Donald Leroy Dyer

Romanian Dialect Of Moldova:

The Romanian Dialect of Moldova Donald Leroy Dyer, 1999 Examines attempts by Soviet linguists to create an independent literary language called Moldavian which according to Soviet linguistics and their followers were lexically phonologically even grammatically distinct from standard Romanian The text examines through a series of contemporary essays the history of Soviet language policy in Moldova Specific attention is paid to the actual dialectal features of Moldavian Romanian its borrowed lexical stock from Russian and the relationship between the Romanian of Moldova and other languages spoken in the region such as Bulgarian and Gagauz *Romanian language guide for travelers* YouGuide Ltd,

Multilingualism in Post-Soviet Countries Aneta Pavlenko, 2008 In the past two decades post Soviet countries have emerged as a contested linguistic space where disagreements over language and education policies have led to demonstrations military conflicts and even secession This collection offers an up to date comparative analysis of language and education policies and practices in post Soviet countries **Introduction to Romania** Gilad James, PhD, Romania is a country located in southeastern Europe with a population of around 19 5 million people It is bordered by Ukraine to the north Moldova to the northeast Hungary to the west Serbia to the southwest and Bulgaria to the south Romania s capital and largest city is Bucharest which is also its political and cultural center The country covers a total area of 238 391 square kilometers and is home to many natural wonders including the Carpathian Mountains the Danube Delta and the Black Sea coast Romania has a rich cultural heritage that dates back to prehistoric times with notable influences from the Romans Byzantines Saxons and Ottomans among others The country is known for its beautiful architecture diverse cuisine and lively folk traditions Some of the country s most popular attractions include the medieval fortified city of Sighisoara the castles of Dracula and Peles the painted monasteries of Bucovina and the Sphinx and Babele rock formations in the Bucegi Mountains Despite its challenges with corruption and economic development Romania is a fascinating and dynamic country that offers visitors a unique blend of old world charm and modern appeal *Romanian Grammar* Mika Sarlin, 2014-09-30 This book is an advanced grammar of Romanian for English speakers Romanian is a Romance language meaning that it has developed from Latin just like Spanish Portuguese French and Italian Romanian is spoken by ca 24 million people and it is the official language of both Romania and Moldova It also has an official status in the province of Vojvodina in Serbia and in few villages in Ukraine Romanian is also one of the official languages of the European Union **Gender, Language and the Periphery** Julie Abbou, Fabienne H. Baider, 2016-12-15 This volume aims to demonstrate that the centre periphery tension allows for a theory of gender understood as a power relationship with implications for a political analysis of language structures language uses and linguistic resistances All of the 12 chapters included in this volume work on understudied languages such as Moldovan Lakota Cantonese Bajjika Croatian Hebrew Arabic Ciluba Cantonese Cypriot Greek Korean Malaysian Basque and Belarusian and they all explore from the margins different dimensions of social gender in grammar The diversity of languages

is reflected in the range of theoretical frameworks linguistic anthropology systemic functional linguistics contrastive syntactical analysis to name a few used by the authors in order to apprehend the fluidity of gender ed language and identity to highlight the social constraints on daily discourse and to identify discourses that resist gender norms This book will be highly relevant for students and researchers working on the interface of gender with morpho syntax semantics pragmatics and discourse analysis

Intermarium Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture

The Romanian Language in the Digital Age Georg Rehm, Hans Uszkoreit, 2012-07-25 This white paper is part of a series that promotes knowledge about language technology and its potential It addresses educators journalists politicians language communities and others The availability and use of language technology in Europe varies between languages Consequently the actions that are required to further support research and development of language technologies also differ for each language The required actions depend on many factors such as the complexity of a given language and the size of its community META NET a Network of Excellence funded by the European Commission has conducted an analysis of current language resources and technologies This analysis focused on the 23 official European languages as well as other important national and regional languages in Europe The results of this analysis suggest that there are many significant research gaps for each language A more detailed expert analysis and assessment of the current situation will help maximise the impact of additional research and minimize any risks META NET consists of 54 research centres from 33 countries that are working with stakeholders from commercial businesses government agencies industry research organisations software companies technology providers and European universities Together they are creating a common technology vision while developing a strategic research agenda that shows how language technology

applications can address any research gaps by 2020

Fear and Anxiety in the 21st Century: The European Context and Beyond, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2015 This inter disciplinary volume is centred upon the complex and ever changing issues entailed by fears and anxieties in contemporary Europe and thence the whole world Indeed the fate of Europe mirrors the fate of the world itself events are no longer localized but as soon as they have occurred they have become part and parcel of our experience as a genuinely cosmopolitan species Some of these fears and anxieties are nurtured by real events whilst others are rooted in imaginary phenomena The experts who have contributed to this exciting work come from different fields of study from history to economics and from anthropology to linguistics yet what they have in common is a genuine commitment to the integrity of inter disciplinary research which teaches mutual respect and scientific curiosity
