**Romanism and the Reformation from the Standpoint of Prophecy ...** Henry Grattan Guinness, 1893      *Romanism and the Reformation* Henry Grattan Guinness, 2017-04-17 In this exceptional manual Henry Grattan Guinness focuses upon the early church beliefs with examinations of the books of Daniel Paul and John Guinness writes in a lively and energetic style which today serves to keep his books accessible to the modern generations The various lore of the New Testament and the prophecies which the books within it predicted remain a topic of fascination to religious scholars and Christian believers alike Romanism is a negative term for Catholicism which in the late 19th century received strong opposition from various Protestant denominations Guinness cites the words and writings of the ancient saints of the early church as evidence that the Catholic church became the embodiment of Babylon as depicted in the Book of Revelation This title is adapted from a series of lectures Guinness delivered during the late 19th century at the Protestant Educational Institute at Exeter Hall This building in central London was later demolished in 1907 hitherto becoming famous for hosting various seminars in the spirit of social change and reforms It was thus that Guinness with his unique and convincing interpretations of the Bible was welcomed with open arms Perhaps most notably is the assertion by Guinness which he supports with citations of the original scripture that the Bible predicted the coming of the Antichrist Writing so ably Guinness renders a subject often impenetrable or mysterious digestible and accessible His beliefs that the Holy Roman Empire had a great role in fulfilling the prophecies is much discussed and supported by citation of both scripture and events in history      Romanism and the Reformation Henry Grattan Guinness, 1887      **Romanism and the Reformation from the Standpoint of Prophecy** Henry Grattan Guinness, 1891      Romanism and the Reformation from the Standpoint of Prophecy H. Denmark Germany Holland and Great Britain It might well be omitted from Daniel s very distant foreview but scarcely from the latter prophecy of John when the incipient workings of the apostasy had already commenced Neither the story of the apostate Church nor that of the true would be complete without it for it was an episode of stupendous importance to the welfare of hundreds of millions of mankind through nine or ten generations both to those whom it liberated from the superstitions and tyrannies of Rome and to those on whom by a counter movement it rivetted her fetters more strongly than ever What should the ruin wrought by Romanism be plainly portrayed in advance on the prophetic page and the revival produced by the Spirit of God and the word of His mouth be left altogether out of view Should the **Ritualism,**

**Romanism and the Reformation** H. Grattan Guinness, In *Romanism and the Reformation from the Standpoint of Prophecy* H Grattan Guinness argues that the Protestant Reformation was a necessary response to the errors and corruptions of the Roman Catholic Church as foretold in biblical prophecy He contends that the Reformation based on Scripture exposed these errors and gave the Bible back to the world Guinness calls for a fresh examination of prophetic anti papal truth to guide Christians in an age of increasing indifference to the differences between truth and error *Romanism and the Reformation* Henry Grattan Guinness,2017-09-12 Excerpt from *Romanism and the Reformation From the Standpoint of Prophecy* These lectures simple and popular as they are will it is hoped open many minds to perceive that the Bible gives no uncertain sound as to Romanism and that those who will be guided by its teachings must shun an apostasy against which the sorest judgments are denounced About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Romanism and the Reformation](#) Henry Grattan Guinness,2014-08-07 This Is A New Release Of The Original 1887 Edition **Romanism and the Reformation From the Standpoint of Prophecy [microform]** H Grattan (Henry Grattan) Guinness,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank
