedy where odours aromas scents and stench were rich and versatile components of the ancient sensorium The first comprehensive introduction to the role of smell in the history literature and society of classical antiquity *Smell and the Ancient Senses* explores and probes the ways that the olfactory sense can

contribute to our perceptions of ancient life behaviour identity and morality

Dress and the Roman Woman Kelly Olson, 2012-08-06 In ancient Rome the subtlest details in dress helped to distinguish between levels of social and moral hierarchy Clothes were a key part of the sign systems of Roman civilization a central aspect of its visual language for women as well as men This engaging book collects and examines artistic evidence and literary references to female clothing cosmetics and ornament in Roman antiquity deciphering their meaning and revealing what it meant to be an adorned woman in Roman society Cosmetics ornaments and fashion were often considered frivolous wasteful or deceptive which reflects ancient views about the nature of women However Kelly Olson uses literary evidence to argue that women often took pleasure in fashioning themselves and many treated adornment as a significant activity enjoying the social status influence and power that it signified This study makes an important contribution to our knowledge of Roman women and is essential reading for anyone interested in ancient Roman life

Aromas of Asia Hannah Gould, Gwyn McClelland, 2023-10-12 A uniquely powerful marker of ethnic gender and class identities scent can also overwhelm previously constructed boundaries and transform social sensory realities within contexts of environmental degradation pathogen outbreaks and racial politics This innovative multidisciplinary volume critically examines olfaction in Asian societies with the goal of unlocking its full potential as an analytical frame and lived phenomenon Featuring contributions from international scholars with deep knowledge of the region this volume conceptualizes Asia and its borders as a dynamic transnationally connected space of olfactory exchange Using examples such as trade along the Silk Road the diffusion of dharmic religious traditions out of South Asia the waves of invasion colonization and forced relocation that shaped the history of the continent and other sensory highways of contact the contributors break down essentializing olfactory tropes and reveal how scent functions as a category of social and moral boundary marking and boundary breaching within between and beyond Asian societies Smell shapes individual collective and state based memory as well as discourses about heritage and power As such it suggests a pervasive and powerful intimacy that contributes to our understanding of the human condition mobility and interconnection In addition to the editors the contributors to this volume include Khoo Gaik Cheng Jean Duruz Qian Jia Shivani Kapoor Adam Liebman Lorenzo Marinucci Peter Romaskiewicz Saki Tanada Aubrey Tang and Ruth E Toulson

Roman Glass Stuart J. Fleming, 1997-01-29 This lavishly illustrated book places glass in its social setting within the Roman household The volume was written to accompany the traveling exhibition Roman Glass Reflections on Cultural Change Through a series of vignettes the author tells the story of the development of the glass industry in the Roman Empire and the role of glass in the daily routines of the ancient Romans During the reign of Rome's first emperor Augustus 27 B C A D 14 as several well established industries such as pottery and textile making were being expanded the craft of glassmaking was adopted from the East turned into an industry and adapted to Roman taste By the mid first century A D glass rivaled pottery in the domestic marketplace It was used for tableware and storage containers to hold everything from preserved fish to fine perfumes Glass

featured strongly in the Roman daily routine from the early morning when maids would apply perfumed lotions to their mistress in preparation for her social rounds to the late afternoon when slaves would bring platters of food bowls of fruit and jugs of wine all of glass to the supper table And there was a place for glass even in Roman funerary ritual because it was custom to include all manner of domestic items among the grave furnishings to add comfort to the afterlife **Chedworth: Life in a Roman Villa** Simon Cleary, Tony Robinson, 2013-04-01 Chedworth is one of the few Roman villas in Britain whose remains are open to the public and this book seeks to explain what these remains mean The fourth century in Britain was a golden age and at the time the Cotswolds were the richest area of Roman Britain The wealthy owners of a villa such as Chedworth felt themselves part of an imperial Roman aristocracy This is expressed at the villa in the layout of the buildings rooms for receiving guests and for grand dining the provision of baths and the use of mosaics The villa would also have housed the wife family and household of the owner and been the centre of an agricultural estate In the nineteenth century Chedworth was rediscovered and part of the villa s tale is the way in which it was viewed by a nineteenth century Cotswold landowner Lord Eldon and then its current owners the National Trust Now in this remarkable and beautifully illustrated volume Chedworth s story is told in full Sacred Scents in Early Christianity and Islam Mary Thurlkill, 2016-07-26 Medieval scholars and cultural historians have recently turned their attention to the question of smells and what olfactory sensations reveal about society in general and holiness in particular Sacred Scents in Early Christianity and Islam contributes to that conversation explaining how early Christians and Muslims linked the sweet smell of sanctity with ideals of the body and sexuality created boundaries and sacred space and imagined their emerging communal identity Most importantly scent itself transgressive and difficult to control signaled transition and transformation between categories of meaning Christian and Islamic authors distinguished their own fragrant ethical and theological ideals against the stench of oppositional heresy and moral depravity Orthodox Christians ridiculed their stinking Arian neighbors and Muslims denounced the reeking corruption of Umayyad and Abbasid decadence Through the mouths of saints and prophets patriarchal authors labeled perfumed women as existential threats to vulnerable men and consigned them to enclosed private space for their protection as well as society s At the same time theologians praised both men and women who purified and transformed their bodies into aromatic offerings to God Both Christian and Muslim pilgrims venerated sainted men and women with perfumed offerings at tombstones indeed Christians and Muslims often worshipped together honoring common heroes such as Abraham Moses and Jonah Sacred Scents begins by surveying aroma s quotidian functions in Roman and pre Islamic cultural milieus within homes temples poetry kitchens and medicines Existing scholarship tends to frame scent as something available only to the wealthy or elite however perfumes spices and incense wafted through the lives of most early Christians and Muslims It ends by examining both traditions views of Paradise identified as the archetypal Garden and source of all perfumes and sweet smells Both Christian and Islamic texts explain Adam and Eve s profound grief at losing access to these heavenly aromas and celebrate

God's mercy in allowing earthly remembrances Sacred scent thus prompts humanity's grief for what was lost and the yearning for paradisiacal transformation still to come **The Story of the World** Susan Wise Bauer, 2004-05-31 Presents a history of the ancient world from 6000 B.C. to 400 A.D. *Quarterly List of New Books*, 1914 **Quarterly List of New Books** Public Library of Brookline, 1912 *Boys' Life*, 2002-01 Boys' Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting

A Sensory History Manifesto Mark M. Smith, 2021-08-04 A Sensory History Manifesto is a brief and timely meditation on the state of the field It invites historians who are unfamiliar with sensory history to adopt some of its insights and practices and it urges current practitioners to think in new ways about writing histories of the senses Starting from the premise that the sensorium is a historical formation Mark M. Smith traces the origins of historical work on the senses long before the emergence of the field now called sensory history interrogating exploring and in some cases recovering pioneering work on the topic Smith argues that we are at an important moment in the writing of the history of the senses and he explains the potential that this field holds for the study of history generally In addition to highlighting the strengths of current work in sensory history Smith also identifies some of its shortcomings If sensory history provides historians of all persuasions times and places a useful and incisive way to write about the past it also challenges current practitioners to think more carefully about the historicity of the senses and the desirability even the urgency of engaged and sustained debate among themselves In this way A Sensory History Manifesto invites scholars to think about how their field needs to evolve if the real interpretive dividends of sensory history are to be realized Concise and convincing A Sensory History Manifesto is a must read for historians of all specializations *Orange Coast Magazine*, 1988-10 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle **The House in Amalfi** Elizabeth Adler, 2025-08-22 Let Elizabeth Adler sweep you away to the dramatic cliffs and ocean of Italy's Amalfi coast in this novel of secrets memories and unexpected love Lamour Harrington's husband died two years ago Since then she has immersed herself in her landscape architecture but even creating beautiful outdoor rooms can't bring back her sense of peace When she's faced with a devastating truth about the husband she adored Lamour needs a place to recharge She returns to the house on the Amalfi coast where she'd lived with her father during the happiest years of her childhood But the house of her memories has secrets all its own forcing her to face new truths about another man she once loved Was her father's death truly accidental Or was he hiding something that caused his early demise Torn between two mysterious and

compelling men Lamour discovers that the past has a way of returning when you least expect it And someone wants to ensure that Lamour doesn't uncover the secrets of this idyllic dreamy coastal getaway As the past and the present collide in a shattering and suspenseful climax Lamour must face the things she fears the most in order to find the courage to live life to the fullest The House in Amalfi is addictively page turning a novel to tantalize every sense and keep you spellbound

Invitation to Provence Elizabeth Adler, 2005-08-02 Take a journey with internationally acclaimed bestselling author Elizabeth Adler to one of the most sensuous places on earth a place where lavender filled fields meet an azure sky where rosemary scents the air and where love and intrigue are just around the corner Franny Marten's life is unraveling after arranging to meet her boyfriend Marcus Marks for dinner she finds his wife waiting for her instead After the initial shock wears off Franny finds she has more in common with Clare Marks than she could ever have imagined And amazingly the women become fast friends But even more surprises are in store for Franny Marten She is unexpectedly offered an all expenses paid invitation to a reunion of her estranged family in Provence And Clare decides to charge the trip to Marcus for his sins and come along Franny knows very little about the French side of her family but how stressful can meeting long lost aunts and cousins be after what she and Clare have just gone through Provence is everything Franny pictured but nothing at all what she expected There are dangerous family secrets buried deep in the lovely lush landscape of Provence and there's also a person who will go to any lengths to keep Franny from uncovering them Jake Bronson is an American with ties to the Marten family and he seems to know more than he's saying He's the most intriguing and compelling man Franny's ever encountered but there are treacherous currents surrounding him And at the center of it all is the matriarch Rafaella Marten a woman with secrets going back decades Her two sons have caused her both heartache and joy but Franny may ultimately be the key to truly reuniting the Marten family and putting to rest the shadows scandals and the rivalry of a dynasty Evoking the lush descriptions of everything that is Provence Elizabeth Adler casts an unforgettable spell as *Invitation to Provence* transports you to a truly magical place

Past Scents Jonathan Reinartz, 2014-03-30 In this comprehensive and engaging volume medical historian Jonathan Reinartz offers a historiography of smell from ancient to modern times Synthesizing existing scholarship in the field he shows how people have relied on their olfactory sense to understand and engage with both their immediate environments and wider corporal and spiritual worlds This broad survey demonstrates how each community or commodity possesses or has been thought to possess its own peculiar scent Through the meanings associated with smells osmologies develop what cultural anthropologists have termed the systems that utilize smells to classify people and objects in ways that define their relations to each other and their relative values within a particular culture European Christians for instance relied on their noses to differentiate Christians from heathens whites from people of color women from men virgins from harlots artisans from aristocracy and pollution from perfume This reliance on smell was not limited to the global North Around the world Reinartz shows people used scents to signify individual and group identity in a morally constructed universe

where the good smelled pleasant and their opposites reeked With chapters including Heavenly Scents Fragrant Lucre and Odorous Others Reinartz's timely survey is a useful and entertaining look at the history of one of our most important but least understood senses
