

Romance And Ritual

Jesse L. Weston

Romance And Ritual:

From Ritual to Romance Jessie L. Weston, 2020-09-01 Acknowledged by T S Eliot as crucial to understanding *The Waste Land* Jessie Weston's book has continued to attract readers interested in ancient religion myth and especially Arthurian legend Weston examines the saga of the Grail which in many versions begins when the wounded king of a famished land sees a procession of objects including a bleeding lance and a bejewelled cup She maintains that all versions defy uniform applications of Celtic and Christian interpretations and explores the legend's Gnostic roots Drawing from J G Frazer who studied ancient nature cults that associated the physical condition of the king with the productivity of the land Weston considers how the legend of the Grail related to fertility rites with the lance and the cup serving as sexual symbols She traces its origins to a Gnostic text that served as a link between ancient vegetation cults and the Celts and Christians who embellished the story Conceiving of the Grail saga as a literary outgrowth of ancient ritual she seeks a Gnostic Christian interpretation that unites the quest for fertility with the striving for mystical oneness with God *From Ritual to Romance* Jessie Laidlay Weston, 1991 Popular Spiritualities Lynne Hume, 2018-05-08 In our contemporary post modern world popular forms of spirituality are increasingly engaging with notions of re enchantment of self and community Not only are narratives of re enchantment appearing in popular culture at the personal and spiritual level but also they are often accompanied by a pragmatic approach that calls for political activism and the desire to change the world to incorporate these new ideas Drawing on case studies of particular groups including pagans witches radical faeries post modern tourists and queer and goddess groups contributors from Australia the UK and North America discuss various forms of spirituality and how they contribute to self knowledge identity and community life The book documents an emerging engagement between new quasi religious groups and political action eco paganism post colonial youth culture and alternative health movements to explore how social change emerges **From Ritual to Romance** Jesse L. Weston, 2011-08-03 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks For those who have known and loved these works in the past this is an invitation to reunite with old friends in a fresh new format From Shakespeare's finesse to Oscar Wilde's wit this unique collection brings together works as diverse and influential as *The Pilgrim's Progress* and *Othello* As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants it is must have addition to any library **Love Rituals** Leslie Koren, 2021-12-21 Dozens of sweet surprising sexy rituals that will help readers build stronger more intimate relationships collected into one beautiful affordable gift able package *From Ritual to Romance* Jessie Weston, 2020-05-30 *From Ritual to Romance* is a 1920 book written by Jessie L Weston Weston's book is an examination of the roots of the King Arthur legends and seeks to make connections between the early pagan elements and the later Christian influences **A Natural History of the Romance Novel** Pamela Regis, 2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary

genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson s Pamela through Austen s Pride and Prejudice Bront s Jane Eyre and E M Hull s The Sheik and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts

Awkward Rituals Dana W. Logan, 2022-05-06 A fresh account of early American religious history that argues for a new understanding of ritual In the years between the American Revolution and the Civil War there was an awkward persistence of sovereign rituals vestiges of a monarchical past that were not easy to shed In *Awkward Rituals* Dana Logan focuses our attention on these performances revealing the ways in which governance in the early republic was characterized by white Protestants reenacting the hierarchical authority of a seemingly rejected king With her unique focus on embodied action rather than the more common focus on discourse or law Logan makes an original contribution to debates about the relative completeness of America s Revolution *Awkward Rituals* theorizes an under examined form of action rituals that do not feel natural even if they sometimes feel good This account challenges common notions of ritual as a force that binds society and synthesizes the self Ranging from Freemason initiations to evangelical societies to missionaries posing as sailors Logan shows how white Protestants promoted a class based society while simultaneously trumpeting egalitarianism She thus redescribes ritual as a box to check a chore to complete an embarrassing display of theatrical verve In *Awkward Rituals* Logan emphasizes how ritual distinctively captures what does not change through revolution

Crystals & Love Judy Hall, 2024-12-17 Unlock the power of love through crystals with this all inclusive volume on crystal rituals and techniques Find your perfect partner improve your current relationships and even boost your sex life with the help of *Crystals Love* Featuring sections on every aspect of love and relationships this book will help solve or improve any major love issues *Crystals Love* also has sections on how to create loving and positive environments which not only improve personal bonds and outlook but will alter your relations with the world at large So if you are looking for new romance or a fun night out want to create the right energies for a passionate evening with your dream lover or need to heal an old hurt that is blocking finding a new love this book shows you how to harness crystal energies to open your heart to love and attract more love into your life

Norman romance Naming and namelessness are among the major themes of medieval romance Because the genre is so difficult to define scholars have viewed romance as containing a critical number of themes this book treats naming as a major theme of romance and furthermore examines romance's relationship with contemporary naming theory A new genre it is able to play with naming in a way that previously established genres are not The book begins with a discussion of the medieval background to romance and explores a series of naming patterns found across a broad range of texts It continues with detailed analysis of twenty one romances in English French and Anglo Norman from 1130 to 1500 to show how naming themes are treated differently in each and to demonstrate the importance of name as a generic marker Finally an appendix provides details of each romance's context together with indications for further research JANE BLISS is an independent scholar she gained her PhD from Oxford Brookes University

Love for all Hearts. Alina A. Rubi, 2025-09-24 All the Rituals Spells Baths Amulets and Talismans to Attract Love into Your Life

Corporate Medievalism Karl Fugelso, 2012 Essays on the post modern reception and interpretation of the middle ages with a particular focus on its relationship with business and finance Academia has never been immune to corporate culture and despite the persistent association of medievalism with escapism perhaps never has that been more obvious than at the present moment The six essays that open the volume explore precisely how financial institutions have promoted distorted appropriated resisted and repudiated post medieval interpretations of the middle ages In the second part of the book contributors explore medievalism in a variety of areas juxtaposing specific case studies with broader investigations of the discipline's motives and methods they include Charles Kingsley's racial Anglo Saxonism Jessie L Weston's Sir Gawain and the treatment of women in medievalist film The book also includes a spirited response to previous Studies in Medievalism volumes on the topic neomedievalism Contributors Harry Brown Henrik Aubert Helen Brookman Pamela Clements KellyAnn Fitzpatrick Jil Hanifan Michael R Kightley Felice Lifshitz Lauren S Mayer Brent Moberley Kevin Moberley E L Ridsen Carol L Robinson M J Toswell J Rub n Vald s Miyares

The Arthurian Revival Debra Mancoff, 2014-08-13 Discrete inquiries into 15 forms of the Arthurian legends produced over the last century explore how they have altered the tradition They consider works from the US and Europe and those aimed at popular and elite audiences The overall conclusion is that the Arthurian revival is an ongoing event and has become multivalent multinational and multimedia Originally published in 1992

The Pool Group and the Quest for Anthropological Universality Betsy van Schlun, 2016-11-21 Pool was an avant garde group that originated in 1927 in Britain and was active under this name until 1933 The group consisted of the well known modernist poet H D the English writer Bryher and the young Scottish writer and artist Kenneth Macpherson All three were first and foremost writers who at one point discovered film as another modern experimental medium of artistic expression Pool associated with almost all the iconic modernists of their time with Ezra Pound Gertrude Stein Ernest Hemmingway James Joyce Marianne Moore William Carlos Williams T S Eliot and Virginia Woolf to name only a few In addition due to their interest in film they were also befriended with such

influential filmmakers as Sergei Eisenstein and Georg Wilhelm Pabst and became closely associated with Weimar Berlin film culture Pool unites classical Modernism and modernity two directions that are usually considered to be contradictory The Pool phenomenon opens a new perspective onto Modernism and prompts a reconsideration of its canonical texts and figures Contrary to many artists of Modernism who devised highly individualistic aesthetic styles the artists of Pool strove towards a universal art of humanity that was rooted in all human nature and psychology Marriages and Families in the 21st Century Tasha R. Howe, 2017-08 Marriages and Families in the 21st Century puts contemporary relationships and family structures in context for today's students Using a bioecological framework the book reveals how families are shaped by multiple influences from biological to cultural that interact with one another Chapters cover topics from parenting to gender issues within an interdisciplinary context weaving in stories visuals and examples of diverse families to dispel longstanding myths The book creates a personalized learning experience with frequent self assessments and strengths exercises while ensuring that students come to understand the research and build scientific analysis and critical thinking skills along the way Robust digital tools and resources including SAGE edge and an interactive eBook with SAGE Premium Video help readers develop a multi layered understanding of today's modern families while challenging them to re evaluate their own assumptions and experiences SAGE Premium Video included in the Interactive eBook Families Today videos boost comprehension and bolster analysis easily accessible via the interactive eBook SAGE coursepacks Our Content Tailored to Your LMS SAGE coursepacks makes it easy to import our quality instructor and student resource content into your school's learning management system LMS Intuitive and simple to use SAGE coursepacks allows you to customize course content to meet your students needs

Anatomy of Criticism Northrop Frye, 2020-05-19 A landmark work of literary criticism Northrop Frye's Anatomy of Criticism is the magnum opus of one of the most important and influential literary theorists of the twentieth century Breaking with the practice of close reading of individual texts Frye seeks to describe a common basis for understanding the full range of literary forms by examining archetypes genres poetic language and the relations among the text the reader and society Using a dazzling array of examples he argues that understanding the structure of literature as a total form also allows us to see the profoundly liberating effect literature can have **From Ritual to Romance** Jessie L. Weston, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
