theologically sound There are no side trails which lead the reader away from the main focus of worshiping God in spirit and in truth Offered is a practically oriented book which can be utilized in small group Bible studies devotionals and in sermons The well organized chapters make this a practical guide to better understanding worship My favorite chapter is the one which describes The Great Commission as our call to worship Interpreting the Great Commission in this fashion helps readers see worship as a way of life not a single action of the Christian When we understand this truism we are freed from trying to make a list of priorities which makes worship a separated part of the Christian life I recommend Offered to you as a reliable guide for you in your quest to better comprehend the full meaning of worship Like me I think you will come to know that we are here on this earth to be offered to The Living God for a life of worship Dr Rick Lance Executive Director Alabama Baptist State Board of Missions
