

THE EPISTLE OF PAUL THE APOSTLE TO THE ROMANS

CHAPTER I

*I Paul, a servant of Jesus Christ, called to
be an apostle, separated unto the gospel of
God.*

*(Which he had promised afore by his
prophets in the holy scriptures.)*

*Concerning his Son Jesus Christ our
Lord, which was made of the seed of David
according to the flesh;*

*And declared to be the Son of God with
power, according to the spirit of holiness, by
surrection from the dead:*

*whom we have received grace and
apostleship, for obedience to the faith
among all nations, for his name:
whom are we*

*without ceasing I make mention
always in my prayers;*

*10 Making request, if by any means
length I might have a prosperous journey
the will of God to come unto you.*

*11 For I long to see you, that I may
unto you some spiritual gift, to the end
may be established;*

*12 That is, that I may be comforted
together with you by the mutual faithfulness
of you and me.*

*13 Now I would not have you ignorant,
brethren, that oftentimes I have intended
unto you*

The Epistle to the Romans Richard N. Longenecker, 2016

Paul's letter to believers in Jesus at Rome has always been very highly regarded within the Christian church playing a central role in the formulation and proclamation of Christian doctrine Yet despite its status in the church and its importance for Christian thought life and proclamation Romans is not a simple writing it is one of the most difficult New Testament letters to analyze and interpret In this commentary prominent New Testament scholar Richard Longenecker offers a clear analysis of Romans that builds on the work of past commentators while still being informed by significant studies and insights of interpreters today His analysis is critical exegetical and constructive but pastoral in its application Longenecker also sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message

Moo,1996-09-30 Paul s letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul s letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul s teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans s emphasis on practical divinity and traces the theme of gospel throughout the epistle
