*Romanesque Architecture in Hungary* Dezső Dercsényi, 1975      **Romanesque architecture in Hungary** Dezső Dercsényi, Kálmań Kónya, Zsuzsanna Horn, 1975      The Architecture of Historic Hungary Pál Lővei, 1998 The first comprehensive survey in English of Hungarian architecture from prehistoric settlements to contemporary experiments Perhaps most revealing to Western readers are the illustrations and line drawings which document one of the most neglected but fascinating architectural traditions of Europe 305 illustrations 12 in color      **Renaissance Architecture in Hungary** Rózsa Feuer-Tóth, 1981      **The Rough Guide to Hungary** Rough Guides, 2010-03-01 The Rough Guide to Hungary is the definitive guide to this beautiful land locked nation with clear maps and detailed coverage of all the best attractions from the thickly forested Northern Uplands and The Great Plain to the spectacular Lake Balaton and hip capital city Budapest You ll find introductory sections on Hungarian customs health food drink and outdoor activities as well as Hungarian wine and extraordinary concentration of thermal bars all inspired by dozens of colour photos The Rough Guide to Hungary is loaded with practical information on getting there and around plus reviews of the best hotels restaurants bars and shopping in Hungary for all budgets Rely on expert background information on everything from Hungarian folk music to Habsburg rule whilst relying on a useful language section and the clearest maps of any guide Make the most of your holiday with The Rough Guide to Hungary      *Lonely Planet Budapest & Hungary* Lonely Planet,      *The Grove Encyclopedia of Medieval Art and Architecture* Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture      *DK Eyewitness Travel Guide Hungary* DK Travel, 2018-03-20 Discover all that Hungary has to offer from luxurious spas and the historic Castle District in Budapest to the immense Hortobágy National Park With stunning photography illustrations and maps this easy to use guide will lead you straight to the best in Hungary including the Royal Palace of Gödöllő and Budapest s striking Memento Park Those spending time in picturesque Budapest can quickly uncover the best shops and museums exploring the area with the help of a detailed streetfinder map Carefully plotted itineraries showcase the rest of Hungary with insider tips and hotel and restaurant recommendations ensuring you experience the best that this fascinating country has to offer With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Hungary truly shows you this city as no one else can      Church Archaeology in Transylvania (ca. 950 to ca. 1450) Daniela Marcu-Istrate, 2022-09-19 Transylvania has some of the most valuable monuments of medieval architecture in Europe The oldest church was built in the 10th century but most others came into being only after 1200 Later changes have considerably modified the appearance of still standing

buildings Written sources are lacking for answers to questions about the identity of the builders and patrons Countering the idea that only standing structures can reflect the history of medieval churches in Transylvania this book uses archaeological sources in order to answer some of those questions and to bring to light the hidden past of many monuments **DK Eyewitness Travel Guide: Hungary** Craig Turp, 2013-10-10 Now available in PDF format DK Eyewitness Travel Guide Hungary is your indispensable guide to this beautiful country The fully updated guide includes unique cutaways floor plans and reconstructions of the must see sights plus street by street maps of cities and towns DK's insider travel tips and essential local information will help you discover the best of Hungary region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to hotels restaurants bars and shops for all budgets while practical information will help you to get around by train bus or car With hundreds of full color photographs hand drawn illustrations and custom maps that brighten every page DK Eyewitness Travel Guide Hungary truly shows you around this country as no one else can *The Vienna School of Art History* Matthew Rampley, 2015-06-26 Matthew Rampley's *The Vienna School of Art History* is the first book in over seventy five years to study in depth and in context the practices of art history from 1847 the year the first teaching position in the discipline was created to 1918 the collapse of Austria Hungary It traces the emergence of art history as a discipline the establishment of norms of scholarly inquiry and the involvement of art historians in wider debates about the cultural and political identity of the monarchy The so called Vienna School plays the central role in the study but Rampley also examines the formation of art history elsewhere in Austria Hungary Located in the Habsburg imperial capital Vienna art historians frequently became entangled in debates that were of importance to art historians elsewhere in the Empire and Rampley pays particular attention to these areas of overlapping interest He also analyzes the methodological innovations for which the Vienna School was well known Rampley focuses most fully however on the larger political and ideological context of the practice of art history particularly the way in which art historical debates served as proxies for wider arguments over the political social and cultural life of the Habsburg Empire **Medieval East Central Europe in a Comparative Perspective** Gerhard Jaritz, Katalin Szende, 2016-05-12 *Medieval East Central Europe in a Comparative Perspective* draws together the new perspectives concerning the relevance of East Central Europe for current historiography by placing the region in various comparative contexts The chapters compare conditions within East Central Europe as well as between East Central Europe the rest of the continent and beyond Including 15 original chapters from an interdisciplinary team of contributors this collection begins by posing the question What is East Central Europe with three specialists offering different interpretations and presenting new conclusions The book is then grouped into five parts which examine political practice religion urban experience and art and literature The contributors question and explain the reasons for similarities and differences in governance and strategies for handling allies enemies or subjects in particular ways They point out themes and structures from town planning to religious orders that did not function according to political boundaries

and for which the inclusion of East Central European territories was systemic The volume offers a new interpretation of medieval East Central Europe beyond its traditional limits in space and time and beyond the established conceptual schemes It will be essential reading for students and scholars of medieval East Central Europe

*Eastern Europe in the Middle Ages (500-1300) (2 vols)* Florin Curta,2019-07-08 Winner of the 2020 Verbruggen prize This book provides a comprehensive synthesis of scholarship on Eastern Europe in the Middle Ages The goal is to offer an overview of the current state of research and a basic route map for navigating an abundant historiography available in more than 10 different languages The literature published in English on the medieval history of Eastern Europe books chapters and articles represents a little more than 11 percent of the historiography The companion is therefore meant to provide an orientation into the existing literature that may not be available because of linguistic barriers and in addition an introductory bibliography in English Winner of the 2020

Verbruggen prize awarded annually by the De Re Militari society for the best book on medieval military history The awarding committee commented that the book has an enormous range and yet is exceptionally scholarly with a fine grasp of detail Its title points to a general history of eastern Europe but it is dominated by military episodes which make it of the highest value to anybody writing about war and warmaking in this very neglected area of Europe See inside the book

**Central Europe in the High Middle Ages** Nora Berend,Przemysław Urbańczyk,Przemysław Wiszewski,2013-12-19 This groundbreaking comparative history of the early centuries of Bohemia Hungary and Poland sets the development of each polity in the context of the central European region as a whole Focusing on the origins of the realms and their development in the eleventh and twelfth centuries the book concludes with the thirteenth century when significant changes in social and economic structures occurred The book presents a series of thematic chapters on every aspect of the early history of the region covering political

religious economic social and cultural developments including an investigation of origin myths that questions traditional national narratives It also explores the ways in which west European patterns were appropriated and adapted through the local initiatives of rulers nobles and ecclesiastics in central Europe An ideal introduction to the essential themes in medieval central European history the book sheds important new light on regional similarities and differences *Hungary* Adrian Phillips, Jo Scotchmer, 2005 This thorough guide to Hungary shows there is much to explore beyond its popular capital Budapest A wide range of activities sightseeing and travel options are provided to aid independent travelers *There is No Czech Culture in Upper Hungary* Lajos Steier, 1920 **INTER-ENG 2020** Liviu Moldovan, Adrian Gligor, 2021-05-31 These proceedings contain research papers that were accepted for presentation at the 14th International Conference Inter Eng 2020 Interdisciplinarity in Engineering which was held on 8-9 October 2020 in Târgu Mureș Romania It is a leading international professional and scientific forum for engineers and scientists to present research works contributions and recent developments as well as current practices in engineering which is falling into a tradition of important scientific events occurring at Faculty of Engineering and Information Technology in the George Emil Palade University of Medicine Pharmacy Science and Technology of Târgu Mureș Romania The Inter Eng conference started from the observation that in the 21st century the era of high technology without new approaches in research we cannot speak of a harmonious society The theme of the conference proposing a new approach related to Industry 4.0 was the development of a new generation of smart factories based on the manufacturing and assembly process digitalization related to advanced manufacturing technology lean manufacturing sustainable manufacturing additive manufacturing and manufacturing tools and equipment The conference slogan was Europe's future is digital a broad vision of the Industry 4.0 concept beyond direct manufacturing in the company *Papers Read at the Royal Institute of British Architects*, 1867
